2. The Health Division shall charge and collect the following fees for reviewing plans of such facilities for sanitation:

For a plan for a new facility. ~~[\$30]~~ *\$100*

Plus an amount equal to the fee for an annual permit for the facility being reviewed.

For a plan for remodeling a facility which has a permit..... ~~[30]~~ *100*

Plus an amount equal to one-half of the fee for an annual permit to operate the facility after the remodeling.

Sec. 4. NAC 461A.550 is hereby amended to read as follows:

461A.550 1. Camping spaces ~~{for vehicles}~~ must be located on a well-drained site and may not create a public health hazard or nuisance.

2. Camping spaces ~~{for vehicles}~~ must be arranged in a manner so that there will be a minimum of 15 feet between camping ~~{vehicles}~~ *spaces* or other structures, and so that each camping ~~{vehiele}~~ *space* will be at least 5 feet from any road, public walkway or the exterior boundary of the property.

Sec. 5. NAC 461A.560 is hereby amended to read as follows:

461A.560 1. Any person providing camping spaces ~~{for vehicles}~~ shall provide an adequate supply of drinking water from an approved source. It must be of a safe, sanitary quality, meeting the requirements of NAC 445A.450 to 445A.492, inclusive.

2. The development of an independent water supply to serve the camping ~~{vehicles}~~ *spaces* must not be made without prior approval by the health authority.

3. Water must be available within 100 feet of every camping space . ~~{for vehicles.}~~
Overflow from faucets must empty into a drain connected to a disposal system or sump approved by the health authority.

4. Persons providing camping spaces ~~{for vehicles}~~ must conspicuously post unapproved sources in the immediate vicinity as unfit for drinking if, in the opinion of the health authority, there is a likelihood of these sources being used for human consumption.

Sec. 6. NAC 461A.570 is hereby amended to read as follows:

461A.570 1. Any person providing camping spaces ~~{for vehicles}~~ shall provide toilet facilities, separate for the sexes, in conveniently located buildings.

2. Flush-type toilets and hand-washing facilities must be provided unless a supply of water under adequate pressure is not available, or other conditions preclude the use of such facilities.

3. Toilet ~~[]~~ *rooms*, shower rooms and other service buildings must have adequate illumination, where a power source is available. The average illumination level for general seeing tasks in these rooms are to be 5 foot-candles. In the work area of laundry rooms and at mirrors in toilet rooms, a minimum of 40 foot-candles must be provided.

4. These rooms must be well ventilated with all openings screened, to exclude flying insects, and constructed of material permitting satisfactory cleaning.

5. Floors in a service building must be constructed of water-impervious material, well pitched to a floor drain. The floor must be free from cracks or uneven surfaces that interfere with proper cleaning.

6. Partitions must be raised 12 inches from the floor and must be so constructed as to be easily cleaned. All service buildings and sanitary facilities must be kept in good repair.

7. There must be a minimum of one toilet for each sex for every 10 camping ~~[vehicle]~~ spaces or major fraction thereof. Urinals may be substituted for one-third of the toilets for males. ~~[Camping spaces for vehicles are]~~ *A camping space used by a camping vehicle with a toilet facility is* exempt from the toilet requirements if ~~[they have]~~ *the camping space has an* individual sewer ~~[connections and are]~~ *connection and is* used exclusively by *the* camping ~~[vehicles with toilet facilities.]~~ *vehicle*. However, in no case may there be less than one toilet provided for each sex.

8. Toilet paper must be provided at each toilet and hand towels provided in each restroom.

Sec. 7. NAC 461A.580 is hereby amended to read as follows:

461A.580 1. The storage, collection and disposal of refuse at facilities for camping ~~[vehicles]~~ *spaces* must be conducted to create no health hazards, rodent harborage, insect breeding areas, accident or fire hazards or air pollution.

2. All refuse must be stored in flyproof, watertight, rodent-proof containers which are located not more than 150 feet from any camping space . ~~[for vehicles.]~~ Containers must be maintained on collection stands designed to prevent tipping and must be provided in sufficient number and capacity to properly store all refuse.

3. Where suitable collection service is not available from municipal or private agencies, the operator of the facilities for camping ~~[vehicles]~~ *spaces* must provide this service.

4. All refuse must be collected and transported in covered vehicles or covered containers to an approved disposal site or disposed of by other methods approved by the health authority or air pollution control authorities.

Sec. 8. NAC 461A.600 is hereby amended to read as follows:

461A.600 Persons providing camping spaces ~~[for vehicles]~~ and service buildings are responsible for maintaining the premises in a clean and sanitary condition.

Sec. 9. NAC 461A.620 is hereby amended to read as follows:

461A.620 1. Whenever the health authority finds unsanitary or other conditions or violations of NAC 461A.500 to 461A.620, inclusive, in the operation and maintenance of facilities for camping ~~[vehicles,]~~ *spaces*, the health authority shall:

(a) In the case where the health authority determines that a substantial and immediate hazard to public health or safety exists, take any of the following actions:

- (1) Revoke the permit;
- (2) Remove or abate such hazards;

(3) Take necessary steps to protect persons from such hazards; or

(4) Notify the permit holder or operator and any person who might be affected by such hazardous conditions, require specific corrective action and specify the time period within which such action must be taken.

(b) In all other cases, issue a notice of violation to the permit holder or operator citing such conditions, specifying the corrective action to be taken, and specifying the time period within which action must be taken.

2. If the permit holder or operator fails to comply with a notice of violation, the permit must be revoked.

3. A permit may be revoked without notice if the health authority determines that a substantial and immediate hazard to public health and safety exists.

4. A person who has reason to believe that an action taken by the Health Division pursuant to NAC 461A.500 to 461A.620, inclusive, is incorrect or based on inadequate knowledge may, within 10 business days after receiving notice of the action, request an informal discussion with the employee responsible for the action and the immediate supervisor of the employee.

5. If the informal discussion does not resolve the problem, the aggrieved person may, within 10 business days after the date scheduled for the informal discussion, submit a written request to the Bureau for an informal conference. The informal conference must be scheduled for a date, place and time mutually agreed upon by the aggrieved person and the Bureau, except that the informal conference must be held no later than 60 days after the date on which the Bureau received the written request.

6. Except as otherwise provided in subsection 7, the determination of the Bureau resulting from the informal conference cannot be appealed and is the final remedy available to the aggrieved person.

7. An applicant for or holder of a permit issued pursuant to NAC 461A.500 to 461A.620, inclusive, who is aggrieved by an action of the Health Division relating to the denial of an application for or the suspension or revocation of such a permit may appeal that action in accordance with NAC 439.300 to 439.395, inclusive, after exhausting the informal procedures set forth in this section, except that the Bureau may waive the informal procedures, or any portion thereof, by giving written notice to the aggrieved person.

8. Nothing in this section prevents the health authority from extending the time allowed for corrective action when the permit holder provides a written response within 10 days ~~of~~ *after* receiving a notice of violation setting forth the nature and time needed for corrective action. The health authority shall require periodic reports as may be necessary to demonstrate reasonable progress toward final compliance.

9. As used in this section, “Bureau” means the Bureau of Health Protection Services of the Health Division of the Department of Human Resources or its successor.
