AUTHORITY: §§1-16, NRS 610.090.

- **Section 1.** Chapter 610 of NAC is hereby amended by adding thereto the provisions set forth as sections 2 to 6, inclusive, of this regulation.
- Sec. 2. 1. If a program of apprenticeship is proposed by an employer or association of employers for registration with the Council and the standards, collective bargaining agreement or other instrument of the program provides for participation by a union in any manner in the operation of the substantive matters of the program, and the union chooses to participate, the employer or association of employers shall provide to the Council a written acknowledgment by the union that the union does not object to the program of apprenticeship.
- 2. If the union does not choose to participate in the operation of the substantive matters of a program, the employer or association of employers shall provide the union with a copy of the application for registration and the proposal for a program of apprenticeship.
- 3. The Council will provide a reasonable time period of not less than 30 days but not more than 60 days to receive comments from the union, if any, before taking final action on an application for registration.
- **Sec. 3.** 1. A sponsor is deemed to be fulfilling its obligation to provide equal opportunity for employment if the sponsor meets the goals and timetables established pursuant to NAC 610.720 or if it makes a good faith effort to meet such goals and timetables.
- 2. If a sponsor fails to meet its goals and timetables, the Council will give the sponsor an opportunity to demonstrate that it has made a good faith effort to meet such goals and timetables. The Council will review and evaluate the actions of the sponsor in determining whether the sponsor has made a good faith effort to meet its goals and timetables.

- Sec. 4. 1. One or more sponsors within a community may establish a private review body which uses fair, speedy and effective procedures to consider complaints which allege a failure to follow the standards of equal opportunity. The body must consist of at least three members who:

- (c) If a program does not establish a private review body, the Council will conduct the review.
- 3. The Council will, within 30 days after referring a complaint to a private review body, obtain from the private review body a record of the body's disposition of the complaint. If the Council accepts the disposition and finds that there was no failure to follow the standards of equal opportunity, the complaint is deemed denied by the Council.
  - 4. The Council may conduct a hearing on any complaint which:
- (a) A public review body fails to resolve within 90 days after receiving the complaint from the Council; or
- (b) Is resolved in favor of a sponsor by a private review body but which presents evidence that a practice of equal opportunity used in a program of apprenticeship violates the provisions of NAC 610.510 to 610.990, inclusive, and sections 2 to 6, inclusive, of this regulation.
- 5. Every sponsor shall give written notice of the provisions of this section to every applicant for an apprenticeship and to every apprentice.

- Sec. 6. 1. The Director shall appoint a hearing officer within 10 days after receipt of a request for a hearing.
- 2. The notice required by NRS 233B.121 to be sent to all affected parties must be sent by certified mail with return receipt requested.

- 2. The Council will provide a reasonable time, not less than 30 days or more than 60 days, for the registered sponsor to comment on the proposed program before taking final action on the application for registration.
- 3. Any registered sponsor who elects to comment may request in its written comments that it be allowed to become a party of record to the application for the proposed program of apprenticeship. If the registered program demonstrates to the Council that it has a direct and substantial interest in the application for the program of apprenticeship, the Council shall make the registered sponsor a party of record to the application and shall provide written notice to the registered sponsor and the applicant of such action. Once the Council has made a registered sponsor a party of record, the registered sponsor shall receive notice of any matter on the application, including any final action taken on the application by the Council.
- 4. The registered sponsor, as a party of record, may appeal the Council's final action on the application to the Labor Commissioner. If the registered does not appeal the Council's final action to the Labor Commissioner, but the applicant for the proposed program does, the registered sponsor shall be given notice of the appeal and shall have a right to participate, as a party of record in the appeal so taken.
