**NOTICE OF HEARING AND
NOTICE OF INTENT TO ADOPT REGULATIONS**

Proposed amendment of NAC 586, pertaining to the listing of strychnine and its salts as a state restricted use pesticides for distribution by licensed pesticide dealers and for use by restricted use certified applicators only.

Need and purpose of the proposed amendments:

Formulations of strychnine are being misused by the public to kill dogs by placement in or on food. This illegal activity also exposes children to the poison.

Economic effect of these proposed amendments on the businesses which it is to regulate:

1. Adverse effects:
There will be minimum effects of sales loss due to restricting strychnine. There are alternative products that can be sold to the general public.
2. Beneficial effects:
None.
3. Immediate and long term effects:
The beneficial and adverse effects are the same for the immediate and long- term economic effects.

Economic effects of the proposed amendments on the public:

1. Adverse effects:
None.
2. Beneficial effects:
Strychnine will no longer be available for sale to non-certified persons, which will assist in preventing its use to kill dogs and exposing the public to this potent poison.
3. Immediate and long-term effects:

The beneficial and adverse effects are the same for the immediate and long- term economic effects.

Economic cost to the agency for enforcement of the proposed amendments:

There will be no additional cost to the agency for enforcement of the amendments.

Description of any regulations of any other state, local or federal regulation that the proposed amendments overlap or duplicate:

Does not duplicate or overlap any state or federal regulations.

Fees:

The proposed amendments do not contain any new fees or increase any existing fees.

The date, time, place, and manner in which interested parties may present their views on the proposed amendments:

DATE: August 8, 2003

TIME: 11:15 a.m.

PLACE: Nevada Department of Agriculture Office, Reno
350 Capitol Hill Avenue
Reno, Nevada 89502

Manner: Written comments and testimony may be submitted prior to the hearing date and will be included with any testimony presented at the hearing. All variable and written testimony will be in the record of the hearing.

If question one (1) or two (2) is answered with a YES, then a small business impact statement is required prior to conducting a public workshops by the Department. (This form must be submitted with the proposed regulation when submitted for drafting by LCB and adoption by the Nevada State Board of Agriculture.)

Proposed regulation: NAC 586 Pertaining to the listing of strychnine and its salts as state restricted use pesticides for distribution by licensed pesticide dealers and for use by restricted use certified applicators only.

Part 1

1. Does this proposed regulation impose a direct and significant economic burden upon a small business ? No
2. Does this proposed regulation restrict the formation, operation or expansion of a small business ? No

Note: Small Business is defined as a “business conducted for profit which employs fewer than 150 full-time or part-time employees” (NRS 233B.0382).

3. If **YES** to either of questions 1& 2, the following action must be taken:
 - a. Was a small business impact statement prepared and was it available at the public workshop ?
 - b. Attach the small business impact statement (part 2) as part of this form upon submission for drafting by LCB and adoption by the Nevada Board of Agriculture.

Part 2

1. Describe the manner in which comments were solicited from affected small businesses, a summary of the response from small businesses and an explanation of the manner in which other interested persons may obtain a copy of the summary.

2. The estimated economic effect of the proposed regulation on small business:
 - a. Both adverse and beneficial effects
 - b. Both direct and indirect effects

3. The description of the methods that the agency considered to reduce the impact of the proposed regulation on small businesses.
 - a. Simplification of the proposed regulation.
 - b. Establishment of different standards of compliance for a small business.
 - c. Modification of fees or other monetary interests that a small business is authorized to pay at a lower fee.

4. The estimated cost to the agency for enforcement of the proposed regulation.

5. If this regulation provides for a new fee or increases an existing fee, the total annual amount the agency expects to collect and the manner in which the money will be used.

6. If the proposed regulation includes provisions which duplicate or are more stringent than federal, state or local standards relating to the same activity, provide an explanation of why the proposed regulation is duplicative or more stringent and why it is necessary.
