

**PROPOSED REGULATION OF THE BOARD OF
DENTAL EXAMINERS OF NEVADA**

(This proposed regulation was previously adopted as T051-05)

NAC 631.173 Continuing education: Required hours; types of courses and activities; approval of provider or instructor. (NRS 631.190, 631.342)

1. Each dentist licensed to practice in this State shall complete annually at least 20 hours of instruction in approved courses of continuing education. Hours of instruction may not be transferred or carried over from one licensing period to another.

2. Each dental hygienist licensed to practice in this State shall complete annually at least 15 hours of instruction in approved courses of continuing education. Hours of instruction may not be transferred or carried over from one licensing period to another.

3. In addition to the hours of instruction prescribed in subsections 1 and 2, each dentist and dental hygienist shall maintain current certification in administering cardiopulmonary resuscitation or another medically acceptable means of maintaining basic bodily functions which support life. Any course taken pursuant to this subsection must be taught by a certified instructor.

4. Any provider of or instructor for a course in continuing education relating to the practice of dentistry or dental hygiene which meets the requirements of this section must be approved by the Board, unless the course is for training in cardiopulmonary resuscitation or is approved by:

- (a) The American Dental Association or the societies which are a part of it;
- (b) The American Dental Hygienists' Association or the societies which are a part of it;
- (c) The Academy of General Dentistry;
- (d) Any nationally recognized association of dental or medical specialists;
- (e) Any university, college or community college, whether located in or out of Nevada; or
- (f) Any hospital accredited by the Joint Commission on the Accreditation of Healthcare Organizations.

5. To be approved as a provider of a course in continuing education, the instructor of the course must complete a form provided by the Board and submit it to the Board for review by a committee appointed by the Board not later than 45 days before the beginning date of the course. Upon receipt of the form, the committee shall, within 10 days after receiving the form, approve or disapprove the application and inform the applicant of its decision.

6. Study by group may be approved for continuing education if the organizer of the group complies with the requirements of subsection 5 and furnishes the Board with a complete list of all members of the group, a synopsis of the subject to be studied, the time, place and duration of the meetings of the group and the method by which attendance is recorded and authenticated.

7. Credit may be allowed for attendance at a meeting or a convention of a dental and dental hygiene society.

8. Credit may be allowed for courses completed at home which are taught through correspondence or video cassettes.

9. Credit may be allowed for dental and dental hygiene services provided on a voluntary basis with non-profit agencies and organizations approved by the Board.
