**PROPOSED REGULATION OF THE DIVISION OF INSURANCE  
OF THE DEPARTMENT OF BUSINESS AND INDUSTRY**

**NOTICE OF WORKSHOPS TO SOLICIT COMMENTS ON  
PROPOSED REGULATION**

The Department of Business and Industry, Division of Insurance (Division), is proposing new regulations pertaining to life insurance multiple policies, disclosure for small face amount life insurance policies, advertisement for individual health insurers, viatical/life settlements, and to repeal all regulations pertaining to the medical dental screening panel in chapter 41A of the Nevada Administrative Code (NAC). A workshop has been set for 9:00 a.m., on November 18, 2003, at the offices of the Division, 788 Fairview Drive, Suite 300, Carson City, Nevada 89701. Interested parties may also participate through a simultaneous video-conference conducted at the Bradley Building, 2501 East Sahara Avenue, Manufactured Housing Division Conference Room, 2<sup>nd</sup> Floor, Las Vegas, Nevada 89104. The purpose of the workshop is to solicit comments from interested persons on the following general topics addressed in the proposed regulations.

- 1. Life Insurance Multiple Policies. The proposed regulation would require insurers that are licensed to market life insurance to, upon receipt of a death claim, research their records to determine if there are other policies in their company for that person or alias names of that person. The proposed regulation will amend chapters 688A and 688B of the NAC.**
- 2. Disclosure for Small Face Amount Life Insurance Policies. The proposed regulation requires an insurer to disclose to the insured if the amount of premiums paid exceeds the death benefit of that policy. This applies to life insurance policies with a death benefit of \$15,000 or less. This regulation will amend chapters 688A and 688B of the NAC.**
- 3. Advertisement for Individual Health Insurers. The proposed regulation will extend the advertisement compliance to include licensed insurers marketing individual health insurance pursuant to chapter 689A by amending subsection 2 and adding subsection 3 to NAC 689A.270.**
- 4. Viatical/Life Settlements. The proposed regulation addresses requirements for viatical settlements regarding the standards for evaluation for reasonable payments, reporting requirements, requirements of insurers to coordinate policy benefit information and compensation to viatical entities.**
- 5. Medical Dental Screening Panel. The proposed regulation is needed to address the requirements of chapter 3, Statutes of Nevada, 2002 Special Session of the Nevada Legislature. This regulation repeals all sections of chapter 41A of the NAC that refer to the Medical Dental Screening Panel.**

A copy of this notice and the proposed regulations will be on file at the State Library, 100 Stewart Street, Carson City, Nevada, for inspection by members of the public during business hours. Additional copies of the notice and the proposed regulations will be available at the offices of the Division, 788 Fairview Drive, Suite 300, Carson City, Nevada 89701, and 2501 East Sahara Avenue, Suite 302, Las Vegas, Nevada 89104, and in all counties in which an office of the agency is not maintained, at the main public library, for inspection and copying by members of the public during business hours. This notice and the text of the proposed regulations are also available in the **State of Nevada Register of Administrative Regulations** which is prepared and published monthly by the Legislative Counsel Bureau pursuant to NRS 233B.0653 and on the Internet at **www.leg.state.nv.us**.
