A REGULATION to establish provisions for a 1-day group fishing permit pursuant to the provisions of Sec. 25 of Assembly Bill No. 573.

Section 1. Chapter 502 of NAC is hereby amended by adding thereto a new section to read as follows:

1. Except as otherwise provided in this section, a 1-day group fishing permit issued as provided in chapter 502 of NRS and this chapter authorizes a person that is a member of the group to whom it is issued to fish only on the date of validity specified on the permit.

2. If no date of validity is specified on the 1-day group fishing permit, then the date of issuance of the permit will be deemed the date of validity for the permit.

3. The name of the designated primary adult of the group and, if he has one, either the number of his valid annual fishing license or 1-day permit to fish, or the authorization number for such a document and the total number of members of the group will be displayed on the face of each 1-day group fishing permit issued to each member of the group.

4. Persons must not be added to a group permit once the transaction for the 1-day group fishing permit is complete.

5. The Department may issue a 1-day group permit in the form of an authorization number in lieu of a document. Such a permit or authorization number may be used only:

(a) By the person to whom it is issued; and

(b) On the date of validity.

A person using such a permit must, upon the request of a law enforcement officer, specify the authorization number, the name and fishing license or permit number of the designated primary adult for the group and present proof of his identity.
