NOTICE OF INTENT TO ACT UPON A REGULATION

**Notice of Hearing for the Adoption of Permanent Regulations of the Transportation
Services Authority of Nevada**

The Transportation Services Authority of Nevada will hold a PUBLIC HEARING at 10:00 AM on February 7, 2006, at 2290 South Jones, Suite 110, Las Vegas, Nevada. In addition, interested parties may participate, via teleconferencing, at the Sparks Location; 75 Bank Street, Sparks, Nevada 89431. The purpose of the hearing is to receive public comments from all interested persons and take any necessary and appropriate action regarding the adoption of regulations that pertain to the regulation of common and contract carriers under Chapter 706 of the Nevada Administrative Code.

The following information is provided pursuant to the requirements of NRS 233B.0603:

1. The proposed revisions to Chapter 706 of the Nevada Administrative Code are needed to ensure that customers, clients and passengers of all common and contract carriers are properly advised that complaints or commendations concerning services provided can be filed with the Transportation Services Authority.
2. The proposed revisions to the Authority's regulations require carriers regulated by the Transportation Services Authority to properly advise their customers, clients and passengers that complaints or commendations concerning services provided can be filed with the Transportation Services Authority. A draft of the proposed regulation is available by contacting the Transportation Services Authority at 2290 South Jones, Suite 110, Las Vegas, Nevada 89143, or by calling the Authority at 702-486-3303 or 775-688-2800.
3. Estimated economic effect of the regulations:
 - a. On the businesses that the proposed regulations are intended to regulate, the proposed regulatory changes should have neither an immediate nor long-term impact of any significance on the industry. This assessment is based not only upon nature of the proposed revisions, but also reflects the failure of any carrier to identify any economic impact when such information was solicited at the December 6, 2005 Workshop.
 - b. The proposed additions should have no economic impact on the public.
4. The Authority does not expect to incur any additional expenses as a result of the proposed regulation.

5. The Authority is not aware of any overlap or duplication of any proposed regulation with any state or local regulations.
6. There are no requested increases in fees.

Persons wishing to comment upon the proposed action of the Authority may appear at the scheduled public hearing or may address their comments, data, views or arguments in written form to the Transportation Services Authority of Nevada, 2290 South Jones Avenue, Suite 110, Las Vegas, Nevada 89146. If no person who is directly affected by the proposed action appears to request time to make an oral presentation, the Authority may proceed immediately to act upon any written submissions.

A copy of this notice and the proposed regulation will be on file at the State Library, 100 Stewart Street, Carson City, Nevada, for inspection by members of the public during normal business hours. Additional copies of the notice and the regulations to be amended will be available at the offices of the Authority at 2290 South Jones, Suite 110, Las Vegas, Nevada 89146; and 75 Bank Street, Sparks, Nevada 89431, and in all counties in which an office of the agency is not maintained, at the main public library, for inspection and copying by members of the public during normal business hours. A reasonable charge may be imposed for copies if it is deemed necessary.

Upon adoption of any regulation, the agency, if requested to do so by an interested person, either before adoption or within 30 days thereafter, will issue a concise statement of the principal reasons for and against its adoption, and incorporate therein its reasons for overruling the consideration urged against its adoption.
