A workshop and hearing were noticed on August 26, 2003 by posting at the Washoe County Court House; Washoe County Library; Reno City Hall; Las Vegas City Hall; Sawyer State Building; Clark County Library and Offices of the Contractors' Board in Reno and Las Vegas. The notice was posted on the agency's website and mailed to approximately 135 interested individuals.

- 2. The number of persons who:**
- | | |
|--|----------|
| (a) Attended each hearing: | 0 |
| (b) Testified at each hearing: | 0 |
| (c) Submitted to the agency written comments: | 0 |

- 3. A description of how comment was solicited from affected businesses, a summary of their response and an explanation how other interested persons may obtain a copy of the summary.**

Comments were solicited from affected businesses by the notice posting, website and direct mail.

- 4. If the regulation was adopted without changing any part of the proposed regulation, a summary of the reasons for adopting the regulation without change.**

The regulation was adopted by the Nevada State Contractors Board at its October 27, 2003 meeting without change since no comments were received.

- 5. The estimated economic effect of the adopted regulation on the businesses which it is to regulate and on the public. These must be stated separately, and each case must include:**

- (a) Both adverse and beneficial effects; and**
(b) Both immediate and long-term effects.

- (a) The regulation is expected to have little economic impact on the regulated industry since the regulation simply adds a subclassification to existing classifications and we do not anticipate a large number of entity conversion review applications.
- (b) Immediate and long-term effects should be minimal.

6. The estimated cost to the agency for enforcement of the adopted regulation.

The cost of enforcement of the proposed regulation will be minimal.

7. A description of any regulations of other state or governmental agencies which the proposed regulation overlaps or duplicates and a statement explaining why the duplication or overlapping is necessary. If the regulation overlaps or duplicates a federal regulation, the name of the regulating federal agency.

There are no other state or government agency regulations which the proposed regulations duplicate.
