DEPARTMENT OF TAXATION**

LCB File No. R224-03

Effective April 30, 2004

EXPLANATION – Matter in *italics* is new; matter in brackets ~~[omitted material]~~ is material to be omitted.

AUTHORITY: §§1-15, NRS 375.015; §16, NRS 375.015 and 375.330.

A REGULATION relating to taxes on the transfer of real property; providing a procedure for the examination of opinions of district attorneys concerning such taxes by the Department of Taxation; authorizing the Department to examine records of counties to determine compliance with laws governing such taxes; providing for certain reports concerning the collection and administration of such taxes; authorizing the county recorder of certain smaller counties to request certain assistance from the Department; revising requirements relating to declarations of value; revising provisions governing the waiver or reduction of penalties or interest for delinquent payments of such taxes; and providing other matters properly relating thereto.

Section 1. Chapter 375 of NAC is hereby amended by adding thereto the provisions set forth as sections 2 to 7, inclusive, of this regulation.

Sec. 2. *“Department” means the Department of Taxation.*

Sec. 3. 1. *Each county recorder shall submit to the Department a copy of any written opinion received from the district attorney of his county regarding the imposition or collection of any tax imposed by chapter 375 of NRS.*

2. If the Department determines that an opinion of a district attorney received pursuant to subsection 1 is inconsistent with an opinion of the Attorney General or any statutory or regulatory requirements regarding the imposition or collection of any tax imposed by chapter 375 of NRS, the Department will advise the county recorder from whom the opinion is

received about the inconsistency of the opinion or refer the opinion to the Attorney General for additional consideration, or both.

Sec. 4. *The Department may examine the records of each county to determine whether the county is complying with statutory and regulatory requirements governing the calculation, collection and distribution of the tax imposed by NRS 375.023. In conducting such examinations, the Department will:*

1. Review a sample of the deeds presented to the county recorder for recordation to verify that the amount of tax collected was proper and whether the basis of the tax was reported correctly and exemptions were properly allowed.

2. Verify that the collection allowance authorized to be deducted and withheld from the taxes collected is properly calculated.

3. Verify that required reports are submitted in a timely manner.

4. Verify that all amounts collected are transmitted to the proper authority in a timely manner.

5. Verify that proper procedures are being followed for recording certificates of delinquency, releasing liens and administering requests for the correction of assessments.

Sec. 5. *1. The Department will periodically prepare reports regarding the collection and administration of taxes imposed by chapter 375 of NRS.*

2. Except as otherwise provided in this section, each county recorder shall submit to the Department monthly reports regarding the collection and administration of taxes imposed by chapter 375 of NRS in his county. The reports must include:

(a) The total number of deeds evidencing a transfer of title to real property that were subject to the taxes imposed by chapter 375 of NRS for the immediately preceding month;

(b) The total amount of taxes collected for the immediately preceding month;

(c) The total number of exemptions granted for the immediately preceding month listed by the types of exemptions granted; and

(d) Such other information as may be useful in coordinating the collection and administration of the taxes imposed by chapter 375 of NRS.

3. A county recorder is not required to report information required by paragraph (c) of subsection 2 if the system used by the county to collect, process, distribute and store information relating to the collection of the taxes imposed by chapter 375 of NRS cannot provide the required information.

4. Each county recorder shall submit to the Department a copy of any documentation that is submitted to the State Controller by the county concerning the amount of the proceeds of the tax imposed by NRS 375.020 that is required to be transmitted to the State Controller pursuant to NRS 375.070.

Sec. 6. 1. *The county recorder of a county whose population is less than 30,000 may request assistance from the Department in making determinations regarding the amount of any tax required to be collected pursuant to chapter 375 of NRS and whether a transfer or conveyance of real property is exempt from taxation.*

2. The Department will respond to a request received pursuant to subsection 1 in a timely manner after receiving the request and any supporting documents that are necessary to render such assistance.

Sec. 7. *A county may, at the time any tax imposed by NRS 375.023 is collected, remit to the credit of the general fund of the county the collection allowance that the county is authorized to deduct and withhold by subsection 4 of that section.*

Sec. 8. NAC 375.010 is hereby amended to read as follows:

375.010 As used in this chapter, unless the context otherwise requires, the words and terms defined in NAC 375.015 to 375.140, inclusive, *and section 2 of this regulation* have the meanings ascribed to them in those sections.

Sec. 9. NAC 375.150 is hereby amended to read as follows:

375.150 The following examples are given to illustrate methods of determining value or the tax base on which to compute ~~[the real property transfer tax:]~~ *any tax imposed by chapter 375 of NRS:*

1. “A,” the owner of a residence, sold the residence for \$250,000. The tax is based on \$250,000, the amount paid for the property.
2. “A,” the owner of certain real estate, sold it to “B” for \$144,000. “B” paid the amount of \$25,000 in cash, leaving a balance of \$119,000 and “A” gave “B” a deed to the property. The tax is computed on \$144,000, the amount paid or to be paid.
3. The holder of a trust deed in the amount of \$120,000 foreclosed upon the property securing the deed. At the foreclosure sale, because of taxes and additional expenses incurred, the trustee bid \$122,500, and a trustee’s deed was issued to the beneficiary. The beneficiary then accepted a mortgage in the amount of \$125,000 as consideration for the retransfer of the property to the former owner. The tax on the trustee’s deed should be computed on the amount bid for the property plus any costs, in this example \$122,500. The deed from the beneficiary to the former owner of the property is a conveyance of realty sold, and the tax should be computed upon the amount paid, namely \$125,000.
4. For a full purchase price of \$500,000, “A” conveys to “B” land on which there is an encumbrance of \$410,000 at the time of sale. “A” signs a contract agreeing to pay off the

encumbrance at a later date. The deed of conveyance from “A” to “B” is subject to tax on the full purchase price of \$500,000. The fact that the seller retained a contractual obligation on the property does not diminish the amount that “B” will pay, \$500,000.

5. “A,” the owner of certain real estate, sold it to “B” for a consideration of \$240,000. “B” paid the amount of \$125,000 in cash, leaving a balance due of \$115,000. “A” accepted bonds of the Home Owners’ Loan Corporation for the balance of \$115,000 and gave “B” a deed to the property. The tax is based on the total purchase price of \$240,000, the \$125,000 in cash and the \$115,000 value of the bonds.

6. Two corporations that do not have identical ownership exchange properties worth \$450,000 each. Each transfer is taxable on the \$450,000 value. Each corporation is receiving something of value in exchange for the property it is transferring.

7. To qualify for a loan to refinance their home, a married couple adds the husband’s parents to the title, with the married couple and the husband’s parents all as joint tenants. The value of the property is \$145,000. Because the transfer to the husband’s parents from the wife is not exempt from the tax and the joint tenants each have a right to the whole property, the transfer is taxable on the \$145,000 value.

8. A couple buys a home from the Veteran’s Administration for \$97,142.36. The transfer is taxable on the amount of purchase, \$97,142.36.

9. A university foundation receives property valued at \$1,000,000. The transfer is exempt from taxation pursuant to subsection 15 of NRS 375.090. The university foundation sells the property to another party in a transaction that is not exempt pursuant to NRS 375.090 for \$750,000. The second transfer is taxable on the amount of purchase, \$750,000.

10. A corporation owns property valued at \$180,000. To refinance the property, the corporation transfers the property to one of its shareholders pursuant to the requirements of the lender. The transfer is taxable on the value of the property, \$180,000.

11. "A" owns property worth \$50,000. "B" owns property worth \$75,000. "A" and "B" form a limited-liability company and are the only two members. "A" and "B" transfer their properties to the limited-liability company. Each transfer is taxable for the value of the properties, \$50,000 and \$75,000, respectively.

12. "A" and "B," who are not married and not related within the first degree of consanguinity, own two identical properties, each worth \$50,000, as joint tenants. "A" and "B" wish to transfer their interest in each property to the other so that "A" owns one property as the sole owner and "B" owns the other property as the sole owner. Because "A" and "B" are giving up their respective rights in the other parcel, the transfers are made with consideration and thus each transfer is taxable for the \$50,000 value. If "A" and "B" held title to each property in 50 percent fractional interests, each transfer would be taxable for \$25,000.

13. "A" and "B" are joint tenants of a 10-acre parcel that is worth \$150,000. "A" and "B" are not married and are not related within the first degree of consanguinity. They wish to partition the property with each receiving a 5-acre parcel in his own name. The transfer of each 5-acre parcel is taxable at a \$75,000 value. If they each owned a 50 percent fractional interest in the parcel, the transfer of each 5-acre parcel would be exempt from taxation, but if 6 acres were transferred to "A" and 4 acres were transferred to "B," the transfer to "A" would be taxed on the value of 1 acre, \$15,000.

14. A partnership owns real property worth \$100,000. There is a mortgage on the property, and the partnership wishes to refinance the mortgage. As a condition of refinancing, the lender

requires the property to be held in title by only one partner. The transfer from the partnership to the single partner is taxable on the entire \$100,000 value. Once the refinancing is complete, any transfer of title back to the partnership is also taxable on the entire \$100,000 value.

15. “A” and “B” own adjoining lots. “A” agrees to buy part of “B’s” lot for \$1,500,000. To expedite the mapping requirements, “B” transfers 100 percent of his lot to “A,” but retains a contractual obligation from “A” that after all mapping and adjustments to the legal description of the lot are complete, “A” will transfer back to “B” the property outside the purchased area. The first transfer is taxable on the \$1,500,000 amount. Because the second transfer is made without stated consideration, the transfer back to “B” of the excess area is taxable based on the fair market value of that area.

Sec. 10. NAC 375.160 is hereby amended to read as follows:

375.160 The following are examples of transfers or conveyances subject to ~~the real property transfer tax:~~ *any tax imposed by chapter 375 of NRS:*

1. A conveyance of realty in exchange for other property and the conveyance of the other property, if it is realty.
2. A conveyance of realty in consideration of life maintenance. The tax is computed on the net value of the realty conveyed.
3. Deeds given by persons such as masters in chancery, sheriffs and clerks of court for realty sold under foreclosure or execution. The tax is computed on the amount bid for the property plus the costs if paid by the purchaser, whether the purchaser is the mortgagee, judgment creditor or any other person.

4. A conveyance of realty by a judgment or decree in a condemnation proceeding under the power of eminent domain or a conveyance of property under threat of imminence of the proceeding.

5. Conveyances to or by building and loan associations except that the tax does not apply to a conveyance of realty to a building and loan association for the purpose of securing a loan thereon, nor to the reconveyance of the realty to its owner as part of the loan transaction.

6. A conveyance of realty to a corporation in exchange for shares of its capital stock.

7. A conveyance of realty by a corporation in liquidation or in dissolution to its shareholders subject to the debts of the corporation except that if there are no corporate debts and the conveyance is made solely for the cancellation and retirement of the capital stock, the tax does not apply.

8. Deeds to standing timber, patented mines and water rights.

9. A transfer by which a contract for deed is recorded which sets forth the purchase price, legal description, the buyer and the seller and which provides that the buyer has received custody of the real property and a deed will be delivered to the buyer when he fulfills his contractual obligations. If only a memorandum of such a contract is recorded, the transfer is also taxable.

Sec. 11. NAC 375.170 is hereby amended to read as follows:

375.170 In addition to the exemptions provided by NRS 375.090, the following are examples of transfers or conveyances which are not subject to ~~the real property transfer tax:~~

any tax imposed by chapter 375 of NRS:

1. The reconveyance of realty, conveyed to secure a debt, upon payment of the debt.

2. A deed to or by a trustee not pursuant to a sale.

3. A deed to confirm title already vested in the grantee, such as a quitclaim deed to correct a flaw in title.

4. A deed given by an executor in accordance with the terms of the will except that, if, by reason of a consideration passing between the devisees, one of them takes a greater share in the realty than that to which he is entitled under the will, the deed given by the executor to convey the greater share is subject to a tax computed upon the amount of the consideration.

5. A deed from an agent to his principal conveying real estate purchased for and with money of the principal. A valid agency agreement must exist between the agency and his principal. No money may be supplied by the agent.

6. An option or contingent agreement for the purchase of real property or a contract for the sale of real property, if the contract does not vest legal title until a future event occurs.

7. Partition deeds, unless, for consideration, some of the parties take shares greater in value than their undivided interests, in which event a tax attaches to each deed conveying a greater share computed upon the consideration for the excess. If, however, the parties hold title as joint tenants or tenants in common, the tax is applicable, unless another exemption applies.

8. Ordinary leases of real property for any term of years. If the lease is for life or in perpetuity, or if the lease is terminable at the option of the lessee only, the tax is applicable.

9. A deed executed by a debtor conveying property to a trustee for the benefit of his creditors except that when the trustee conveys the property to a creditor or sells it to any other person, the conveyance executed by him is taxable.

10. Conveyance to a receiver of realty included in the receivership assets, and reconveyance of the realty upon the termination of the receivership.

11. A deed conveying real estate situated in a foreign country.

12. Transfer of real estate in a statutory merger consolidation from a constituent corporation to the continuing or new corporation.

13. Distribution of interests in real property owned by a corporation as part of the liquidation of a corporation to the shareholders of the corporation in percentages equal to their ownership in the corporation. To receive title to his interest in the property, each shareholder must redeem his stock.

14. Transfer of title in real property to a trustee in a bankruptcy proceeding pursuant to a written plan of reorganization approved by the bankruptcy court.

15. Transfer of real property from “A” to “A’s” trust, without consideration. “A” is trustor of the trust.

16. Transfer of real property from “A” to “A’s” trust, without consideration. “B” is grantor on the deed and is the legal representative of “A,” the trustor of the trust.

17. Real property is owned by “A” as trustee of the “A” Family Trust. “A” is also trustor of that trust. “A” transfers the real property to “C,” “A’s” son, without consideration.

18. A purchase agreement that is recorded which sets forth the purchase price, legal description, buyer and seller of the property, but which also provides that the transaction is not complete until the seller obtains a zoning change and the buyer has not yet received a present interest in the property.

Sec. 12. NAC 375.180 is hereby amended to read as follows:

375.180 1. Except as otherwise provided in subsection ~~2~~ 3, if a deed evidencing a transfer of title of real property is offered for recording to a county recorder, the county recorder shall require a declaration of value to be made on a form prescribed by the Nevada Tax

(b) If multiple parcels of real property are being transferred, ~~only~~ *at least* one parcel must be listed on the form . ~~but~~ *If additional space is needed to list all the parcels of real property*

~~[2.]~~ **3.** If the value of the property is stated incorrectly on the declaration of value or the amount of tax is computed incorrectly, the person who pays an amount of tax which exceeds the amount due may make a claim for a refund of the amount of tax which he overpaid by completing a refund request form, which may be obtained from the office of the county recorder of the county in which the tax is paid. The form must be signed under penalty of perjury by the person entitled to the refund or his legal representative and submitted to the county recorder of the county in which the tax is paid. If the claim is unaudited, the claim must be submitted within 6 months after the date of recording pursuant to NRS 244.250. If the claim for a refund is submitted pursuant to an audit, the claim may be submitted within 3 years after the date of recording.

Sec. 13. NAC 375.190 is hereby amended to read as follows:

375.190 The records and files of the grantor, grantee and other persons recording deeds regarding specific recorded documents must be made available to representatives of the county recorder ~~[]~~ *and to representatives of the Department*. Sec. 14. NAC 375.200 is hereby amended to read as follows:

375.200 1. If the property transferred is located in more than one county and the value has not been determined by the buyer and the seller as to each county, the value must be established by applying the ratio of the assessed valuation in each county to the total assessed valuation of all the property.

2. A person seeking a refund of ~~[the real property transfer]~~ any tax *imposed by chapter 375 of NRS* for property located in more than one county must submit a request for refund to the county recorder in each county in which the property is located on the form prescribed by the county recorder in each county.

3. Refunds must be made pursuant to the same distribution formula under which the tax was initially paid.

Sec. 15. NAC 375.310 is hereby amended to read as follows:

4. Matters that may be judicially noticed by the courts of this state.

Sec. 16. NAC 375.340 is hereby amended to read as follows:

375.340 1. The county recorder may waive or reduce the penalty or interest for a delinquent payment of ~~[real property transfer]~~ tax that was imposed pursuant to subsection 3 of NRS 375.030 if he finds that the delinquent payment occurred ~~[-~~

~~—(a) Because~~ *because* of circumstances beyond the control of the taxpayer who was required to make the payment *or his agent* and occurred despite the exercise of ordinary care and without intent. ~~;~~

~~—(b) Because of justifiable negligence or inadvertence; or~~

~~—(c) For other good cause shown.]~~

2. Any application for a waiver or reduction of the penalty or interest for a delinquent payment must ~~be~~ :

(a) *Be* filed in writing with the recorder within 45 days after receipt of the notice of penalties and interest. ~~[The taxpayer must set forth in the application]~~ *If the notice is given by mail, the period for filing the application must be extended by 3 days.*

(b) *Be made upon:*

(1) *An oath before a notary public; or*

(2) *A declaration that is made subject to the penalty of perjury.*

(c) *Contain* the circumstances that caused the delinquent payment.

3. In determining whether the circumstances that caused the delinquent payment were beyond the control of the taxpayer required to make the payment ~~;~~ *or his agent and occurred despite the exercise of ordinary care and without intent*, the county recorder shall consider evidence which shows that the delinquent payment was caused by circumstances that were not directly related to the actions of the taxpayer ~~;~~ *or his agent*, including, without limitation, fire, earthquake, flood or other acts of ~~[God,]~~ *nature*, theft, the death or *serious* illness of the taxpayer, *his agent* or a member of the immediate family of the taxpayer, ~~[an error or the misconduct of an employee of the taxpayer,]~~ erroneous *written* information provided to the taxpayer *or his agent* by the recorder's office and the misaddressed but timely mailing of the

return or payment. The existence of an event described in this subsection does not create a conclusive presumption of eligibility for a waiver or reduction of the penalty or interest on a delinquent payment pursuant to this section.

4. ~~[[If the county recorder finds that a delinquent payment was caused by circumstances beyond the control of the taxpayer required to make the payment, and the delinquent payment occurred despite the exercise of ordinary care and without intent:~~

~~—(a) The penalty assessment for the delinquent payment will be not more than:~~

~~—(1) Two percent of the tax if the payment is not more than 2 days late.~~

~~—(2) Four percent of the tax if the payment is not more than 5 days late.~~

~~—(3) Six percent of the tax if the payment is not more than 10 days late.~~

~~—(4) Eight percent of the tax if the payment is not more than 15 days late.~~

~~—(b) The interest on the delinquent payment will be reduced by the rate of reduction of the penalty applied by the county recorder pursuant to paragraph (a).~~

~~—5. In determining whether the proximate cause of the delinquent payment was for good cause shown, the county recorder shall require, without limitation, the taxpayer to submit evidence that the assessment of penalties and interest:~~

~~—(a) Constitutes an extreme financial hardship to the taxpayer;~~

~~—(b) Is equal to or greater than two thirds of the amount of tax which is due; or~~

~~—(c) Is extremely unfair or inequitable under the circumstances.~~

~~—6.]~~ The county recorder shall not consider an application to waive or reduce penalties or interest, or both, imposed upon a taxpayer if the assessment of tax is accompanied by the assessment of a penalty based upon ~~[negligence,]~~ fraud or intent to evade the tax ~~[.~~

~~—7. As used in this section, “extreme financial hardship” means that the person who owes the tax has the present ability to pay the tax, but payment of the penalties and interest will render the person insolvent and, if applicable, unable to continue in business.] pursuant to NRS 375.110, unless the county recorder determines that there is insufficient evidence to show fraud or intent to evade the tax.~~

5. If the county recorder denies an application for a waiver or reduction of the penalty or interest for a delinquent payment and a notice of appeal is filed with him in a timely manner pursuant to NRS 375.320, the county recorder shall set a date for a hearing before a hearing officer and notify the parties of the date, place and time of the hearing at least 21 working days before the date of the hearing. The hearing must be conducted in compliance with the provisions of NAC 375.300 to 375.330, inclusive.

The Department of Taxation, as staff to the Nevada Tax Commission, solicited comment from the public by sending notices of workshops and hearings by electronic or regular mail as follows:

<u>Date of Notice</u>	<u>Workshop/ Hearing</u>	<u>Date of Workshop</u>	<u>Number Notified</u>	<u># Representing Businesses</u>
October 6, 2003	Workshop	November, 5, 2003	342	183
October 6, 2003	Workshop	November 19, 2003	342	183
December 30, 2003	Hearing	February 2, 2004	350	185
January 28, 2004	Workshop	February 19, 2004	350	185
January 28, 2004	Hearing	March 1, 2004	350	185

The mailing list included the interested parties list maintained by the Department, as well as officials of local jurisdictions subject to these regulations.

Many oral and written comments were received at the workshops, particularly with regard to new proposed language on the Real Property Transfer Tax. A copy of the audio taped comments or the record of proceedings may be obtained by calling the Nevada Department of Taxation at (775) 684-2041 or by writing to the Department of Taxation, 1550 East College Parkway, Carson City, Nevada 89706, or by e-mailing the Department at mmjacobs@tax.state.nv.us.

The proposed permanent regulation was submitted to the Legislative Counsel Bureau on December 9, 2003. The Legislative Counsel Bureau completed its review and revisions on January 23, 2004. As a result of the changes made by the Legislative Counsel Bureau, an additional workshop was held on February 19, 2004.

- 2. The number persons who:**

(a) Attended and testified at each workshop:

<u>Date of Workshop</u>	<u>Attended</u>	<u>Testified</u>
November 5, 2003	22	15
November 19, 2003	14	12
February 19, 2004	10	8

(b) Attended and testified at each hearing:

<u>Date of Hearing</u>	<u>Commission/Public Attended</u>	<u>Commission/Public Testified</u>
February 2, 2004	7/80	7/2
March 1, 2004	7/60	7/3

(c) Submitted to the agency written comments: 3 documents were submitted by the Department of Taxation: proposed tax distribution tables; proposed audit manual; and proposed language changes.

3. A description of how comment was solicited from affected businesses, a summary of their response, and an explanation how other interested persons may obtain a copy of the summary.

Comments were solicited from affected and interested businesses and persons, including title companies, by notices posted at the Nevada State Library; various Department of Taxation locations throughout the state; and at the Main Public Library in counties where an office of the Department of Taxation is not located. Comments were also solicited by direct mail to county recorders, treasurers, district attorneys, and assessors, as well as to the interested parties list maintained by the Department. Approximately 75% of the approximately 250 direct mail notices were sent to individuals or associations representing business.

Recorders commented on all of the proposed language changes during the workshop process. Members of the Tax Commission commented during the Adoption Hearing.

A copy of the audio taped comments or the record of proceedings may be obtained by calling the Nevada Department of Taxation at (775) 684-2041 or by writing to the Nevada Tax Commission, c/o Department of Taxation, 1550 East College Parkway, Carson City, Nevada 89706, or by e-mailing the Department at mmjacobs@tax.state.nv.us

4. If the regulation was adopted without changing any part of the proposed regulation, a summary of the reasons for adopting the regulation without change.

The permanent regulation was adopted with changes reflecting the verbal and written comments submitted to, or received by, the Department of Taxation primarily from County Recorders, the Nevada Taxpayers Association, and the general public during the workshops listed above. The Nevada Tax Commission adopted the permanent regulation

as revised in workshops and at the adoption hearing; and believed no changes other than those made were necessary.

- 5. The estimated economic effect of the adopted regulation on the businesses which it is to regulate and on the public. These must be stated separately, and each case must include:**
- (a) Both adverse and beneficial effects; and**
 - (b) Both immediate and long-term effects.**

The Commission has found that the regulation does not impose a direct and significant burden upon businesses and the public in Nevada based on the following facts: (1) the permanent regulation implements sections 124 through 140, inclusive, of Senate Bill No. 8 of the 20th Special Session. It has no economic impact independent of the economic impact created by the subject legislation. (2) The permanent regulation identifies the coordination responsibilities of the Department related to the collection and administration of the tax. These activities include collecting and reviewing district attorney opinions for consistency; the county information to be audited; the periodic reports to be prepared; and the type of assistance to be rendered to requesting counties.
