EXPLANATION – Matter in *italics* is new; matter in brackets ~~omitted material~~ is material to be omitted.

AUTHORITY: §§1-9, NRS 679B.130 and 687B.430.

A REGULATION relating to insurance; requiring an issuer of a policy to supplement Medicare or certificate to provide standardized benefit plans to certain insureds; requiring an issuer to provide notice of lapse of a policy to supplement Medicare or certificate for nonpayment of a premium; revising the outline of coverage for policies supplementary to Medicare; and providing other matters properly relating thereto.

Section 1. Chapter 687B of NAC is hereby amended by adding thereto the provisions set forth as sections 2 to 5, inclusive, of this regulation.

Sec. 2. 1. *Except as otherwise provided in subsection 2, an issuer shall, at the request of an insured, replace a policy to supplement Medicare or certificate which was issued before January 1, 1992, with any standardized benefit plan offered by the issuer.*

2. An issuer may refuse a request made pursuant to subsection 1 for the issuance of a standardized benefit plan to replace a policy to supplement Medicare or certificate which was issued before January 1, 1992, if:

(a) The standardized benefit plan includes more coverage for prescription drugs than the policy to supplement Medicare or certificate; or

(b) The insured does not otherwise qualify for the standardized benefit plan.

3. If an insured requests a standardized benefit plan to replace a policy to supplement Medicare or certificate pursuant to subsection 1 from an issuer that establishes the rates of a standardized benefit plan on the basis of the age of an applicant on the date his application is submitted, the issuer must use the age of the insured at the time the policy to supplement Medicare or certificate was issued to establish the rate for the standardized benefit plan.

Sec. 3. *1. An issuer may not terminate a policy to supplement Medicare or certificate advertised, solicited or issued for delivery in this state based on the lack of payment of the premium on or before the date the premium is required to be paid, unless the insured and each person designated by the insured pursuant to section 4 of this regulation has received a notice sent by the issuer stating that the policy has lapsed and may be terminated for nonpayment of the premium.*

2. For the purposes of this section, the notice:

(a) Must be sent by first-class mail, postage prepaid, and addressed to the person at his last known address.

(b) Shall be deemed to have been received by the insured or the person designated by the insured pursuant to section 4 of this regulation on the fifth day after the date on which the issuer mails the notice.

Sec. 4. *1. An issuer shall not issue a policy to supplement Medicare or certificate advertised, solicited or issued for delivery in this state until the issuer has received from the applicant a designation of one or more persons to receive notice of lapse or a waiver pursuant to subsection 2.*

2. *Each applicant shall submit to the issuer of the policy to supplement Medicare or the certificate:*

(a) A written designation of one or more persons other than the applicant to receive notice from the issuer that the policy to supplement Medicare or the certificate has lapsed and may be terminated for nonpayment of a premium; or

(b) A written waiver which is dated and signed by the applicant and which:

(1) Indicates that the applicant does not wish to designate any person other than the applicant to receive notice that the policy to supplement Medicare or the certificate has lapsed and may be terminated for nonpayment of a premium; and

(2) Includes the statement required pursuant to subsection 4.

3. *The form provided by an issuer for making a designation pursuant to paragraph (a) of subsection 2 must provide space clearly designated for listing at least one person to receive notice. A designation made pursuant to paragraph (a) of subsection 2:*

(a) Must include the full name and address of the person designated; and

(b) Does not constitute acceptance by the person designated of any liability for services provided to the applicant.

4. *A waiver submitted pursuant to paragraph (b) of subsection 2, must contain the following statement:*

Protection Against Unintended Lapse

I understand that I have the right to designate at least one person other than myself to receive notice of lapse of this policy to supplement Medicare or

certificate for nonpayment of a premium. I elect NOT to designate a person to receive this notice.

5. An issuer shall, at least once every 2 years, notify an insured of his right to make or change a written designation pursuant to subsection 2.

Sec. 5. 1. *A policy to supplement Medicare or certificate advertised, solicited or issued for delivery in this state must include a provision which provides that, in the event of a lapse in coverage of the policy or certificate for nonpayment of a premium, coverage will be reinstated if:*

(a) Reinstatement is requested within 5 months after the date of lapse of coverage; and

(b) Proof of cognitive impairment or loss of functional capacity of the insured before the lapse of coverage or the expiration of any grace period contained in the policy to supplement Medicare or the certificate is provided to the issuer.

2. For the purposes of subsection 1, an issuer shall not use a standard of proof of cognitive impairment or loss of functional capacity that is more stringent than the criteria regarding cognitive impairment or loss of functional capacity for a determination of eligibility for benefits contained in the policy to supplement Medicare or the certificate.

Sec. 6. NAC 687B.200 is hereby amended to read as follows:

687B.200 As used in NAC 687B.200 to 687B.330, inclusive, *and sections 2 to 5, inclusive, of this regulation*, unless the context otherwise requires, the words and terms defined in NAC 687B.201 to 687B.2045, inclusive, have the meanings ascribed to them in those sections.

687B.250 1. Each issuer shall provide an outline of coverage to each applicant at the time the application is presented to the applicant and, except in the case of a direct response policy, shall obtain an acknowledgment from the applicant that he has received the outline.

2. The substitute outline must contain the following statement, in not less than 12-point type, immediately above the name of the company:

* The High Deductible Benefit Plans F and J offer benefits similar to the benefits offered by the Standardized Benefit Plans F and J except that the high deductible benefit plans require a higher deductible. ~~For the calendar year 2002, the High Deductible Benefit Plans F and J require the insured to pay an annual deductible in the amount of \$1,620, and thereafter those plans require the insured to pay an annual deductible that is adjusted by the Commissioner in the manner set forth in subsection 2 of NAC 687B.311 and subsection 2 of NAC 687B.319, as appropriate.~~ *The annual deductibles for the High Deductible Benefit Plans F and J are subject to change. For the current deductibles, please consult the most current version of the [Guide to Health Insurance for People with Medicare](#) which must be provided by an issuer to an applicant pursuant to NAC 687B.240. The cover page of the outline of coverage which must be provided to an applicant by an issuer pursuant to this section must specify the current amount of the deductible. The annual deductibles for the High Deductible Benefit Plans F and J may be adjusted annually by the Secretary of the United States Department of Health and Human Services to reflect the change in the*

Consumer Price Index for All Urban Consumers published by the United States Department of Labor for the calendar year ending on July 31 of the immediately preceding year, and rounded to the nearest multiple of \$10. Benefits for the High Deductible Benefit Plans F and J begin after the insured has paid the annual deductible for expenses that would ordinarily be paid by the plans, including, without limitation, the Medicare Part A deductible and the Medicare Part B deductible. The annual deductible must be paid in addition to the premium and in addition to any other deductibles relating to a specific benefit, including, without limitation, the deductible for prescription drugs, if applicable, and the deductible for emergency care received in a foreign country.
