EXPLANATION – Matter in *italics* is new; matter in brackets ~~omitted material~~ is material to be omitted.

AUTHORITY: §§1-13, NRS 391.019.

A REGULATION relating to educational personnel; revising the provisions governing licensure and endorsement to teach occupational education; revising the provisions governing a business and industry endorsement; and providing other matters properly relating thereto.

Section 1. NAC 391.030 is hereby amended to read as follows:

391.030 1. Except as otherwise provided in subsection 2, as a qualification for becoming a licensed employee of a school district, a person must:

(a) Complete courses covering:

(1) Title 34 of NRS;

(2) The Constitution of the State of Nevada; and

(3) ~~The~~ *Except as otherwise provided in paragraph (b) of subsection 4 of NAC*

391.425, the Constitution of the United States; or

(b) Hold a license which is not renewable and allows him 3 years to:

(1) Take courses on those subjects from an accredited university or college; or

(2) Pass an examination developed by the Department in those subjects, by achieving the passing score set by the Commission.

2. A person is exempt from the requirements of subparagraph (3) of paragraph (a) of subsection 1 if he submits to the Department evidence that he holds a license to teach which was issued by another state and has more than 3 years of experience in teaching, administrating or providing other educational functions, or any combination thereof, on a full-time basis at any grade level in prekindergarten through grade 12.

3. The staff of the Department or representatives appointed by the Department will administer an examination in the subjects set forth in subsection 1 in November and May in each school year.

Sec. 2. NAC 391.036 is hereby amended to read as follows:

391.036 1. Except as otherwise provided in this section, subparagraph (8) of paragraph (a) of subsection 1 of NRS 391.019, NAC 391.0545, subsection 2 of NAC 391.0585, paragraph (b) of subsection 3 of NAC 391.233, paragraph (b) of subsection 6 of NAC 391.330, ~~and~~ subsection 5 of NAC 391.363 ~~and~~ *and paragraph (b) of subsection 4 of NAC 391.425*, an applicant who applies for an initial license must pass a competency test that has been approved by the Commission, at the level of competence specified by the Commission, in:

- (a) Basic reading, writing and mathematics;
- (b) The principles and methods of teaching; and
- (c) The subject matter of the initial area of endorsement on the license or the area of endorsement necessary for the applicant's area of assignment.

2. The Superintendent of Public Instruction may exempt an applicant from any of the tests required by subsection 1 if the applicant:

- (a) Submits to the Department evidence that he:
 - (1) Has retired from teaching in this State;

(2) Held a special license, a license to teach elementary or secondary education, or a license to teach middle school or junior high school education, which:

(I) Has expired within the 3 years immediately preceding the date on which his application was submitted;

(II) Was free from any conditions that the applicant pass a competency test; and

(III) Authorized the applicant to teach in the same grade level and subject area for which he is applying to receive an initial license;

(3) Was required, for the issuance of his expired license, to complete courses of study and experience which are substantially equivalent to the courses of study and experience required for the issuance of an initial license; and

(4) Otherwise satisfies the requirements for the issuance of an initial license; or

(b) Submits to the Department evidence that he has passed, as part of a teacher education program approved by a state and offered through a regionally accredited college or university, competency examinations equivalent to those required of the applicant by subsection 1.

3. An applicant is exempt from the requirement to pass a competency test in basic reading, writing and mathematics if he submits to the Department:

(a) Official documentation which indicates that he passed, at the level of competency specified by the Commission:

(1) The “Pre-Professional Skills Tests” in reading, mathematics and writing, prepared and administered by the Educational Testing Service; or

(2) The “California Basic Educational Skills Test,” prepared and administered by the California Commission on Teacher Credentialing;

(b) Evidence that he holds a license to teach that was issued by another state and has completed 3 years of full-time teaching within the immediately preceding 5 years in the subject area for which he is applying to receive an initial license in this State;

(c) Evidence that he:

(1) Holds a license to teach which was issued by another state;

(2) Has at least 1 year of experience in teaching, administrating or providing other educational functions, or any combination thereof, on a full-time basis at any grade level in prekindergarten through grade 12; and

(3) Has passed, at the level of competency required for licensure by the state in which his license was issued:

(I) The “Pre-Professional Skills Tests” in reading, mathematics and writing, prepared and administered by the Educational Testing Service;

(II) An equivalent examination in basic reading, mathematics and writing, prepared and administered by National Evaluation Systems, Inc.; or

(III) An equivalent examination in basic reading, mathematics and writing, prepared and administered by the state in which his license was issued;

(d) Evidence that he has received a master’s or more advanced degree from a regionally accredited college or university, the receipt of which required the passage of the “Graduate Record Examinations,” prepared and administered by the Educational Testing Service, or its equivalent;

(e) An official transcript which indicates that he achieved at least a 3.0 grade-point average in his undergraduate studies and evidence that he has taken the “Graduate Record Examinations,” prepared and administered by the Educational Testing Service, and received a score of:

- (1) At least 420 on the verbal portion of the examination;
- (2) At least 460 on the quantitative portion of the examination; and
- (3) At least 430 on the analytical portion of the examination or at least 3.5 on the analytical writing portion of the examination, as applicable; or

(f) Evidence that:

- (1) He did not pass, at the level of competency specified by the Commission, the “Pre-Professional Skills Tests” in reading, mathematics and writing, prepared and administered by the Educational Testing Service; and

- (2) After not passing the test described in subparagraph (1), he began and completed, with a grade of B or better, a course of study in a subject area approved by the Commission or the Director of Licensure for the Department.

4. An applicant is exempt from the requirement to pass a competency test in the principles and methods of teaching if he:

- (a) Submits to the Department official documentation which indicates that he passed, at the level of competency specified by the Commission, the “Professional Knowledge Test,” prepared and administered by the Educational Testing Service;

- (b) Submits to the Department evidence that he holds a license that was issued by another state and has completed 3 years of full-time teaching within the immediately preceding 5 years in the subject area for which he is applying to receive an initial license in this State;

- (c) Submits to the Department evidence that he:

- (1) Holds a license to teach which was issued by another state;

(2) Has at least 1 year of experience in teaching, administrating or providing other educational functions, or any combination thereof, on a full-time basis at any grade level in prekindergarten through grade 12; and

(3) Has passed, at the level of competency required for licensure by the state in which his license was issued:

(I) The “Professional Knowledge Test,” prepared and administered by the Educational Testing Service;

(II) An equivalent examination prepared and administered by National Evaluation Systems, Inc.; or

(III) An equivalent examination prepared and administered by the state in which his license was issued;

(d) Is applying for a license with an endorsement in an area for which training in the principles and methods of teaching is not required;

(e) Is applying for an elementary endorsement and submits to the Department evidence that he passed, at the level of competency specified by the Commission, the “Elementary Education: Curriculum, Instruction, and Assessment Test” and the “Elementary Education: Content Area Exercises Test,” both prepared and administered by the Educational Testing Service; or

(f) Is applying for a special license to teach pupils from birth through kindergarten pursuant to NAC 391.088.

5. An applicant is exempt from the requirement to pass a competency test in the subject matter of endorsement if he:

(a) Submits to the Department official documentation which indicates that he previously passed, at the level of competency specified by the Commission, the competency test in that subject matter;

(b) Is applying for an initial license with an endorsement in an area for which no competency tests have been approved by the Commission;

(c) Is applying for an endorsement to teach pupils who have speech and language impairments and submits to the Department official documentation which indicates that he has received a certificate of clinical competence from the American Speech-Language-Hearing Association;

(d) Is applying for an endorsement in family and consumer sciences and submits to the Department official documentation which indicates that he satisfactorily completed the “National Family and Consumer Sciences Certification Examination,” prepared and administered by the American Association of Family and Consumer Sciences; or

(e) Submits to the Department evidence that he:

(1) Holds a license to teach which was issued by another state;

(2) Has at least 1 year of experience in teaching, administrating or providing other educational functions, or any combination thereof, on a full-time basis at any grade level in prekindergarten through grade 12; and

(3) Has passed, at the level of competency required for licensure by the state in which his license was issued:

(I) A competency test in the subject matter of endorsement that was prepared and administered by the Educational Testing Service or National Evaluation Systems, Inc.; or

(II) An equivalent examination prepared and administered by the state in which his license was issued.

6. If a competency test in a subject matter has been reviewed by the Commission for less than 1 year but is not yet approved, an applicant must take the test, but is not required to pass the test at a level of competence specified by the Commission.

7. An applicant who fails to comply with the provisions of this section may not apply for a renewable license.

8. The tests required by subsection 1 will be administered three times each year at locations and times established by the Commission.

Sec. 3. NAC 391.075 is hereby amended to read as follows:

391.075 1. Credits for renewal may be earned by:

(a) Attending a course at, or taking a correspondence course given by, an accredited college or university, attending any state or national conference which has been approved by the Department to offer credit for continuing education or taking an in-service course offered by the Department or a continuing education course offered by a provider who is approved by the Commission if the course or conference:

(1) Is directly related to the person's current license or will enhance the effectiveness of the person's teaching;

(2) Is in a subject for which shortages of personnel, as determined by the Board, exist; or

(3) Is part of an approved program leading to an advanced degree;

(b) Engaging in foreign or domestic travel which is directly related to the area of licensure of the person and is approved not less than 30 days before departure by the Department; or

(c) Completing courses given by a provider of continuing education who is approved by the Commission.

2. One credit will be given for the completion of 15 hours of:

(a) Course work at a college or university accredited by a regional accrediting association;

(b) In-service courses offered by the Department; or

(c) Classroom instruction in continuing education or attendance at a conference for which continuing education credits may be earned, if the provider and the course or conference have been approved by the Department at least 15 days before the course or conference commences. Two credits will be given for 6 weeks of travel, 1 credit for 1 month. No credit will be allowed for travel of less than 1 month.

3. A person holding a master's degree or a more advanced degree may receive not more than 2 credits by conducting a seminar or workshop or by teaching at the college or university level, if the seminar, workshop or course being taught is in the area of licensure of the person.

4. A holder of a special license to teach ~~occupational~~ *career and technical* education may earn a maximum of 2 credits for 160 or more hours of full-time continuous employment in the ~~occupational~~ *career and technical education* field in which he teaches and is licensed. The credit for employment must be approved by the Department or a university or college.

5. A person is entitled to receive 6 credits for the completion of the requirements for the National Board Certification upon the submission of a copy of the official assessment scores issued to that person by the National Board for Professional Teaching Standards. A person is not required to be a holder of a National Board Certification to receive such credits.

Sec. 4. NAC 391.120 is hereby amended to read as follows:

391.120 To receive a secondary license, a person must hold a bachelor's degree and have completed:

1. A program of preparation for teaching in the secondary grades approved by the Board pursuant to NAC 391.557 and 391.558;
2. Courses approved by the Board pursuant to NAC 391.082; or
3. Twenty-two semester hours of courses in professional secondary or ~~occupational~~ *career and technical* education, as follows:

- (a) Eight semester hours of supervised teaching;
- (b) A course in the methods and materials of teaching a field of specialization; and
- (c) If the endorsement is in ~~occupational~~ *career and technical* education:

(1) Nine semester hours in professional ~~occupational~~ *career and technical education* courses, including 3 semester hours in cooperative ~~occupational~~ *career and technical* education, except for family and consumer sciences, industrial arts and technology education, which require 6 semester hours in professional ~~occupational~~ *career and technical education* courses; and

(2) Two years of verifiable work experience in areas of endorsement except family and consumer sciences, industrial arts and technology education. One year of supervised paid work experience at a university or other facility approved by the Department fulfills this requirement.

↪ In addition to the requirements listed in *this* subsection, ~~{3,}~~ the person must hold a valid license in the ~~occupation~~ *area of career and technical education* for which the person is applying for endorsement if a license is required by state law to provide services to the general public.

Sec. 5. NAC 391.1301 is hereby amended to read as follows:
