**PROPOSED REGULATION OF THE  
STATE BOARD OF PHARMACY**

**REGULATIONS REGARDING WAIVER OF PHARMACEUTICAL STATUTES  
& REGULATIONS IN DECLARED EMERGENCIES**

**NAC chapter 639 shall be amended to add the following new language:**

*The board's president, the executive secretary, or the general counsel may waive the compliance with or enforcement of any statutes or regulations regarding the practice of pharmacy upon receipt of notice of a declaration of emergency from a federal, state, or local official authorized to issue such declarations of emergency. If the board's president, executive secretary, or general counsel determines to issue a waiver under this section, he shall:*

*1. Issue a written notification of the waiver that shall include an identification of those statutes and regulations that are waived, the conditions of the waiver, and the term of the waiver;*

*2. Provide copies of the notification of the waiver to pharmacies, pharmacists, and others to whom such notification would be necessary to effectuate the waiver by whatever means are most available and expedient under the circumstances; and*

*3. Provide notification of the termination of the waiver to the same people to whom the notification of waiver had been provided by whatever means are most available and expedient under the circumstances.*
