INFORMATIONAL STATEMENT

The following is an informational statement for an adoption to the Nevada Administrative Code (NAC) 648, to allow a licensed private investigator to be able to serve legal process in conjunction with an ongoing investigation.

LCB File No. R016-05 was noticed for public workshop on May 8, 2006, at the Office of the Attorney General, Mock Courtroom, 100 North Carson Street, Carson City Nevada and video-conferenced to the Attorney General's Office, 555 E. Washington Avenue Suite 4500, Las Vegas Nevada. R016-05 was submitted to the Legislative Counsel Bureau in July of 2005.

The notice of hearing was posted at the following locations:

Private Investigators Licensing Board
Office of the Attorney General, Carson City
Legislature Building, Carson City Office of the Attorney General, Las Vegas
Nevada State Library, Carson City
Washoe County Library, Reno Nevada
Clark County Library, Las Vegas, Nevada
Grant Sawyer State Office Building, Las Vegas Nevada

Copies of the proposed regulations were also made available at the Private Investigators Licensing Board for inspection by the public during business hours. The Board received several written comments. A public hearing was held March 22, 2006 at the Office of the Attorney General, Grant Sawyer State Office Building, 555 E. Washington Avenue Suite 4500, Las Vegas Nevada and video conferenced to The Office of the Attorney General, 100 N. Carson Street, Mock Courtroom, Carson City, Nevada, in accordance with Nevada Revised Statue (NRS) 233B. A written comment with an amendment to the proposed regulation was submitted to our office and distributed to the Board members at the Public Hearing. A workshop and public hearing was held on June 21, 2006 at the Office of the Attorney General, 100 N. Carson Street, Mock Courtroom, Carson City, Nevada and video conferenced to Office of the Attorney General, Grant Sawyer State Office Building, 555 E. Washington Avenue Suite 4500, Las Vegas, Nevada

Copies of the proposed amendment were sent to those persons who are licensed and would be affected. They are licensed pursuant to NRS 648. Copies were also sent to all Nevada County Public Libraries for compliance with NRS 233B.066. Seven individuals signed in for the

Board meeting on March 22, 2006, and one person remained for the public workshop in Carson City. Five people were present in Las Vegas. The five individuals in attendance in Las Vegas testified in opposition of the proposed regulation as written with the term “any legal process.” At the June 21, 2006 work shop portion the same individuals that were in attendance at the March hearing testified in opposition to the proposed regulation as written. The Board and the licensees worked together on the final drafted language.

At the public hearing, R016-05 was read and discussed briefly. After hearing all the opposition from the licensed Process Servers, the Board decided not to take action at the March 22, 2006 public hearing meeting, but to bring it to the June meeting. At the June 21, 2006 public hearing the Board listened to the testimony of six licensed process servers as to why they held dual licenses and why the private investigators should not be allowed to serve “any legal process’ without a process server license. Two written comments were received. One of the written comments was in favor of allowing private investigators to have the ability to serve “any legal process” in conjunction with an ongoing case. The other was in opposition of the regulation. After some Board discussion the language was changed back to an original version of the amended regulation to read “A private investigator who holds a license issued pursuant to this chapter and chapter 648 of NRS may serve a *subpoena* issued in conjunction with an ongoing investigation that the private investigator is conducting if he does not charge a fee to serve the *subpoena*.” This was acceptable to the process server industry and the Board adopted the regulation with the amendment. One Board member was opposed, the vote carried three to one.

Interested persons may obtain a copy of the public response and industry response by contacting the Private Investigators Licensing Board to request a copy of the minutes or visiting our website at <http://nevadapilb.glsute.us>.

It is estimated that the amendments to the regulation will have no economic impact.

It is estimated that the agency will be able to enforce the proposed regulations with minimal funds.

The amendment does not overlap or duplicate any other regulation of a state or government agency.
