**370A.050 Monthly reports by wholesale dealers. (NRS 360.090, 370A.130)**

1. Each wholesale dealer shall submit to the Department each month a report indicating the number of cigarettes manufactured by a manufacturer of tobacco products who is not a participating manufacturer that were sold by the wholesale dealer during the previous month. The number of cigarettes sold during the previous month must be measured by the excise taxes collected by this state on packs of cigarettes and containers of “roll-your-own” tobacco in the manner set forth in NRS 370A.120 for determining the number of units sold. For each cigarette sold during the previous month, the report must indicate:

(c) The name and address of the manufacturer of tobacco products who manufactured the cigarette, if known;

(d) If the name and address of the manufacturer of tobacco products who manufactured the cigarette is not known, the name and address of the exclusive distributor or importer of the cigarette, if known; and

(e) The name and address of the person from whom the wholesale dealer purchased the cigarette, if that person was not listed pursuant to paragraph (c) or (d).

2. The report required pursuant to this section must also contain:

- (a) The number of cigarettes contained in all packs of cigarettes upon which the wholesale dealer affixed a revenue stamp during the previous month;
- (b) The weight, in ounces, of “roll-your-own” tobacco upon which the excise taxes are due from the wholesale dealer;

- (II) Pursuant to subsection 2 of NRS 370A.160, been brought into compliance with NRS 370A.140 and subsection 1 of NRS 370A.160.

3. If the wholesale dealer affixed a revenue stamp to the pack containing a cigarette, that cigarette must be included in the report required pursuant to this section whether, at the time the revenue stamp was affixed, that cigarette was owned by:

- (a) The wholesale dealer; or

- (b) A person other than the wholesale dealer.

4. The report required pursuant to this section must be submitted:

- (a) On a form prescribed by the Department; or

- (b) Electronically, in a format prescribed by the Department.

5. Except as otherwise provided in subsection 6, the report required pursuant to this section must be submitted:

(a) On the same date as a report submitted by the wholesale dealer pursuant to NRS 370.240 or 370.465, if the wholesale dealer submits a report pursuant to NRS 370.240 or 370.465; or

(b) Not later than the last date on which a report could be submitted pursuant to NRS 370.240 or 370.465, if the wholesale dealer does not submit a report pursuant to NRS 370.240 or 370.465.

6. If the number of cigarettes to be reported pursuant to subsection 1 for a month is less than 10,000, the wholesale dealer may make written application to the Department to submit the report for that month on a date later than the date specified in subsection 5. The Department may approve a written application pursuant to this subsection if the date requested by the wholesale dealer in the application for submitting the report is not later than 12 months after the date specified in subsection 5 for submitting the report.

7. Each wholesale dealer shall maintain a copy of each report submitted pursuant to this section for not less than 4 years after the date the report was submitted.

**370A.060 Reports by wholesale dealers owned by certain noncomplying manufacturers. (NRS 360.090, 370A.130)**

1. If a wholesale dealer is owned in whole or in part by a manufacturer of tobacco products who is not in compliance with NRS 370A.140 and subsection 1 of NRS 370A.160, the wholesale dealer may not submit a report required pursuant to NAC 370A.050 until:

(a) For the first violation within 7 years, a fine of \$1,000;

(b) For a second or subsequent violation within 7 years, a fine of \$5,000; or

(c) For a third or subsequent violation within 7 years, revocation of the license of the wholesale dealer.
