

**PROPOSED REGULATION OF THE
STATE CONTRACTORS' BOARD**

LCB File No. R209-03

December 1, 2003

EXPLANATION – Matter in *italics* is new; matter in brackets ~~omitted material~~ is material to be omitted.

AUTHORITY: §1, NRS 624.220.

Section 1. NAC 624.280 is hereby amended to read as follows:

624.280 1. The Board will grant to qualified applicants a license in the specialty of landscape contracting. The Board designates such a license as a “classification C-10” license. A person who holds a classification C-10 license may:

- (a) Grade and prepare plots of land for architectural horticulture;
- (b) Decoratively treat, arrange, plant and maintain gardens, lawns, shrubs, vines, bushes, trees and other vegetation;
- (c) Construct systems of drainage and landscape irrigation; ~~and~~
- (d) Install rocks, sand and gravel for desert landscaping ~~and~~;
- (e) Install nonload-bearing walkways using brick or stone not exceeding 200 square feet in area;*
- (f) Install patio areas using brick or stone not exceeding 400 square feet in area; and*
- (g) Install landscape retaining walls to a height not exceeding two feet.*

2. The subclassifications of the classification C-10 license and the work authorized for persons licensed in the respective subclassifications are:

(a) LANDSCAPING (subclassification C-10a): All work authorized by a classification C-10 license except the installation of drainage and landscape irrigation systems.

(b) LANDSCAPE IRRIGATION (subclassification C-10b): The installation of systems of drainage and landscape irrigation for lawns and shrubs.

(c) HYDROSEEDING AND CONTROL OF SOIL EROSION (subclassification C-10c): The implantation of ground cover by spraying mulch, seeds and nutrients under pressure and the use of other methods of controlling soil erosion, including the application of netting.
