

**LCB File No. R033-02**

**PROPOSED REGULATION OF THE  
STATE BOARD OF PHARMACY**

**NAC 639.254 Initial and annual training of pharmaceutical technicians working in or for pharmacy.**

1. The owner and managing pharmacist of a pharmacy shall provide training for pharmaceutical technicians working in or for the pharmacy that ensures the continuing competency of those technicians. The training must consist of initial training upon employment and at least ~~[6]~~ 12 hours of training ~~[while in service per year]~~ *in the biennium preceding re-registration as a pharmaceutical technician.*

2. The managing pharmacist shall maintain a written record of the initial training and the annual training completed by the pharmaceutical technicians working in or for the pharmacy that contains:

- (a) The name and signature of the person receiving the training;
- (b) The date or dates on which the training was received;
- (c) The number of hours of training received;
- (d) A general description of the topics covered; and
- (e) The name of the person or provider conducting the training.

*3. Continuing education necessary for national re-certification by the Pharmacy Technician Certification Board shall be deemed as completion of in service training pursuant to subsection 1.*
