Sec. 168. *1. A pupil whose 20th birthday occurs during a season is ineligible to participate in any sanctioned sport during that season and any season that is conducted after that date.*

2. Each school shall maintain a record indicating the age of each pupil who:

(a) Is enrolled in the school; and

(b) Participates in a sanctioned sport.

A pupil whose parents are divorced or legally separated is eligible to participate in a sanctioned sport at the school that is located within the zone of attendance of the residence of the parent having primary physical custody of the pupil as determined by an order or decree issued by a court of competent jurisdiction establishing that the parent has been awarded primary physical custody of the pupil.

3. If the primary physical custody of a pupil is jointly shared at the separate residences of the parents, the pupil must choose which residence will be his primary residence for establishing eligibility to participate in a sanctioned sport. If the pupil chooses a primary residence pursuant to this subsection, the school that is located within the zone of attendance of the residence is the pupil's home school for the purposes of sections 2 to 265, inclusive, of this regulation.

4. A pupil who begins ninth grade at a private school that serves all pupils who are located within the zone of attendance of the residence of a parent or legal guardian of the pupil is eligible to participate in a sanctioned sport at the private school.

prove to the satisfaction of the school district or the Executive Director, as appropriate, that the pupil has established a residence within the zone of attendance of a school.

2. A pupil who is 18 years of age or older and does not live with a parent or legal guardian must comply with subsection 7 of section 172 of this regulation to establish residency.

3. To establish residency pursuant to this section, a pupil or a parent or legal guardian of a pupil must submit to the school district or Executive Director, as appropriate, evidence establishing to the satisfaction of the school district or Executive Director the right of the pupil, parent or legal guardian to use the new residence, and other evidence establishing abandonment of the former residence by the pupil, parent or legal guardian. Sec. 172. 1. *A pupil who transfers from a school to another school within the same school district or to another school district may rebut the presumption of ineligibility set forth in section 171 of this regulation if he provides proof satisfactory to the Association that the parents or legal guardian of the pupil or, if the parents are divorced or separated, the parent who has legal custody of the pupil resides within the zone of attendance of the school or the boundaries of the school district to which the pupil transfers in accordance with the provisions of this section.*

2. If the parents of a pupil specified in subsection 1 are not living together, the parent with whom the pupil resides must provide, in addition to the proof required by subsection 1, a

certified copy of the order or decree issued by a court of competent jurisdiction establishing that the parent has been awarded physical custody of the pupil.

3. If a pupil specified in subsection 1 resides with a legal guardian, the legal guardian must provide, in addition to the proof required by subsection 1, a certified copy of the order or decree of a court of competent jurisdiction appointing that person as the legal guardian of the pupil and setting forth a specific finding by the court that the legal guardianship has not been established pursuant to NRS 159.205 or 159.215 and that:

(a) The parents of the pupil are unfit or incapable of maintaining or caring for the pupil;
or

(b) The pupil is a delinquent who will benefit from the guardianship.

4. The exception set forth in subsection 3 applies only to a pupil for whom a legal guardian is appointed by a court of competent jurisdiction for the best interests of the pupil. If the Association determines that a legal guardianship has been established to circumvent the provisions of sections 2 to 265, inclusive, of this regulation, the Association will refuse to recognize the legal guardianship and determine the eligibility of the pupil as if no legal guardianship existed.

5. If a guardianship is established for any reason other than the reasons set forth in paragraph (a) or (b) of subsection 3, the legal guardian must provide, in addition to the proof required by subsection 1, proof satisfactory to the Association that the guardianship was not established for the purpose of recruiting the pupil to make a transfer specified in subsection 1.

6. If a pupil is less than 18 years of age and does not reside with a parent or legal guardian, the pupil must, in addition to the proof required by subsection 1, provide a certified copy of the decree of emancipation of the pupil entered by a court of competent jurisdiction.

7. If a pupil is 18 years of age or older and does not reside with a parent or legal guardian, the pupil must, in addition to the proof required by subsection 1, establish by a preponderance of the evidence that he is emancipated and is voluntarily living apart and without financial support from the parent or legal guardian.

8. If a pupil or a parent or legal guardian of a pupil establishes by a preponderance of the evidence the matters set forth in subsection 1 at a hearing conducted pursuant to sections 234 to 242, inclusive, of this regulation, the pupil is eligible to participate in a sanctioned sport.

9. A pupil who is eligible to participate in a sanctioned sport pursuant to this section and who, within 1 year after becoming eligible, returns to his former residence or a residence in the school district from which he transferred is ineligible to participate in the sanctioned sport for 180 school days after the date on which he returns to that residence.

10. A school district consisting of more than one school is not required to comply with the requirements of this section if the school district imposes requirements that are stricter than the requirements set forth in this section.

Except as otherwise provided in NRS 386.464, if a high school is opened in a school district specified in subsection 10, the school district may submit a request to the Association to deviate from the regulations adopted by the Association relating to the transfer of pupils. Each request submitted pursuant to this subsection must include the regulations from which the school district wishes to deviate and the reason for each requested deviation. Upon approval of the request, the school district may, during the year in which the high school is opened, deviate from the regulations in the manner specified by the Association in its approval of the request.

Sec. 173. 1. *Except as otherwise provided in subsection 2, an eligible pupil who attends a school for at least 180 school days and transfers from a public school to a private school, a private school to a public school, or a private school to another private school within the zone of attendance is ineligible to participate in any sanctioned sport in which his name appeared on a roster of the Association for 180 school days after the date of the transfer. If the pupil transfers within the first 180 school days, he is ineligible:*

(a) For the remainder of the school year in which he transfers; and

(b) For 180 school days after the date of the transfer.

2. *A pupil who resides with a parent or legal guardian, or who is emancipated, and resides in an area that is affected by a change in the zone of attendance of a public member school or affiliate school, may transfer from a public school to a private school or a private school to a public school, regardless of whether the change in the zone of attendance was initiated to establish the zone of attendance for a new public school or to carry out the rezoning of an existing public school.*

3. *A pupil specified in subsection 2 may transfer from a public school to a private school or a private school to a public school pursuant to that subsection:*

(a) Not more than once; and

(b) Only if the transfer is completed on or before the beginning of the school year in which the change in the zone of attendance occurred.

Sec. 174. 1. *A pupil who does not reside within the zone of attendance of a magnet school that is located within a school, and who obtains a waiver to attend the program of the magnet school, is eligible to participate in any sanctioned sport at the school.*

2. *To establish eligibility pursuant to subsection 1, the pupil must:*

(a) *Comply with the requirements of the magnet school for filing an application;*

(b) *Comply with the requirements to participate in the program of the magnet school;*

(c) *Enroll in the courses required for pupils participating in the program of the magnet school; and*

3. *During the period in which the pupil is enrolled in the magnet school, the pupil may participate only in a sanctioned sport that is offered by the school in which the magnet school is located.*

4. *A pupil who is approved to enroll in a magnet school and fails to comply with the requirements of subsection 2, or who does not complete the program of the magnet school, becomes immediately ineligible to participate in a sanctioned sport at the school in which the magnet school is located for 180 school days.*

5. *A pupil who is accepted into the program of a magnet school and who, after acceptance into the program, chooses to return to his school of residence, becomes ineligible for the remainder of the school year in which the transfer occurs and for an additional 180 school days in any sanctioned sport in which his name appeared on a roster of the Association during the period he attended the magnet school.*

Sec. 175. *A pupil who attends a magnet school that does not offer a sanctioned sport, including, without limitation, the Advanced Technologies Academy, the Las Vegas Academy and the Southern Nevada Vocational and Technical Center, remains eligible at his school of residence for the purpose of participating in any sanctioned sport that is not offered at the magnet school.*

Sec. 176. 1. *A pupil who attends a charter school that is approved by a school district remains eligible at his school of residence for the purpose of participating in any sanctioned sport that is not offered by the charter school.*

2. A pupil who participates in a sanctioned sport at his school of residence pursuant to subsection 1 must comply with the requirements for eligibility of the school he attends.

3. Any requirements of a charter school relating to eligibility for participation in a sanctioned sport must be approved by the Association or the school district in which the charter school is located.

4. As used in this section, “charter school” has the meaning ascribed to it in NRS 385.007.

Sec. 177. 1. *A pupil who is assigned to an option-zoned school by a school district may establish his eligibility to participate in a sanctioned sport in accordance with this section.*

2. A pupil specified in subsection 1 who attends his school of residence remains eligible at that school. The pupil may choose to attend an option-zoned school at any time, and is immediately eligible to participate in a sanctioned sport at that option-zoned school. If the pupil transfers between schools that are located within an option zone, he is ineligible to participate in a sanctioned sport for 180 school days after his initial transfer.

3. A pupil specified in subsection 1 who initially chooses to attend an option-zoned school is immediately eligible to participate in any sanctioned sport that is offered by the option-zoned school. A pupil who initially chooses to attend an option-zoned school and who, after attending the option-zoned school, transfers to his school of residence, becomes ineligible for the remainder of the school year in which the transfer occurs and for an additional 180 school

days in any sport in which his name appeared on a roster of the Association during the period he attended the option-zoned school.

4. If a school district has more than one school located within the school district and the school district rezones its boundaries during a school year, the school district is not required, during that school year, to comply with the provisions of section 172 of this regulation. The provisions of subsection 2 of section 173 of this regulation apply to any pupil of a public or private school who is affected by the rezoning. A pupil who is adversely affected by the rezoning may not appeal the decision of the school district to the Association.

5. As used in this section, “option-zoned school” means a school for which a school district authorizes a pupil who does not reside within the zone of attendance of the school to attend the school. The term includes a magnet school.

Sec. 178. *1. A pupil who is eligible to participate in a sanctioned sport at a school that is located in the school district in which he resides and who is enrolled in a high school that is located within a community college of the University and Community College System of Nevada pursuant to a program of a school district remains eligible to participate in the sanctioned sport at the school that is located in the school district in which he resides.*

2. A pupil who attends Washoe High School, Sunset High School, Horizon High School or any other high school pursuant to an alternative program specified in NRS 388.537 is ineligible to participate in any sanctioned sport.

Sec. 179. *A pupil who attends a private school that does not offer a sanctioned sport is not eligible to participate in that sanctioned sport at his school of residence.*

Sec. 180. *1. To be eligible to participate in a sanctioned sport, a parent or legal guardian of a homeschooled child must submit to the school district in which the*

homeschooled child resides a written notice of intent to provide instruction for the homeschooled child at home. A parent or legal guardian of a homeschooled child who submits such a notice shall be deemed to be the teacher of the homeschooled child for all matters relating to participation by the homeschooled child in a sanctioned sport.

2. To be eligible to participate in a sanctioned sport, a parent or legal guardian of a homeschooled child must submit evidence satisfactory to the Executive Director that the homeschooled child has complied with the requirements for academic eligibility adopted by the school district in which he resides pursuant to section 190 of this regulation. The evidence must be submitted to the person designated by the school pursuant to paragraph (c) of subsection 4.

3. A homeschooled child who withdraws from a school where he is enrolled:

(a) Remains eligible to participate in a sanctioned sport at that school if he was eligible to participate in that sanctioned sport at the time he withdrew from the school; or

(b) If he was not eligible to participate in a sanctioned sport at the time he withdrew from the school, must establish his eligibility to participate in that sanctioned sport by complying with the requirements for academic eligibility specified in subsection 2.

4. If a homeschooled child resides within the zone of attendance of a school and notifies the school that he wishes to participate in a sanctioned sport at that school, the school shall provide to the parent or legal guardian of the homeschooled child:

(a) A statement setting forth the requirements for academic eligibility to participate in a sanctioned sport specified in subsection 2;

(b) All schedules and requirements of the school relating to eligibility for participation in a sanctioned sport at the school; and

(c) The name and telephone number of a person in the athletic department of the school with whom the homeschooled child or a parent or legal guardian of the homeschooled child may communicate relating to the academic eligibility of the homeschooled child to participate in the sanctioned sport.

Sec. 181. 1. *The provisions of this section apply to a family that has more than one child who:*

(a) Is enrolled in a high school in this State; and

(b) In accordance with the regulations of a school district relating to zoning, is assigned by the school district to a school.

2. The oldest child of a family specified in subsection 1 is eligible to participate in a sanctioned sport only at the school to which that child is assigned by the school district.

3. Each younger child who is enrolled in a high school in this State at the time the regulations specified in paragraph (b) of subsection 1 are adopted by the school district and who qualifies for a variance in his zone of attendance pursuant to those regulations is eligible to participate in a sanctioned sport at the school within his zone of attendance or the school attended by the oldest child. If the younger child transfers to another school after making his initial choice of a school, he is ineligible to participate in a sanctioned sport for 180 school days.

4. The provisions of subsection 3 apply to any member of a family who is approved for a variance specified in that subsection during any period in which another child of the family attends the school that is located within the zone of attendance of the family. If a member of the family chooses to attend his school of residence or if a member of the family does not

attend the school of residence, the family must comply with the requirements for eligibility that are applicable to any other pupil enrolled in the school.

Sec. 182. 1. *The provisions of this section govern the eligibility of:*

(a) A foreign exchange student; and

(b) An international student who enrolls in a school and is not a foreign exchange student.

2. *The Association will allow a foreign exchange student to participate in a sanctioned sport if the foreign exchange student:*

(a) Is sponsored by and placed with a host family in the United States by an international student exchange program that:

(1) Is approved for listing by the Council on Standards for International Educational Travel or its successor organization;

(2) Is recognized by the United States Department of State; and

(3) Assigns students to host families in a manner which ensures that a student, school or other interested party is unable to influence the assignment of the student to a host family for athletic or other purposes or in any other manner which ensures that the student is not chosen or placed because of his athletic interests or abilities;

(b) Possesses a J-1 Visa issued by the United States Immigration and Naturalization Service;

(c) Attends the school on the first day of the school year and enrolls in a foreign exchange program at the school that is conducted for at least 1 year;

(e) Has not completed the 12th grade or its equivalent in the United States or any other country; and

(f) Complies with any other requirements for eligibility of the Association during the period in which he is a pupil enrolled in a school.

3. If a foreign exchange student transfers to another school during the school year because of a change in residence by the student and the host family with whom he was placed at the time of enrollment in the original school, the transfer does not affect his eligibility to participate in a sanctioned sport. If the transfer occurs because the student is placed with another host family, the student is ineligible to participate in a sanctioned sport at the school to which he transfers for the remainder of the school year.

4. If a school or coach of a school places or arranges for the placement of a student in violation of any provision of this section, the student is ineligible to participate in a sanctioned sport and the Association may impose a penalty against the school or coach pursuant to sections 2 to 265, inclusive, of this regulation.

5. A student from a foreign country who is enrolled in a school because he has been issued an F-1 Visa by the United States Immigration and Naturalization Service shall be deemed to be a transfer student. To be eligible to participate in a sanctioned sport, the student must comply with the provisions for eligibility that are applicable to a transfer student.

6. For the purposes of this section, a foreign exchange student shall be deemed to be placed with a host family if:

(a) The school that the student attends was not involved in the selection or assignment of the student; and

(b) The principal office for the sponsoring organization approves the placement of the student.

7. As used in this section, “foreign exchange student” has the meaning ascribed to it in NRS 483.075.

Sec. 183. *1. Except as otherwise provided in subsection 2, a pupil shall not practice or participate in any sanctioned sport for more than one school during the season for the sanctioned sport.*

2. Except as otherwise provided in subsection 3, the Executive Director may waive the provisions of subsection 1 if a pupil moves with his parent or legal guardian from the zone of attendance of a school to the zone of attendance of another school during a season.

3. The Executive Director shall not issue a waiver pursuant to subsection 2 if:

(a) The move is completed after more than one-half of the season is completed; or

(b) The pupil to whom the waiver applies:

(1) Participates in a sanctioned sport at the varsity level; or

(2) Is ineligible for any reason to participate in a sanctioned sport at the school from which he transferred.

Sec. 184. *A pupil who is ineligible to participate in a sanctioned sport because of a transfer may reestablish his eligibility to participate in a sanctioned sport if he complies with the provisions of sections 163 to 219, inclusive, of this regulation and:*

1. Completes 180 school days of ineligibility at the school to which the pupil transferred; or

2. Is determined to be eligible by the Executive Director, an administrator or a panel pursuant to sections 234 to 242, inclusive, of this regulation.

Sec. 185. 1. *A pupil who attends a public school and wishes to transfer to another school may apply to the Association for a waiver from the requirements for eligibility. The pupil must submit the application on a form approved by the Association. The Association may approve the application if the pupil complies with the regulations of his school district relating to the issuance of a variance in the zone of attendance of the pupil. If the Association approves the application, the pupil is eligible to participate in a sanctioned sport at any level other than varsity. A pupil may not apply more than once for a waiver pursuant to this section.*

2. A pupil whose application for a waiver pursuant to subsection 1 is denied may appeal that decision in accordance with the provisions of sections 234 to 242, inclusive, of this regulation.

3. If a pupil is granted a waiver pursuant to subsection 1 and, after the waiver is granted, transfers to another school, including a school within his zone of attendance, the pupil is ineligible to participate in a sanctioned sport for 180 school days. A pupil whose request for a subsequent transfer is denied may not appeal that decision.

4. A waiver that is granted pursuant to subsection 1 becomes effective at the beginning of the next semester.

5. If any pupil or a parent or legal guardian of a pupil submits an application for a waiver pursuant to subsection 1 that includes any false information, the pupil becomes ineligible to participate in a sanctioned sport for 2 school years after the Association determines that the application includes false information.

Sec. 186. 1. *If a pupil becomes eligible to participate in a sanctioned sport at a school and, after becoming eligible, the school ceases to offer the sanctioned sport, the pupil may transfer to another school without changing his place of residence. If a school does not offer a*

sanctioned sport in which a pupil wishes to participate, the pupil may transfer to another school that offers that sanctioned sport without changing his place of residence. A pupil may not transfer to another school pursuant to this section more than once.

2. The provisions of sections 234 to 242, inclusive, of this regulation, apply to a transfer made pursuant to this section. Each such transfer must be approved by the superintendent of the school district where the school is located or a person designated by him. If a school specified in subsection 1 is located in a school district that has more than one school, the pupil must transfer to a school that is located closest to the school from which he is transferring pursuant to this section.

3. If a pupil transfers to another school pursuant to this section and, after transferring to that school, returns to the school from which he transferred, the pupil is ineligible to participate in a sanctioned sport for 180 school days after he returns to the school.

Sec. 187. *To be eligible to participate in a sanctioned sport, a pupil must comply with the academic requirements set forth in sections 187 to 198, inclusive, of this regulation. A school may impose stricter academic requirements for participation in a sanctioned sport.*

Sec. 188. *A pupil who enrolls in his first semester in the ninth grade in a school is academically eligible to participate in any sanctioned sport.*

Sec. 189. *1. For each semester a pupil participates in a sanctioned sport, the pupil must enroll in a course of at least two units of credit and regularly attend a school. The pupil must successfully complete a course of at least two units of credit for the immediately preceding semester. If a pupil fails to complete successfully the course for that semester, he is ineligible to participate in a sanctioned sport for one semester unless, for the grading period for the first 9 weeks of the semester that is conducted immediately after that semester, he receives a*

passing grade for the two units of credit for the grading period, at which time he must be placed on weekly probation. If the pupil receives a failing grade during the probationary period, the pupil is ineligible to participate in a sanctioned sport for the remainder of the semester in which he is placed on weekly probation.

2. A pupil may enroll in a course for one unit of credit for each semester he enrolls in a correspondence course or attends any summer school, night school or any other school, including, without limitation, a postsecondary educational institution, and receive credit for the satisfactory completion of that course toward the satisfaction of the requirements for academic eligibility if the principal of the school in which the pupil is enrolled indicates in writing that the course qualifies for credit for the pupil's requirements for graduation.

3. Any course taken or unit of credit received by a pupil pursuant to subsection 2 becomes a part of his academic record and, after the grade for the course or unit of credit is recorded on his transcript, applies to the requirements for academic eligibility to participate in a sanctioned sport.

4. A school shall ensure that each course or unit of credit in which a pupil who participates in a sanctioned sport is enrolled is reviewed in accordance with the provisions of section 191, 192, 193 or 194 of this regulation, as adopted by the school pursuant to the provisions of section 190 of this regulation, to determine his academic eligibility to participate in the sanctioned sport.

Sec. 190. *Each school district in which a school is located must, before the beginning of each school year, adopt the provisions of section 191, 192, 193 or 194 of this regulation for use by the school district in determining the academic eligibility of each pupil who participates in a sanctioned sport at the school. The school shall, for the period during which each of those*

pupils participates in a sanctioned sport, continually review the academic progress of those pupils in accordance with the provisions of section 191, 192, 193 or 194 of this regulation as adopted by the school district pursuant to this section.

Sec. 191. *1. If, pursuant to the provisions of section 190 of this regulation, a school district adopts the requirements for academic eligibility set forth in this section, each pupil who participates in a sanctioned sport at a school that is located in the school district must maintain a passing grade for each course he takes during the season. The school shall, in accordance with subsection 3, review the pupil's progress in each course at least once every 3 weeks, including any vocational, magnet, college or night courses taken by the pupil at a school other than the school where the pupil participates in a sanctioned sport.*

2. Except as otherwise provided in subsection 3, each school district shall establish the dates for conducting the reviews required pursuant to this section based on its academic calendar for each school year. The dates must be determined:

(a) By beginning at the end of the first semester of the school year and counting back to the beginning of the school year in increments of 3 weeks; and

(b) From the beginning of the second semester of the school year and counting forward to the end of the school year in increments of 3 weeks.

3. A school shall not conduct the first review during a school year until after the first date on which a game, contest or meet may be scheduled for a season as determined by the schedule of activities established by the Association for that purpose.

4. Each review must indicate the pupil's academic status for the period beginning on the first day of the semester and ending on the date on which the review is conducted and must be determined in accordance with the regulations of the school district in which the school is

located. Each review may include the pupil's cumulative semester grades or 9-week grades, or any combination thereof. Each school district shall declare the eligibility or ineligibility of a pupil to participate in a sanctioned sport based on the policy of the school district.

5. If a pupil receives a failing grade in an academic course after a review is conducted for the pupil pursuant to this section, the school that conducted the review shall place the pupil on probation for 1 week. A pupil who is placed on probation remains eligible to participate in the sanctioned sport in which he participates during the probationary week and must be reviewed on the Friday of the probationary week.

6. If a pupil who is placed on probation pursuant to subsection 5 continues to maintain a failing grade at the review conducted on the Friday of the probationary week, the school that conducted the review shall declare the pupil to be ineligible to participate in a sanctioned sport for the period beginning on the Monday after he is declared ineligible and ending on the first Saturday after that Monday.

7. If a pupil is declared ineligible after the probationary week, the school shall conduct a review of the pupil each week until he becomes eligible, regardless of whether that period extends beyond the next scheduled review. If the pupil becomes eligible, the pupil must be reviewed at the next regularly scheduled review and is entitled to another probationary week.

8. If a review is scheduled pursuant to this section for the day before a holiday or vacation for the school, and if a pupil has received a failing grade at the time the review is conducted:

(a) The pupil remains eligible to participate in a sanctioned sport during the holiday or vacation; and

(b) The school that conducted the review shall place the pupil on probation beginning on the first school day after the holiday or vacation.

9. A pupil who is placed on probation the week before a school holiday or vacation is eligible to participate in a sanctioned sport if the school determines that the pupil has maintained passing grades at the regularly scheduled review conducted immediately before the holiday or vacation. If the school determines that the pupil has not maintained passing grades after that review is conducted, the pupil remains ineligible during the holiday or vacation.

10. A pupil who is declared ineligible not more than 2 weeks before a school holiday or vacation remains ineligible to participate in the sanctioned sport until he achieves a passing grade as determined by each weekly review conducted pursuant to this section.

11. If a pupil withdraws or is excluded from a class because he received a failing grade during a semester, the school shall, immediately after the record of the withdrawal or exclusion becomes available, declare the pupil ineligible to participate in the sanctioned sport for the period beginning on the Monday after he withdraws or is excluded and ending on the first Saturday after that Monday. The provisions of this subsection do not exempt a pupil from complying with the requirement set forth in subsection 1 of section 189 of this regulation.

Sec. 192. 1. *If, pursuant to the provisions of section 190 of this regulation, a school district adopts the requirements for academic eligibility set forth in this section, each pupil who participates in a sanctioned sport at a school that is located in the school district must maintain a grade point average of at least 2.0 based on a 4.0 grading system during the immediately preceding semester. A pupil who fails to maintain such a grade point average for that semester is ineligible to participate in a sanctioned sport until his grades are reviewed for*

the grading period for the first 9 weeks of the semester that is conducted immediately after that semester.

2. For the purposes of this section, the academic eligibility of a pupil must be determined on the day immediately after the school distributes the grades for the semester.

3. If the grade point average of a pupil is less than 2.0 at the end of a semester and after the school conducts a 9-week review pursuant to subsection 1, the pupil is ineligible to participate in a sanctioned sport for the remainder of the semester.

4. A pupil who receives an incomplete grade at the end of a semester must make up the grade within 3 weeks beginning on the date on which the grades are recorded for the grading period, as determined by the teacher who issued the incomplete grade, if the pupil has passed at least two units of credit and maintains a grade point average of not less than 2.0. Within 3 weeks after the grades are recorded for a grading period, a permanent grade for the pupil must be issued and used to determine his grade point average. An incomplete grade must not be calculated in the grade point average of the pupil to determine his academic eligibility pursuant to this section until the permanent grade is recorded for the class for which he received an incomplete grade.

5. If a pupil repeats a class during summer school, the grade for that class must be:

(a) Computed in accordance with the regulations of the school district in which the class is taken; and

(b) Used by the school in which the pupil is enrolled in a manner that benefits the pupil in establishing or maintaining his academic eligibility to participate in a sanctioned sport at the school for the immediately preceding or current semester.

Sec. 193. *If, pursuant to the provisions of section 190 of this regulation, a school district adopts the requirements for academic eligibility set forth in this section, each pupil who participates in a sanctioned sport at a school that is located in the school district must:*

1. Receive a passing grade in each class in which he enrolls during the season for the sanctioned sport; and

2. Maintain a grade point average of not less than 2.0 for the immediately preceding semester,

↪ in accordance with the provisions of sections 191 and 192 of this regulation.

Sec. 194. *If, pursuant to the provisions of section 190 of this regulation, a school district adopts the requirements for academic eligibility set forth in this section, each pupil who participates in a sanctioned sport at a school that is located in the school district must:*

1. Receive a passing grade in each class in which he enrolls during the season for the sanctioned sport; or

2. Maintain a grade point average of not less than 2.0 for the immediately preceding semester,

↪ in accordance with the provisions of sections 191 and 192 of this regulation.

Sec. 195. *1. Except as otherwise provided in this subsection, if a school records a grade for a pupil for a semester or any 9-week period, the school or pupil shall not, after the grade is recorded, change the grade in a manner which establishes the academic eligibility of the pupil to participate in a sanctioned sport at the school. The school may change a grade specified in this subsection if the school submits evidence satisfactory to the Executive Director that the grade was issued incorrectly.*

2. A school shall not allow a pupil who participates in a sanctioned sport at the school to complete any extra work to improve the pupil's grade in a course of instruction unless the school allows all pupils in that course of instruction to complete extra work for that course of instruction. If a school allows a pupil to complete extra work pursuant to this subsection, the school shall ensure that the extra work is graded and included in the grade for the course of instruction for the semester or any 9-week period for the semester.

Sec. 196. *1. A pupil who qualifies for special education services pursuant to the Individuals With Disabilities Education Act, 20 U.S.C. §§ 1400, et seq., or NRS 388.440 to 388.520, inclusive, and chapter 388 of NAC must comply with the requirements for academic eligibility that are applicable to a pupil who is not qualified for those services.*

2. Any exception to the academic requirements of the Association for eligibility for participation in a sanctioned sport set forth in the individual education plan of a pupil who qualifies for special education services pursuant to subsection 1 may be considered by the Association pursuant to the provisions for appealing a pupil hardship set forth in sections 234 to 242, inclusive, of this regulation, if the exception is based on the disability of the pupil.

3. Any exception specified in subsection 2 that is included in the individual education plan of the pupil after he is declared academically ineligible to participate in a sanctioned sport may not be appealed pursuant to the provisions of sections 234 to 242, inclusive, of this regulation, until the beginning of the next period for conducting reviews.

Sec. 197. *1. If a homeschooled child enrolls in a school and wishes to become eligible to participate in a sanctioned sport at that school, a parent or legal guardian of the homeschooled child must submit written evidence satisfactory to the school indicating that the*

homeschooled child received the instruction required by NAC 392.035 and maintained a grade point average of not less than 2.0 for the period in which he was a homeschooled child.

2. The written evidence required pursuant to subsection 1 may consist of a statement signed by a parent or legal guardian of the homeschooled child attesting to the written evidence.

Sec. 198. *1. If a teacher of a school incorrectly determines the grade of a pupil and, because of that determination, the pupil becomes ineligible to participate in a sanctioned sport as determined by the principal of the school or his designee, the school shall declare the pupil eligible to participate in the sanctioned sport immediately after the discovery of the incorrect determination.*

2. A pupil who becomes academically ineligible to participate in a sanctioned sport at a school during a semester and practices with a team at that school after receiving approval from the principal of the school to do so becomes academically eligible to participate in a sanctioned sport beginning on the day the grades of the pupil are submitted to the computer system of the school if, on that day, the pupil is otherwise academically eligible to participate in the sanctioned sport in accordance with the provisions of sections 2 to 265, inclusive, of this regulation.

Sec. 199. *The office of the Association will assist any school with interpretation of the regulations of the Association relating to academic eligibility.*

Sec. 200. *A pupil who is ineligible to participate in a sanctioned sport pursuant to sections 2 to 265, inclusive, of this regulation, may not participate in any game, contest or meet.*

- 1. May participate in any practice conducted by the school for that sanctioned sport if the coach and principal of the school approve the pupil's participation in the practice; and*
- 2. May not participate in any sanctioned sport, including, without limitation, a scrimmage or exhibition for a sanctioned sport.*

Sec. 202. *Any pupil who is ineligible to participate in a sanctioned sport pursuant to the provisions of sections 2 to 265, inclusive, of this regulation, or the policies, rules or regulations of a school, a school district in which a school is located, or any state athletic association:*

- 1. Does not become eligible to participate in the sanctioned sport at a school by transferring to that school; and*
- 2. Remains ineligible to participate in the sanctioned sport for the period he is ineligible.*

Sec. 203. *1. A pupil who circumvents or attempts to circumvent the requirements for eligibility of a school or school district or the Association, or any other state athletic association, is ineligible to participate in any sanctioned sport for not more than 360 school days as determined by the Executive Director.*

2. If reasonable cause exists to believe that a pupil has transferred from a school or a school district in which a school is located to another school or school district in which a school is located, or has transferred to a school from outside this State with the intent to circumvent the requirements for eligibility of the Association or any school or school district, or an out-of-state school, school district or state athletic association, the pupil must prove, in accordance with the provisions of sections 234 to 242, inclusive, of this regulation, that the

transfer was based on a reason that is unrelated to the circumvention of those requirements for eligibility.

3. If a pupil specified in subsection 2 fails to carry the burden of proof required by the provisions of sections 234 to 242, inclusive, of this regulation, the Executive Director shall declare the pupil ineligible to participate in a sanctioned sport for the remainder of the school year in which the declaration is made and for an additional 180 school days after the expiration of the school year.

4. If the Executive Director determines that a pupil or his parent or legal guardian has falsified any records or information relating to a transfer, the Executive Director shall declare the pupil ineligible to participate in all sanctioned sports for 2 years after the date of the last game, contest or meet in which the pupil participated.

Sec. 204. *1. Except as otherwise provided in this section and section 206 of this regulation, a pupil is not eligible to participate in a sanctioned sport unless he completes at least 10 days of practice in the sanctioned sport under the direct supervision of a member of the coaching staff of the school.*

2. Each calendar day, other than a Sunday, shall be deemed 1 day of practice regardless of whether more than one practice is held during that day.

3. Except as otherwise provided in subsection 4, if a pupil participates individually in a state tournament for a sanctioned sport or as a member of a team that qualifies for a state tournament for a sanctioned sport, and if the season for that sanctioned sport extends beyond the beginning of the season for another sanctioned sport in which the pupil participates, the pupil must complete at least 5 days of practice for the other sanctioned sport before he is

eligible to participate in that sanctioned sport. A pupil may not participate in a day of practice for a sanctioned sport and compete in a sanctioned sport during that day.

4. A pupil specified in subsection 3 who participates in baseball is not eligible to pitch during any baseball game unless he completes at least 10 days of practice in baseball.

Sec. 205. *Except as otherwise provided in section 206 of this regulation, each team of a school that participates in a sanctioned sport must, before participating in the sanctioned sport, complete at least 10 days of practice in the sanctioned sport under the direct supervision of a member of the coaching staff of the school.*

Sec. 206. *The provisions of sections 204 and 205 of this regulation do not apply to a pupil or team that participates in golf or bowling.*

(b) The same sanctioned sport more than once during a school year.

2. A pupil enrolled in a school who participates in a sanctioned sport at the school may transfer to another sanctioned sport that is offered by the school during the same season if:

(a) The transfer occurs before the first scheduled game, contest or meet for each sport; or

(b) The Executive Director, principal of the school and the coach for each sanctioned sport approve the transfer.

Sec. 209. 1. *If a school has a team for boys for a sanctioned sport but does not have a team for girls for that sanctioned sport, the school shall allow each girl who is a pupil enrolled in the school, and who is otherwise eligible to participate in the sanctioned sport, to qualify for and participate on the team for boys for the sanctioned sport.*

2. If a school has a team for girls for a sanctioned sport but does not have a team for boys for that sanctioned sport, the school shall allow each boy who is a pupil enrolled in the school, and who is otherwise eligible to participate in the sanctioned sport, to qualify for and participate on the team for girls if the opportunities for girls to participate in all sanctioned sports at the school are greater than the opportunities offered to boys to participate in those sanctioned sports.

3. A request by a boy to qualify for or participate on a team for girls pursuant to subsection 2 must be submitted in writing to the principal of the school and set forth the reasons for the request. If the principal approves the written request, the principal shall submit the request to the Executive Director for his approval at least 15 days before the beginning of the season for the sanctioned sport in which the boy wishes to participate.

4. If a school has a team for boys and a team for girls for a sanctioned sport, each pupil enrolled in the school may participate only on the team:

(a) For boys, if the pupil is a boy; or

(b) For girls, if the pupil is a girl.

Sec. 210. 1. *Each pupil who wishes to participate in any sanctioned sport for the first time:*

(a) Must submit to a physical examination that is conducted by a physician who is licensed pursuant to chapter 630 of NRS or a homeopathic physician who is licensed pursuant to chapter 630A of NRS; and

(b) After completing the physical examination, must be approved for participation in a sanctioned sport by a physician or homeopathic physician specified in paragraph (a) on a form approved by the Association.

2. Each pupil who wishes to participate in a sanctioned sport and has complied with the provisions of subsection 1 shall, for each year he participates in a sanctioned sport, complete the form which is approved by the Association for that purpose. If the pupil submits an affirmative response to any question on the form, he must submit to a complete physical examination in accordance with subsection 1 before he is eligible to participate in a sanctioned sport.

3. Each school shall:

(a) Maintain a record of each form submitted to the school pursuant to this section; and

(b) Ensure that the athletic director, athletic trainer or school nurse reviews each form specified in paragraph (a) before each season in which the pupil participates in a sanctioned sport.

4. If the religious beliefs of a pupil prohibit him from submitting to a physical examination to participate in a sanctioned sport, the pupil and a parent or legal guardian with whom he resides shall execute a release which indemnifies and holds harmless the school, school district and Association from all liability which may arise because of the pupil's participation in the sanctioned sport.

5. *A pupil may obtain the form for the release specified in subsection 4 from the Association.*

Sec. 211. 1. *If a pupil is injured in a sanctioned sport and is treated for that injury by a provider of health care, the school shall not allow the pupil to resume participation in the sanctioned sport unless the provider of health care submits a written statement signed by him and addressed to the principal of the school indicating that the pupil may resume participation in the sanctioned sport.*

3. In addition to the penalties set forth in subsection 2, if a pupil participates in a game, contest or meet, and he is ineligible to participate in the game, contest or meet because the pupil or a parent or legal guardian of the pupil falsified a record or any other information provided to the school, the Association will declare the pupil ineligible to participate in any sanctioned sport for 360 school days after the last game, contest or meet in which the ineligible pupil participated. As used in this subsection, "school days" does not include a school day that occurs during the summer of a school year.
