Convening a child death review multidisciplinary team:

Child death review teams convened by the director or other authorized representative of a child welfare agency organized pursuant to NRS 432B.405, must submit to the Executive Committee to Review the Death of Children, a statement about the purpose and reason for convening a new multidisciplinary team, the geographical area to be covered, the objective the team is expected to accomplish, the proposed time frame of the appointment of the committee, the names of the provisional team members, and an acceptable signed confidentiality statement from each team member.

The names of provisional team members or existing team members must be submitted to the Executive Committee for review and approval within 15 days when:

- 1. A new child death review team is convened by the Administrator of the Division, director or other authorized representative of a child welfare agency;*
- 2. An existing child death review multidisciplinary team conducts its annual review of team membership or its annual election of officers; or*
- 3. Any time there is a significant change in membership.*

When a provisional team member is not approved, the director or authorized representative of a child welfare agency must submit an alternative name within 15 days of the notification of disapproval.

Appointed or provisional members of a child death review team must provide a copy of a signed confidentiality statement to the assigned multidisciplinary team within 15 days of appointment.
