**Sec. 9.** NAC 502.421 is hereby amended to read as follows:

502.421 1. The Department shall cause the computer to generate an alternate list for tags after the drawing for a hunt is completed. Even if the first person selected for an alternate list has the same drawing number as the last person selected to receive a tag in the drawing, the Department shall accept those selections as final.

2. If the return of tags for a refund, pursuant to subsection 2 of NAC 502.422, reduces the number of tags awarded for an area and season to less than the quota for that area and season, the Department shall refill the quota by awarding tags:

(a) First, pursuant to NAC 502.4195, from applications rejected because of an error by the Department; and

(b) Then from the alternate list, unless there are fewer than 2 days remaining until the opening day for that season.

3. Except as otherwise provided in subsection 4, in awarding tags from an alternate list for a hunt, the Department shall:

(a) Select the eligible applicant appearing on the list who:

If the applicant failed to provide the Department with such a number, or the Department is unable to notify the applicant and obtain his acceptance of the tag, the Department shall bypass his name in favor of the next qualified applicant. The Department shall maintain a documentary record of each attempt to notify an

applicant pursuant to this paragraph. The last attempt must be made by an employee of the Department other than an employee who placed any of the first three calls.

4. If the Department is unable to collect any fee that is required to be submitted with an application for a hunting license or tag because the method of payment is rejected during the processing of the fee for the license or tag, the Department shall, if more than 2 days remain until the opening day for the hunt, select an eligible applicant from the alternate list for the hunt and season who:

- (a) Has the drawing number with the highest priority; and
- (b) Has indicated as his first choice the area and season for which the quota is being filled.

5. *Eligible applicants will be displayed on the alternate list as individual persons even though they applied for tags as a party in the draw. The order in which such persons are displayed on the alternate list is random and final.*

6. As used in this section, “drawing number” means a number assigned by the computer to an application to denote the priority it will receive in a drawing.

If the holder obtained his hunting license with his tag, the hunting license may be returned with the tag.

3. If a refund is provided pursuant to this section, the Department shall:

(a) Return all the fees submitted with the application for the tag except the fees required pursuant to NRS 502.253 and NAC 502.331; and

(b) Except as otherwise provided in subsection 2 of NAC 502.4225, treat the recipient of the refund, with respect to his eligibility to obtain a tag and to be awarded a bonus point, as if the tag had not been issued and the applicant was unsuccessful.

4. Except as otherwise provided in NAC 502.421, the Department is not required to refill a quota for the issuance of tags if the application of this section reduces the number of tags issued to less than a quota.

**Sec. 11.** NAC 502.4237 is hereby amended to read as follows:

502.4237 1. If the Department conducts a drawing for the issuance of nonresident deer tags pursuant to the provisions of NRS 502.147, the Department shall provide to the master guides specified on the applications submitted notification by mail of the date, time and location of the drawing.
