**NOTICE OF ADOPTION OF PROPOSED REGULATION  
LCB File No. R026-05**

The Board of Dental Examiners of Nevada adopted regulations assigned LCB File No. R026-05 which pertain to chapter 631 of the Nevada Administrative Code on December 22, 2005.

**Notice date:** 11/16/2005  
**Hearing date:** 12/22/2005

**Date of adoption by agency:** 12/22/2005  
**Filing date:** 12/29/2005

**INFORMATIONAL STATEMENT**

1. A description of how public comment was solicited, a summary of public response, and an explanation how other interested persons may obtain a copy of the summary.

A public workshop was held November 15, 2005 and was posted in compliance with the Nevada administrative rulemaking requirements. The workshop was then followed by a public hearing and adoption on December 22, 2005 after a thirty posting of the proposed regulations which was noticed to the main library in all counties in Nevada along with the Las Vegas and Carson City offices of the Attorney General, State Library and Archives, and the Clark County Health District as well as the board website and both professional associations. Public comment was sought; however no comment was forthcoming at the workshop, nor the hearing except to note a typographical error on the posting for the workshop which was corrected for the adoption posting. A copy of the written minutes of the meeting may be obtained by contacting the Nevada State Board of Dental Examiners at (702) 486-7044 or by writing to the Board at 6010 S. Rainbow Blvd, A-1, Las Vegas, NV 89118.

2. The number of persons who:
  - (a) Attended the hearing: approx. 14
  - (b) Testified at the hearing: approx. 0
  - (c) Submitted to the agency written comments: NONE

3. A description of how comment was solicited from affected businesses, a summary of their response, and an explanation how other interested persons may obtain a copy of the summary.

Public notices of the workshop and hearing were posted at a site in each county along with the Las Vegas and Carson City offices of the Attorney General, State Library and Archives, the Clark County Health District, and mailings of said notices to interested parties including affected practitioner associations within Nevada. Representation from one affected practitioner association was present at the workshop and adoption hearing and offered no comment. Practitioners were present at the workshop and offered no comment nor asked questions. A copy of the written minutes of the workshop and meeting may be obtained by contacting the Nevada State Board of Dental Examiners at (702) 486-7044 or by writing to the Board at 6010 S. Rainbow Blvd, A-1, Las Vegas, NV 89118.

4. If the regulation was adopted without changing any part of the proposed regulation, a summary of the reasons for adopting the regulations without change.

The permanent regulations were adopted at the Nevada State Board of Dental Examiners hearing on December 22, 2005 with no changes. Public comment at the workshop and hearing on November 15, 2005 and December 22, 2005 was solicited but not forthcoming. No substantive changes were made to the proposed regulations other than minor changes made by the Legislative Counsel Bureau for consistency as well as change to biennial renewal versus annual renewal consistent with SB250.

5. The estimated economic effect of the adopted regulations on the businesses that it is to regulate and on the public. These must be stated separately, and each case must include: (a) both adverse and beneficial effects; and (b) both immediate and long-term effects.

(a) Both adverse and beneficial effects.

There are no adverse effects as the regulations for fees now exist and are consistent with NRS 631.345 as well as fees having been assessed by the board consistent with statute limits.

(b) Both immediate and long-term effects.

Immediate effects are clearer statements of fees for all licensees and prospective licensees.

6. The estimated cost to the agency for enforcement of the adopted regulation.

There is no additional cost to the board for enforcement of the regulation.

7. A description of any regulations of other state or government agencies that the proposed regulation overlaps or duplicates, and a statement explaining why the duplication or overlapping is necessary. If the regulation overlaps or duplicates a federal regulation, the name of the regulating agency.

There are no other state or government agency regulations that the proposed regulation duplicates.

8. If the regulation includes provisions that are more stringent than a federal regulation that regulates the same activity, a summary of such provisions.

There are no federal regulations providing these provisions.

9. If the regulation provides a new fee or increases an existing fee, the total annual amount the agency expects to collect and the manner in which the money will be used.

These regulations do not provide or involve a new fee but instead state in regulation the current fees assessed by the board pursuant to NRS 631.345. Further, there were slight increases in non-license fees for anesthesia permitting which apply to the cost of evaluating and inspecting offices and administrators for conscious sedation and general anesthesia.
