**PROPOSED REGULATION OF THE STATE BOARD OF  
ARCHITECTURE, INTERIOR DESIGN AND RESIDENTIAL DESIGN**

Chapter 623 of NAC is hereby amended by adding thereto a new section to read as follows:

**Architect, Registered Interior Designer or Residential Designer Emeritus**

*The title “Architect Emeritus,” “Registered Interior Designer Emeritus” or “Residential Designer Emeritus,” may be granted, at the discretion of the Board, upon written request from a Nevada registered architect, registered interior designer or residential designer who is currently in good standing with the Board:*

- 1. To be eligible for consideration, the registrant must:
  - a. Be at least 60 years of age,*
  - b. Have been a Nevada resident during the registrant’s active architectural, registered interior design or residential design practice and licensure by this Board for a minimum of five (5) consecutive years.**
- 2. Once granted “Architect Emeritus,” “Registered Interior Designer Emeritus” or “Residential Designer Emeritus” status, the Architect, Registered Interior Designer or Residential Designer Emeritus will be required to pay a one-time fee of \$150 to go from active to emeritus status and thereafter will no longer be required to pay the annual renewal fee to the Board.*
- 3. Although the Architect, Registered Interior Designer or Residential Designer Emeritus granted such status may use the title “Architect, Registered Interior Designer or Residential Designer Emeritus” following their name on any plaques, signs, letterhead and the like, the Architect, Registered Interior Designer or Residential Designer Emeritus is no longer eligible to practice architecture, registered interior design or residential design in Nevada and may not so indicate.*
- 4. Should the Architect, Registered Interior Designer or Residential Designer Emeritus wish to return to active practice, the Architect, Registered Interior Designer or Residential Designer Emeritus must comply with the renewal or restoration of expired certificate of registration requirements found in NAC 623.280.*
