DEPARTMENT OF MOTOR VEHICLES**

**NOTICE OF PUBLIC HEARING & WORKSHOP  
FOR THE ADOPTION OF PERMANENT REGULATIONS FOR  
THE DEPARTMENT OF MOTOR VEHICLES**

The Department of Motor Vehicles will hold public workshops and hearings at the following location on the date and time specified:

**PUBLIC WORKSHOP**

**Reno**

Thursday, January 24<sup>th</sup>, 2008 at 10:00 am  
Washoe County Health Department  
1001 E. 9<sup>th</sup> St. Bldg. C, Room #110  
Reno, NV. 89512

**PUBLIC WORKSHOP/HEARING**

**Las Vegas**

Tuesday, January 29<sup>th</sup>, 2008 at 1:00 pm  
McCarran International Airport  
“Commissioner’s Conference Room” Located on the 5<sup>th</sup> Floor  
5757 Wayne Newton Blvd.  
Las Vegas, NV. 89111-5000

The purpose of this Workshop/Hearing is to solicit comments from all interested persons regarding:

▪ **Hearing Only:**

- R008-07 – Revises the requirements to schedule administrative hearings.

▪ **Workshop Only:**

- R022-07 – Revises requirements for maintaining approved analyzers at test stations.
- R105-07 – Revises provisions concerning the testing of light-duty motor vehicles powered by diesel engines.
- R129-07 – Revises provisions relating to devices for the control of pollution installed in a motor vehicle.

If no person who is directly affected by the proposed action appears to request time to make an oral presentation, the Department of Motor Vehicles may proceed immediately to act upon any written submissions.

R105-07, if adopted has potential to increase the amount of failures related to light duty diesel vehicles. It is anticipated that motorists may see an increase in costs for emission related repairs associated to the annual test. Emission stations may experience a change in how certain test equipment operates, as a Manual Mode may have to be used instead of a programmed test procedure.

There is no economic effect of the regulation on the public, nor is there a cost to the agency for enforcement of the proposed regulations with regards to R008-07, R022-07 and R129-07.

The proposed amendment of regulations pertaining to Chapter 445B of the Nevada Administrative Code do not overlap or duplicate that of any other state or local governmental agency. These regulations are not required pursuant to federal law, nor does the federal government regulate similar activities.

Persons wishing to comment upon the proposed action of the Department of Motor Vehicles may appear at the scheduled public workshops or may address their comments, data, views, or arguments, in written form to:

Ivie Harper, Administrative Assistant III  
Nevada Department of Motor Vehicles  
Compliance Enforcement Division  
555 Wright Way, Carson City, NV 89711

Written submission must be received by Department of Motor Vehicles on or before January 21, 2008.

A copy of this notice and the regulations to be adopted and/or amended will be on file at the State Library, 100 Stewart Street, Carson City, Nevada, for inspection by members of the public during business hours. Additional copies of this notice and regulations to be adopted and/or amended will be available at each of the Department of Motor Vehicles listed, and at the main public libraries listed, for inspection and copying by members of the public during business hours. Copies of this notice and the proposed regulation will also be mailed to members of the public upon request. A reasonable fee may be charged for copies if it is deemed necessary.

Upon adoption of any regulation, the agency, if requested to do so by an interested person, either before adoption or within 30 days thereafter will issue a concise statement of the principal reasons for and against its adoption and incorporate therein its reason for overruling the consideration urged against its adoption.
