AUTHORITY: §§1-40, NRS 449.037.

Section 1. NAC 449.173 is hereby amended to read as follows:

449.173 “Residential facility which provides care to persons with Alzheimer’s disease” means a residential facility that provides care and protective supervision for ~~three or more~~ persons with Alzheimer’s disease or a related disease, including, without limitation, senile dementia, organic brain syndrome or other cognitive impairment.

Sec. 2. NAC 449.194 is hereby amended to read as follows:

449.194 The administrator of a residential facility shall:

1. Provide oversight and direction for the members of the staff of the facility as necessary to ensure that residents receive needed services and protective supervision and that the facility is in compliance with the requirements of NAC 449.156 to 449.2766, inclusive, and chapter 449 of NRS.

2. Designate one or more employees to be in charge of the facility during those times when the administrator is absent. Except as otherwise provided in this ~~paragraph,~~ *subsection*, employees designated to be in charge of the facility when the administrator is absent must have access to all areas of and records kept at the facility. Confidential information may be removed from the files to which the employees in charge of the facility have access if the confidential

information is maintained by the administrator. The administrator or an employee who is designated to be in charge of the facility pursuant to this ~~paragraph~~ *subsection shall be present* at the facility at all times. *The name of the employee in charge of the facility pursuant to this subsection must be posted in a public place within the facility during all times that the employee is in charge.*

3. Maintain in the facility, and make available upon request, a copy of the provisions of NAC 449.156 to 449.2766, inclusive, and the report of the latest investigation of the facility conducted by the Bureau pursuant to NRS 449.150.

4. Ensure that the records of the facility are complete and accurate.

Sec. 3. NAC 449.196 is hereby amended to read as follows:

449.196 1. A caregiver of a residential facility must:

- (a) Be at least 18 years of age;
- (b) Be responsible, mature and have the personal qualities which will enable him to understand the problems of the aged and disabled;
- (c) Understand the provisions of NAC 449.156 to 449.2766, inclusive, and sign a statement that he has read those provisions;
- (d) Demonstrate the ability to read, write, speak and understand the English language;
- (e) Possess the appropriate knowledge, skills and abilities to meet the needs of the residents of the facility; and
- (f) Receive annually not less than 8 hours of training related to providing for the needs of the residents of a residential facility.

2. If a resident of a residential facility uses prosthetic devices or dental, vision or hearing aids, the caregivers employed by the facility must be knowledgeable of the use of those devices.

3. If a caregiver assists a resident of a residential facility in the administration of any medication, including, without limitation, an over-the-counter medication or dietary supplement, the caregiver must receive, in addition to the training required in subsection 1, training in the management of medication. The training must include not less than 1 hour of instruction in the requirements of this chapter concerning the management of medication. The caregiver must receive such training at least every 3 years and must supply the residential facility with satisfactory evidence of the content of the training and his attendance at the training.

Sec. 4. NAC 449.199 is hereby amended to read as follows:

449.199 1. The administrator of a residential facility shall ensure that a sufficient number of caregivers are present at the facility to conduct activities and provide care and protective supervision for the residents. There must be at least one caregiver on the premises of the facility if one or more residents are present at the facility.

2. Except as otherwise provided in NAC 449.2756, the administrator of a residential facility which has more than 20 residents shall ensure that at least one employee is awake and on duty at the facility at all times. An additional employee must be available to provide care within 10 minutes after he is informed that his services are needed.

3. A residential facility must not accept residents in excess of the number of residents specified on the license issued to the owner of the facility.

4. The administrator of a residential facility shall maintain monthly a written schedule that includes the number and type of members of the staff of the facility assigned for each shift. The schedule must be amended if any changes are made to the schedule. The schedule must be retained for at least 6 months after the schedule expires.

5. An employee of a residential facility who is less than 18 years of age must be under the direct supervision of an employee who is 18 years of age or older.

Sec. 5. NAC 449.200 is hereby amended to read as follows:

449.200 1. Except as otherwise provided in subsection 2, a separate personnel file must be kept for each member of the staff of a facility and must include:

(a) The name, address, telephone number and social security number of the employee;

(b) ~~Proof that the employee is not less than 18 years of age;~~

(a) A statement of nondiscrimination regarding admission to the facility and treatment after admission; and

(b) The requirements for eligibility as a resident of that type of facility.

2. A person who wishes to reside in a residential facility with residents that require a higher category of care than he requires may reside in the facility if he is not otherwise prohibited from residing in the facility.

3. ~~Except as otherwise provided in subsection 4, a~~ A person who is admitted to a residential facility must be at least 18 years of age.

4. ~~A person who is less than 18 years of age may be admitted to a residential facility that provides care to females during pregnancy.~~

~~5.]~~ Except as otherwise provided in NAC 449.275 and 449.2754, a residential facility shall not admit any person who:

(a) Is bedfast;

(b) Requires restraint;

(c) Requires confinement in locked quarters; or

(d) Requires skilled nursing or other medical supervision on a 24-hour basis.

~~6.]~~ 5. A person may not reside in a residential facility if the person's physician or the Bureau determines that the person does not comply with the requirements for eligibility.

~~7.]~~ 6. As used in this section:

(a) "Bedfast" means a condition in which a person is:

(1) Incapable of changing his position in bed without the assistance of another person; or

(2) Immobile.

(b) "Restraint" means:

(1) A psychopharmacologic drug that is used for discipline or convenience and is not required to treat medical symptoms;

(2) A manual method for restricting a resident's freedom of movement or his normal access to his body; or

(3) A device or material or equipment which is attached to or adjacent to a resident's body that cannot be removed easily by the resident and restricts the resident's freedom of movement or his normal access to his body.

Sec. 22. NAC 449.2706 is hereby amended to read as follows:

449.2706 1. If a resident's condition deteriorates to such an extent that:

(a) The residential facility is unable to provide the services necessary to treat the resident properly; or

(b) The resident no longer complies with the requirements for admission to the facility,
↪ the facility shall ~~[ensure that the resident is transferred to another facility]~~ *plan for the transfer of the resident* pursuant to NRS 449.700 and 449.705 ~~[]~~ *to another facility, a home for individual residential care or a physician licensed to practice medicine that is able to provide the services necessary to treat the resident properly.*

2. A resident, his next of kin and the responsible agency, if any, must be consulted and adequate arrangements must be made to meet the resident's needs through other means before he permanently leaves the facility.

Sec. 23. NAC 449.2708 is hereby amended to read as follows:

449.2708 1. A resident may be discharged from a residential facility without his approval if:

(a) He fails to pay his bill within 5 days after it is due;

(b) He fails to comply with the rules or policies of the facility; or

(c) The administrator of the facility or the Bureau determines that the facility is unable to provide the necessary care for the resident.

2. ~~{Before}~~ *Except as otherwise provided in this section, before* a resident may be discharged from a residential facility without his approval pursuant to this section, the facility must provide the resident, his representative and the person who pays the bill on behalf of the resident, if any, with written notice that the resident will be discharged.

3. *A residential facility shall discharge a resident who is transferred pursuant to NRS 449.700 and 449.705 and admitted to another facility or a home for individual residential care for a higher level of care. Written notice pursuant to subsection 2 that the resident will be discharged is not required if the condition of the resident necessitates immediate transfer.*

4. If the resident or any of his visitors are engaging in behavior which is a threat to the mental or physical health or safety of the resident or other persons in the facility, the facility may issue a notice to quit to the resident. The notice to quit must include:

(a) The reasons for its issuance, with specific facts relating to the date, time and place of the incidents that posed a threat to the physical or mental health or safety of the resident or other persons in the facility; and

(b) The names of persons who witnessed the incidents and the circumstances under which the incidents occurred.

↪ If the resident or his visitors do not comply with the notice to quit, the resident may be discharged from the facility without his approval pursuant to subsection 2.

Sec. 24. NAC 449.2726 is hereby amended to read as follows:

449.2726 1. ~~[A]~~ *Except as otherwise provided in subsection 2, a* person who has diabetes must not be admitted to a residential facility or be permitted to remain as a resident of a residential facility unless the resident is capable of ~~[performing]~~ :

(a) *Performing* his own glucose testing with blood or urine specimens ; and ~~†~~

~~—(a) The resident is capable of administering]~~

(b) *Administering* his *own* medication orally or by injection . ~~†~~

~~—(b) The resident's]~~

2. *A person who has diabetes may be admitted to a residential facility or permitted to remain as a resident of a residential facility if:*

(a) *The person's physical and mental condition is stable and is following a predictable course.*

(b) *The amount of the medication prescribed to the person for his diabetes is at a maintenance level and does not require a daily assessment.*

(c) *A written plan of care by a physician or registered nurse has been established that:*

(1) *Addresses possession and assistance in the administration of the medication for the person's diabetes; and*

(2) *Includes a plan, which has been prepared under the supervision of a registered nurse or licensed pharmacist, for emergency intervention if an adverse condition results.*

(d) *The medication prescribed to the person for his diabetes is not administered by injection or intravenously.*

(e) *The person's glucose testing is performed by:*

(1) *The person; or*

(2) *A medical laboratory licensed pursuant to chapter 652 of NRS.*

(f) *The person's* medication is administered by ~~fa~~ :

(1) *The person;*

(2) *A medical professional who has been trained to administer the medication; or*

~~[(c) If the resident's medication is administered orally, the medication is administered by a caregiver trained in the administration of that medication.~~

~~—2.]~~ (3) *A caregiver who has successfully completed training and examination approved by the Health Division regarding the administration of such medication.*

3. The caregivers employed by a residential facility with a resident who has diabetes shall:

(a) Assist the resident in administering the medication pursuant to NAC 449.2742; and

(b) Ensure that:

(1) Sufficient amounts of medicines, equipment to perform tests, syringes, needles and other supplies are maintained and stored in a secure place in the facility;

(2) Syringes and needles are disposed of appropriately in a sharps container which is stored in a safe place; and

(3) The caregivers responsible for the resident have received instruction in the recognition of the symptoms of hypoglycemia and hyperglycemia by a medical professional who has been trained in the recognition of those symptoms.

~~3.]~~ 4. The caregivers employed by a residential facility with a resident who has diabetes and requires a special diet shall provide variations in the types of meals served and make available food substitutions in order to allow the resident to consume meals as prescribed by the resident's physician. The substitutions must conform with the recommendations for food exchanges contained in the *Exchange Lists For Meal Planning*, published by the American Diabetes Association, Incorporated and the American Dietetic Association, which is hereby

adopted by reference. A copy of the publication may be obtained from the American Diabetes Association, Incorporated, Order *Fulfillment* Department, P.O. Box 930850, Atlanta, Georgia ~~[31193,]~~ **31193-0850**, at a cost of ~~[\$5.50.]~~ **\$2.50**.

Sec. 25. NAC 449.2728 is hereby amended to read as follows:

449.2728 1. A person who requires regular intramuscular, subcutaneous or intradermal injections must not be admitted to a residential facility or be permitted to remain as a resident of the facility unless the injections are administered by the resident or by a medical professional *acting within his authorized scope of practice and in accordance with all applicable statutes and regulations* who has been trained to administer those injections.

2. The caregivers employed by a residential facility with a resident who requires regular intramuscular, subcutaneous or intradermal injections shall ensure that:

(a) Sufficient amounts of medicines, equipment to perform tests, syringes, needles and other supplies are maintained and stored in a secure place in the facility; and

(b) Syringes and needles are disposed of appropriately in a sharps container which is stored in a safe place.

3. *As used in this section, “medical professional” includes a licensed practical nurse.*

Sec. 26. NAC 449.2734 is hereby amended to read as follows:

449.2734 1. A person who has a tracheostomy or an open wound that requires treatment by a medical professional ~~[shall]~~ **must** not be admitted to a residential facility or be permitted to remain as a resident of a residential facility unless:

(a) The wound is in the process of healing or the tracheostomy is stable or can be cared for by the resident without assistance;

(b) The care is provided by or under the supervision of a medical professional who has been trained to provide that care; or

(c) The wound is the result of surgical intervention and care is provided as directed by the surgeon.

2. If a person who has a pressure or stasis ulcer or who *is* at risk of developing a pressure or stasis ulcer is admitted to a residential facility or permitted to remain as a resident of a residential facility:

(a) The condition must have been diagnosed by a physician;

(b) The condition must be cared for by a medical professional who is trained to provide care for *and reassessment of* that condition; and

(c) Before a caregiver provides care to the person who has a pressure or stasis ulcer or who is at risk of developing a pressure or stasis ulcer, the caregiver must receive training related to the prevention and care of pressure sores from a medical professional who is trained to provide care for that condition.

3. The administrator of the facility shall ensure that records of the care provided to a person who has a pressure or stasis ulcer pursuant to subsection 2 are maintained at the facility. The records must include an explanation of the cause of the pressure or stasis ulcer.

Sec. 27. NAC 449.2738 is hereby amended to read as follows:

449.2738 1. If, after conducting an inspection or investigation of a residential facility, the Bureau determines that it is necessary to review the medical condition of a resident, the Bureau shall inform the administrator of the facility of the need for the review and the information the facility is required to submit to the Bureau to assist in the performance of the review. The administrator shall, within a period prescribed by the Bureau, provide to the Bureau:

(a) The assessments made by physicians concerning the physical and mental condition of the resident; and

(b) Copies of prescriptions for medication or orders of physicians for services or equipment necessary to provide care for the resident.

2. If the Bureau or the resident's physician determines that the facility is prohibited from caring for the resident pursuant to NAC 449.271 to 449.2734, inclusive, or is unable to care for the resident in the proper manner, the administrator of the facility must be notified of that determination. Upon receipt of such a notification, the administrator shall, within a period prescribed by the Bureau, submit a plan to the Bureau for the safe and appropriate relocation of the resident *pursuant to NRS 449.700* to a place where the proper care will be provided.

3. If an inspection or investigation reveals that the conditions at a residential facility may immediately jeopardize the health and safety of a resident, the administrator of the facility shall, as soon as practicable, ensure that the resident is transferred to a facility which is capable of properly providing for his care.

Sec. 28. NAC 449.274 is hereby amended to read as follows:

449.274 1. If a resident of a residential facility becomes ill or is injured, the resident's physician and a member of the resident's family must be notified at the onset of illness or at the time of the injury. The facility ~~{must:}~~ *shall:*

(a) Make all necessary arrangements to secure the services of a licensed physician to treat the resident if the resident's physician is not available; and

(b) Request emergency services when such services are necessary.

2. A resident who is suffering from an illness or injury from which the resident is expected to recover within 14 days after the onset of the illness or the time of the injury may be cared for

in the facility. The decision as to the period within which the resident is expected to recover from the illness or injury and the needs of the resident must be made by the resident's physician or, if he is unavailable, by another licensed physician.

3. A written record of all accidents, injuries and illnesses of the resident which occur in the facility must be made by the caregiver who first discovers the accident, injury or illness. The record must include:

(a) The date and time of the accident or injury or the date and time that the illness was discovered;

(b) A description of the manner in which the accident or injury occurred or the manner in which the illness was discovered; and

(c) A description of the manner in which the members of the staff of the facility responded to the accident, injury or illness and the care provided to the resident.

↪ This record must accompany the resident if he is transferred to another facility.

4. The facility shall ensure that appropriate medical care is provided to the resident by:

(a) A caregiver who is trained to provide that care;

(b) An independent contractor who is trained to provide that care; or

(c) A medical professional.

5. Before admission and each year after admission, or more frequently if there is a significant change in the physical condition of a resident, the facility shall obtain the results of a general physical examination of the resident by his physician. The resident must be cared for pursuant to any instructions provided by the resident's physician.

6. The members of the staff of the facility shall:

(a) Ensure that the resident receives the personal care that he requires.

(b) Monitor the ability of the resident to care for his own health conditions and ~~shall~~ document in writing any significant change in his ability to care for those conditions.

7. This section does not prohibit a resident from rejecting medical care. If a resident rejects medical care, an employee of the facility shall record the rejection in writing and ~~shall~~ request that the resident sign that record as a confirmation of his rejection of medical care. If the resident rejects medical care that a physician has directed the facility to provide, the facility shall inform the resident's physician of that fact within ~~24~~ 4 hours after the care is rejected. The facility shall maintain a record of the notice provided to the physician pursuant to this subsection.

8. As used in this section, "significant change" means a change in a resident's condition that results in a category 1 resident becoming a category 2 resident or otherwise results in an increase in the level of care required by the resident.

Sec. 29. NAC 449.2742 is hereby amended to read as follows:

449.2742 1. The administrator of a residential facility that provides assistance to residents in the administration of medications shall:

(a) Ensure that a physician, pharmacist or registered nurse who does not have a financial interest in the facility:

(1) Reviews for accuracy and appropriateness, at least once every 6 months, the regimen of drugs taken by each resident of the facility, including, without limitation, any over-the-counter medications and dietary supplements taken by a resident; and

(2) Provides a written report of that review to the administrator of the facility;

(b) Include a copy of each report submitted to the administrator pursuant to paragraph (a) in the file maintained pursuant to NAC 449.2749 for the resident who is the subject of the report; and

(c) Make and maintain a report of any actions that are taken by the caregivers employed by the facility in response to a report submitted pursuant to paragraph (a).

2. Within 72 hours after the administrator of the facility receives a report submitted pursuant to paragraph (a) of subsection 1, a member of the staff of the facility shall notify the resident's physician of any concerns noted by the person who submitted the report. The report must be reviewed and initialed by the administrator.

3. Before assisting a resident in the administration of any medication, including, without limitation, any over-the-counter medication or dietary supplement, a caregiver must obtain written information describing the side effects, possible adverse reactions, contraindications and toxicity of the medication.

4. Except as otherwise provided in this subsection, a caregiver shall assist in the administration of medication to a resident if the resident needs the caregiver's assistance. A caregiver may assist the ultimate user of controlled substances or dangerous drugs only if the conditions prescribed in subsection 6 of NRS 449.037 are met.

5. An over-the-counter medication or a dietary supplement may be given to a resident only if the resident's physician has approved the administration of the medication or supplement *in writing* or the facility is ordered to do so by another physician. *An over-the-counter medication or a dietary supplement must be administered in accordance with the written instructions of the prescribing physician or, if the physician does not specify a dose, in accordance with the instructions packaged with the medication or supplement.* The administration of over-the-counter medications and dietary supplements must be included in the record required pursuant to *paragraph (b) of subsection 1 of NAC 449.2744.*

6. *Except as otherwise provided in this subsection, a medication prescribed by a physician must be administered as prescribed by the physician.* If a physician orders a change in the amount or times medication is to be administered to a resident:

(a) The caregiver responsible for assisting in the administration of the medication shall ~~comply~~ :

(1) *Comply* with the order ~~and note~~ ;

(2) *Indicate the change on the container of the medication; and*

(3) *Note* the change in the record maintained pursuant to *paragraph (b) of subsection 1 of NAC 449.2744*;

(b) Within 5 days after the change is ordered ~~;~~
~~(1) A~~, a copy of the order or prescription signed by the physician must be included in the record ~~;~~ ~~and~~

~~(2) The medication container must indicate that a change has occurred; and~~ *maintained pursuant to paragraph (b) of subsection 1 of NAC 449.2744; and*

(c) If the label prepared by a pharmacist does not match the order or prescription written by a physician, the physician, registered nurse or pharmacist must interpret that order or prescription and, within 5 days after the change is ordered, the interpretation must be included in the record maintained pursuant to *paragraph (b) of subsection 1 of NAC 449.2744*.

7. *If a resident refuses, or otherwise misses, an administration of medication, the physician who prescribed or ordered the medication must be notified within 4 hours after the dose is refused or missed.*

8. An employee of a residential facility shall not draw medication into a syringe or administer an injection unless authorized by law to do so.

~~[8.]~~ 9. If the medication of a resident is discontinued, ~~[or if]~~ the expiration date of the medication of a resident has passed, *or a resident who has been discharged from the facility does not claim the medication*, an employee of a residential facility ~~[must]~~ *shall* destroy the medication, by an acceptable method of destruction, in the presence of a witness and note the destruction of the medication in the record maintained pursuant to NAC 449.2744. Flushing contents of vials, bottles or other containers into a toilet shall be deemed to be an acceptable method of destruction of medication.

Sec. 30. NAC 449.2744 is hereby amended to read as follows:

449.2744 1. The administrator of a residential facility that provides assistance to residents in the administration of medications shall maintain:

(a) A log for each medication received by the facility for use by a resident of the facility. The log must include:

- (1) The type and quantity of medication received by the facility;
- (2) The date of its delivery;
- (3) The name of the person who accepted the delivery;
- (4) The name of the resident for whom the medication is prescribed; and
- (5) The date on which any unused medication is removed from the facility or destroyed.

(b) A record of the medication administered to each resident. The record must include:

- (1) The type of medication administered;
- (2) The date and time that the medication was administered; ~~[and]~~
- (3) *The date and time that a resident refuses, or otherwise misses, an administration of medication; and*

(4) Instructions for administering the medication to the resident that reflect each current order or prescription of the resident's physician.

2. The administrator of the facility shall keep a log of caregivers assigned to administer medications that indicates the shifts during which each caregiver was responsible for assisting in the administration of medication to a resident. This requirement may be met by including on a resident's medication sheet an indication of who assisted the resident in the administration of the medication, if the caregiver can be identified from this indication.

Sec. 31. NAC 449.2746 is hereby amended to read as follows:

449.2746 1. A caregiver employed by a residential facility shall not assist a resident in the administration of a medication that is taken as needed unless:

(a) The resident is able to determine his need for the medication ~~for the~~;

(b) *The determination of the resident's need for the medication* is made by a medical professional qualified to make that determination; or

~~(b)~~ (c) The caregiver has received written instructions indicating the specific symptoms for which the medication is to be given, the *exact* amount of medication that may be given and the frequency with which the medication may be given.

2. A caregiver who administers medication to a resident as needed shall record the following information concerning the administration of the medication:

- (a) The reason for the administration;
- (b) The date and time of the administration;
- (c) The dose administered;
- (d) The results of the administration of the medication;
- (e) The initials of the caregiver; and

(f) Instructions for administering the medication to the resident that reflect each current order or prescription of the resident's physician.

Sec. 32. NAC 449.2748 is hereby amended to read as follows:

449.2748 1. Medication, including, without limitation, any over-the-counter medication, stored at a residential facility must be stored in a locked area that is cool and dry. The caregivers employed by the facility shall ensure that any medication or medical or diagnostic equipment that may be misused or appropriated by a resident or any other unauthorized person is protected. Medications for external use only must be kept in a locked area separate from other medications. A resident who is capable of administering medication to himself without supervision may keep his medication in his room if the medication is kept in a locked container for which the facility has been provided a key.

2. Medication stored in a refrigerator, including, without limitation, any over-the-counter medication, must be kept in a locked box unless the refrigerator is locked or is located in a locked room.

3. Medication, including, without limitation, any over-the-counter medication or dietary supplement, must be:

(a) Plainly labeled as to its contents, the name of the resident for whom it is prescribed and the name of the prescribing physician; and

(b) Kept in its original container until it is administered.

4. When a resident is *permanently* discharged from a residential facility, all medications prescribed for the resident must be provided to the resident or , *if he transfers to another facility*, to the facility to which he is transferred.

5. If a resident is temporarily transferred to a hospital or skilled nursing facility, the residential facility shall hold the resident's medications until the resident returns or for 30 days after the transfer, whichever is less, unless the hospital or skilled nursing facility requests the residential facility to provide the hospital or skilled nursing facility with the medications. If the resident does not return within 31 days, the residential facility shall promptly dispose of any remaining medications. Upon the return of the resident from the hospital or skilled nursing facility, the residential facility shall, if there has been any change in the resident's medication regimen:

(a) Contact a physician, within 24 hours after the resident returns, to clarify the change; and

(b) Document the physician contact in the record maintained pursuant to paragraph (b) of subsection 1 of NAC 449.2744.

Sec. 33. NAC 449.2749 is hereby amended to read as follows:

449.2749 1. A separate file must be maintained for each resident of a residential facility and retained for at least 5 years after he permanently leaves the facility. The file must be kept locked in a place that is resistant to fire and is protected against unauthorized use. The file must contain all records, letters, assessments, medical information and any other information related to the resident, including, without limitation:

- (a) The full name, address, date of birth and social security number of the resident.
- (b) The address and telephone number of the resident's physician and the next of kin or guardian of the resident or any other person responsible for him.
- (c) A statement of the resident's allergies, if any, and any special diet or medication he requires.

(d) A statement from the resident's physician concerning the mental and physical condition of the resident that includes:

(1) A description of any medical conditions which require the performance of medical services;

(2) The method in which those services must be performed; and

(3) A statement of whether the resident is capable of performing the required medical services.

(e) Evidence of compliance with the provisions of chapter 441A of NRS and the regulations adopted pursuant thereto.

(f) The types and amounts of protective supervision and personal services needed by the resident.

(g) An evaluation of the resident's ability to perform the activities of daily living and a brief description of any assistance he needs to perform those activities. The ~~evaluation must be completed annually, or more often if~~ *facility shall prepare such an evaluation:*

(1) Upon the admission of the resident;

(2) Each time there is a change in the mental or physical condition of the resident that may significantly affect his ability to perform the activities of daily living ~~if~~; *and*

(3) In any event, not less than once each year.

(h) A list of the rules for the facility that is signed by the administrator of the facility and the resident or a representative of the resident.

(i) The name and telephone number of the vendors and medical professionals that provide services for the resident.

(j) A document signed by the administrator of the facility when the resident permanently leaves the facility.

2. The document required pursuant to paragraph (j) of subsection 1 must indicate the location to which the resident was transferred or the person in whose care the resident was discharged. If the resident dies while a resident of the facility, the document must include the time and date of the death and the dates on which the person responsible for the resident was contacted to inform him of the death.

3. Except as otherwise provided in this subsection, a resident's file must be kept confidential. A resident's file must be made available upon request at any time to an employee of the Bureau who is acting in his capacity as an employee of the Bureau.

Sec. 34. NAC 449.275 is hereby amended to read as follows:

449.275 1. A residential facility that provides ~~hospice care for~~ *services to* a resident *who elects to receive hospice care* shall obtain a copy of the plan of care required pursuant to NAC 449.0186 for that resident.

2. The members of the staff of the facility shall:

(a) Maintain at the facility a written record of the care and services provided to a resident who receives hospice care; and

(b) Report any deviation from the established plan of care to the resident's physician within 24 hours after the deviation occurs.

3. If the Division grants a request made pursuant to NAC 449.2736 by the administrator of a residential facility that provides hospice care, the residential facility may retain a resident who:

(a) Is bedfast, as defined in NAC 449.2702; or

(b) Requires skilled nursing or other medical care on a 24-hour basis.

Sec. 35. NAC 449.2754 is hereby amended to read as follows:

449.2754 1. A residential facility which offers or provides care for ~~residents~~ *a resident* with Alzheimer's disease or related dementia must obtain an endorsement on its license authorizing it to operate as a residential facility which provides care to persons with Alzheimer's disease.

2. If a residential facility is authorized to operate as a residential facility which provides care to persons with Alzheimer's disease and as another type of facility, the entire facility must comply with the requirements of this section or the residents who suffer from Alzheimer's disease or other related dementia must be located in a separate portion of the facility that complies with the provisions of this section.

3. A residential facility which provides care to persons with Alzheimer's disease may admit or retain a resident who requires confinement in locked quarters.

4. A residential facility which provides care to persons with Alzheimer's disease must be administered by a person who:

(a) Has not less than 3 years of experience in caring for residents with Alzheimer's disease or related dementia in a licensed facility; or

(b) Has a combination of education and training that the Bureau determines is equivalent to the experience required pursuant to paragraph (a).

5. The administrator of such a facility shall prescribe and maintain on the premises of the facility a written statement which includes:

(a) The facility's policies and procedures for providing care to its residents;

(b) Evidence that the facility has established interaction groups within the facility which consist of not more than six residents for each caregiver during those hours when the residents are awake;

(c) A description of:

- (1) The basic services provided for the needs of residents who suffer from dementia;
- (2) The activities developed for the residents by the members of the staff of the facility;
- (3) The manner in which the behavioral problems will be managed;
- (4) The manner in which the medication for residents will be managed;
- (5) The activities that will be developed by the members of the staff of the facility to encourage the involvement of family members in the lives of the residents; and

(6) The steps the members of the staff of the facility will take to:

- (I) Prevent residents from wandering from the facility; and
- (II) Respond when a resident wanders from the facility; and

(d) The criteria for admission to and discharge and transfer from the facility.

6. The written statement required pursuant to subsection 5 must be available for review by members of the staff of the facility, visitors to the facility and the Bureau.

7. The administrator shall ensure that the facility complies with the provisions of the statement required pursuant to subsection 5.

8. The members of the staff of the facility shall develop a program of activities that promotes the mental and physical enhancement of the residents. The following activities must be conducted at least weekly:

- (a) Activities to enhance the gross motor skills of the residents;
- (b) Social activities;

- (c) Activities to enhance the sensory abilities of the residents; and
- (d) Outdoor activities.

Sec. 36. NAC 449.2756 is hereby amended to read as follows:

449.2756 1. The administrator of a residential facility which provides care to persons with Alzheimer's disease shall ensure that:

- (a) Swimming pools and other bodies of water are fenced or protected by other acceptable means.
- (b) Operational alarms, buzzers, horns or other audible devices which are activated when a door is opened are installed on all doors that may be used to exit the facility.
- (c) At least one member of the staff is awake and on duty at the facility at all times.
- (d) Within 3 months after an employee is first employed at the facility, the employee successfully completes at least 8 hours of training in providing care, including emergency care, to a resident who suffers from Alzheimer's disease or related dementia and providing support for the members of the resident's family.
- (e) Knives, matches, firearms, tools ~~[other than tools ordinarily used in the kitchen,]~~ and other items that could constitute a danger to the residents of the facility are inaccessible to the residents.
- (f) The facility has an area outside the facility or a yard adjacent to the facility that:
 - (1) May be used by the residents for outdoor activities;
 - (2) Has at least 40 square feet of space for each resident in the facility;
 - (3) Is fenced; and
 - (4) Is maintained in a manner that does not jeopardize the safety of the residents.

↳ All gates leading from the secured, fenced area or yard to an unsecured open area or yard must be locked and keys for gates must be readily available to the members of the staff of the facility at all times.

(g) All toxic substances are not accessible to the residents of the facility.

2. The training required pursuant to paragraph (d) of subsection 1 must be provided pursuant to a curriculum approved by the Bureau, the Board or the Nevada State Board of Examiners for Administrators of Facilities for Long-Term Care.
