(3) Provide the licensee with an opportunity for a formal hearing; or

(4) Direct the examiner to reopen the examination to obtain additional data, documents or information and, if necessary, file a new draft report pursuant to subsection 1. If the findings of the initial draft report are supported by the findings of the examiner after completion of the reopened examination, the licensee is responsible for the costs attributable to the reopened examination pursuant to section 64 of this regulation.

4. If a licensee:

(a) Received a rating of “1” or “2” pursuant to section 66 of this regulation and submitted written comments or objections within the period specified in subsection 2; or

(b) Did not file a written comment or objection to a draft report within the period specified in subsection 2,

↳ the draft report will be deemed to be the final report of the examination.

5. The rating of an examination is not open to public inspection until the review process pursuant to this section is completed, and no information other than the rating will be released

except upon the express finding of the Commissioner that such release would not impede an investigation and or that the public will not be harmed by such a release.

6. If the examination and report reveal that a licensee is operating in violation of this chapter or chapter 645F of NRS or a previous order of the Commissioner, the Commissioner may order the licensee to take any action the Commissioner deems necessary or appropriate to correct the violation. (b) Any transfer of voting stock of the licensee which constitutes a change of control must be approved by the Commissioner.

2. A person who acquires voting stock resulting in a change of control of the licensee shall apply to the Commissioner for approval of the transfer. The application must contain the applicable fee and satisfactory information which shows that the requirements of this chapter and chapter 645F of NRS for obtaining a license will be satisfied after the change of control. Except as otherwise provided in subsection 3, the Commissioner will conduct an investigation to determine whether those requirements will be satisfied. If, after the investigation, the Commissioner denies the application, the Commissioner may forbid the applicant from participating in the business of the licensee.

3. The applicant may submit a written request to the Commissioner to waive the investigation required by subsection 2. The Commissioner may grant a waiver if the applicant has undergone a similar investigation by a state or federal agency in connection with the licensing of or his employment with a financial institution.

Sec. 69. *1. If a licensee is not a natural person:*

(a) Any material change in the ownership, management or principal employees of the licensee at its principal office or a branch office must be reported to the Commissioner on a form prescribed by the Commissioner within 30 calendar days before the change; and

(b) Any material change in the ownership or any change of control of the licensee at its principal office or a branch office must be approved by the Commissioner.

3. In addition to the authority to recover attorney's fees and costs pursuant to any other provision of law, the Commissioner may assess against and collect from a person all costs,

including, without limitation, reasonable attorney's fees, that are attributable to any examination, periodic or special audit, investigation or hearing that is conducted to examine or investigate the conduct, activities or business of the person pursuant to this chapter or chapter 645F of NRS.

The independent certified public accountant who prepares the report of an audit shall submit a copy of the report to the Commissioner at the same time that the independent certified public accountant submits the report to the independent licensee.

Sec. 75. 1. An independent licensee maintaining any account described in section 73 of this regulation shall, not later than 120 days after the end of the fiscal year for the independent licensee, provide to the Commissioner an annual financial statement of the account or accounts. 4. Except as otherwise provided in this subsection, the Commissioner may grant a reasonable extension, not to exceed 30 days, for the submission of a financial statement of the account or accounts pursuant to this section if an independent licensee requests such an extension, in writing, before the date on which the financial statement is due. (b) If the material simulates the appearance of a check, the material does not contain an American Bankers Association number, microencoding or any other marks intended to create the appearance that the material is a negotiable check.

4. *A licensee shall not refer to an existing lender or financial institution on any advertising material without the written consent of the lender or financial institution.*

5. *Except as otherwise provided in subsection 6, an advertisement for an activity which is licensed pursuant to this chapter or chapter 645F of NRS must be separate and distinct from an advertisement for an activity which is not licensed pursuant to this chapter or chapter 645F of NRS.*

6. *A licensee may advertise jointly with another person if each business is disclosed separately in the advertisement and each business incurs a pro rata share of the cost associated with the advertisement.*

7. *An Internet link on a website of the licensee that links the user to the website of another commercial enterprise must provide notification to the user that the user is leaving the website of the licensee.*

2. At the time of filing an application for a license as a covered service provider, foreclosure consultant or loan modification consultant and at the time of filing an application for the renewal of such a license, an applicant who is or who will be an independent licensee shall file with the Commissioner proof that the applicant is named as a principal and all associated licensees employed by or otherwise associated with the independent licensee are named as principals on the surety bond deposited with the Commissioner by the independent licensee.

3. The surety bond must be in substantially the following form:

Know All Persons by These Presents, that, as principal, and, as surety, are held and firmly bound unto the State of Nevada for the use and benefit of any person who suffers damages because of a violation of any of the provisions of chapter 645F of NRS and the regulations promulgated thereunder, in the sum of, lawful money of the United States, to be paid to the State of Nevada for such use and benefit, for which payment well and truly to be made, and that we bind ourselves, our

4. Except as otherwise provided in subsection 5, each independent licensee shall deposit a surety bond in the amount of \$75,000 that complies with the provisions of this section or a substitute form of security that complies with the provisions of section 81 of this regulation.

5. If an independent licensee maintains any accounts described in section 73 of this regulation, and the 6-month average balance in those accounts exceeds \$50,000, the independent licensee shall deposit a surety bond in the amount of \$100,000 that complies with

the provisions of this section or a substitute form of security that complies with the provisions of section 81 of this regulation.

Sec. 81. 1. *As a substitute for the surety bond required by section 80 of this regulation, an independent licensee may, in accordance with the provisions of this section, deposit with any bank or trust company authorized to do business in this State which is federally insured, in a form approved by the Commissioner:*

(a) An obligation of a bank, savings and loan association, thrift company or credit union licensed to do business in this State which is federally insured;

(b) Bills, bonds, notes, debentures or other obligations of the United States or any agency or instrumentality thereof, or guaranteed by the United States; or

(c) Any obligation of this State or any city, county, town, township, school district or other instrumentality of this State, or guaranteed by this State.

2. The obligations of a bank, savings and loan association, thrift company or credit union must be held to secure the same obligation as would the surety bond. With the approval of the Commissioner, the depositor may substitute other suitable obligations for those deposited which must be assigned to the State of Nevada and are negotiable only upon approval by the Commissioner.

3. Any interest or dividends earned on the deposit accrue to the account of the depositor.

4. The deposit must be in an amount at least equal to the required surety bond and must state that the amount may not be withdrawn except by direct and sole order of the Commissioner. The value of any item deposited pursuant to this section must be based upon principal amount or market value, whichever is lower.

Sec. 82. 1. *The surety may cancel a surety bond upon giving 60 days' notice to the Commissioner by certified mail. Upon receipt by the Commissioner of such a notice, the Commissioner will immediately notify the independent licensee who is a principal on the surety bond of the effective date of cancellation of the surety bond, and that the license of the independent licensee will be revoked unless an equivalent surety bond or a substitute form of security authorized by section 81 of this regulation is furnished before the effective date of the cancellation. The notice must be sent to the independent licensee by certified mail to the independent licensee's last address of record filed in the office of the Commissioner.*

2. If the independent licensee does not comply with the requirements set out in the notice from the Commissioner, the license of the independent licensee must be revoked as of the date the surety bond is cancelled.

Sec. 83. 1. *Any person claiming against a surety bond may bring an action in a court of competent jurisdiction on the surety bond for damages to the extent covered by the surety bond. A person who brings an action on a surety bond shall notify the Commissioner in writing upon filing the action. An action may be commenced not more than 3 years following the commission of the act on which the action is based.*

2. Upon receiving a request from a person for whose benefit a surety bond is required, the Commissioner will notify the person:

(a) That a surety bond is in effect and the amount of the surety bond; and

(b) If there is an action against the surety bond, the title, court and case number of the action and the amount sought by the plaintiff.

3. If a surety wishes to make payment without awaiting action by a court, the amount of the surety bond must be reduced to the extent of any payment made by the surety in good faith

under the surety bond. Any payment must be based on written claims received by the surety before any action is taken by a court.

4. The surety or the Commissioner may bring an action for interpleader against all claimants upon the surety bond. If the surety or the Commissioner does so, the surety or the Commissioner, as applicable, will publish notice of the action at least once each week for 2 weeks in every issue of a newspaper of general circulation in:

(a) If the principal office of the independent licensee whose surety bond is at issue is located within this State, the county in which the independent licensee has his principal office; or

(b) If the principal office of the independent licensee whose surety bond is at issue is not located within this State, Clark County, Nevada.

5. The surety may deduct its costs of the action, including, without limitation, attorney's fees and publication, from its liability under the surety bond.

6. Claims against a surety bond have equal priority, and if the surety bond is insufficient to pay all claims in full, they must be paid on a pro rata basis. Partial payment of claims is not full payment, and any claimant may bring an action against the independent licensee for the unpaid balance.

Sec. 84. 1. *The term of the surety bond or substitute for the surety bond, if applicable, must be not less than 1 year.*

2. If the independent licensee deposits a surety bond, the independent licensee shall keep accurate records of the surety bond and the payments made on the premium. The records must be open to inspection by the Commissioner during business hours. The independent licensee

shall notify the Commissioner not later than 30 days before the date of expiration of the surety bond and provide written proof of the renewal of the surety bond to the Commissioner.

3. The Commissioner may reject any surety bond or substitute for the surety bond which fails to conform to the requirements of this chapter or chapter 645F of NRS.

4. An independent licensee may change the form of security deposited with the Commissioner. If the independent licensee changes the form of the security, the Commissioner may retain for not more than 1 year any portion of the security previously deposited by the independent licensee as security for claims arising during the time the previous security was in effect.

5. If the amount of the deposited security falls below the amount required by this chapter or chapter 645F of NRS for that security, the license of the independent licensee must be revoked as of the date the deposited security falls below the amount required.

Sec. 85. *In addition to the requirements of this chapter and chapter 645F of NRS, before a licensee provides any covered service, the licensee shall provide a written contract to the homeowner, in simple English and in at least 10-point type, that includes, without limitation:*

1. A statement, on the top of the first page of the written contract and in at least 12-point boldface type, as follows:

The amount of fees you agree to pay to (here insert name of licensee) is not fixed by Nevada law, and is negotiable between you and (here insert name of licensee). You may be able to obtain the same services at no cost from a housing counselor or by doing them yourself.

2. *Full disclosure of the exact nature of each of the services to be provided, the costs associated with each phase of the services, that the licensee may not take the fees associated for any phase of services until the phase of service has been fully completed and the total amount and terms of payment of all compensation. The percentage of the total payment collected, or to be collected, for each phase of service must be reasonable in relation to the work required to complete that phase.*

3. *The business address, telephone number, full name and license number of the independent licensee and each associated licensee, if any, who will be involved in the transaction.*

4. *The signature and date of the signature of the homeowner and the licensee. The originally signed contract must be given to the homeowner and a copy of the original retained by the licensee.*

Sec. 86. 1. *A homeowner may rescind without penalty or obligation a contract at any time before midnight of the third business day after the date on which the homeowner signs a contract with a licensee.*

2. *Except as otherwise provided in this subsection, in the event a homeowner rescinds a contract in accordance with this section, the licensee shall immediately provide a full refund of all compensation paid by the homeowner. If the licensee deposited the homeowner's check before the homeowner rescinds the contract, the licensee may wait to provide the refund until the homeowner's check clears through the bank account used by the licensee.*

3. *The contract must contain in immediate proximity to the space reserved for the homeowner's signature a conspicuous statement in at least 12-point boldface type that the*

homeowner has the right to rescind the contract without penalty or obligation until midnight of the third business day after the date on which the homeowner signs the contract.

4. Rescission occurs when the homeowner gives written notice of rescission to the licensee at the address specified in the contract. For the purposes of this section, the notice may be given to the licensee by electronic mail, facsimile, regular mail or personal delivery.

5. Notice of rescission, if given by mail, is effective when deposited in the mail properly addressed with postage prepaid.

6. Notice of rescission given by the homeowner is not required to take the particular form as provided in the contract and, however expressed, is effective if the notice indicates the intention of the homeowner not to be bound by the contract.

Sec. 87. 1. *A homeowner may cancel a contract upon written notification at any time after the expiration of the rescission period that is provided for in section 86 of this regulation. A homeowner may cancel a contract without penalty or obligation for payment of any phase of service that has not been fully completed. For the purposes of this section, the notice may be given to the licensee by electronic mail, facsimile, regular mail or personal delivery.*

2. Except as otherwise provided in this subsection, in the event a homeowner cancels a contract in accordance with this section, the licensee must, within 5 business days after receipt of the written notification, provide a full or partial refund of all compensation paid by the homeowner for phases of services not fully performed. If the licensee deposited the homeowner's check before the homeowner cancels the contract, the licensee may wait to provide the refund until the homeowner's check clears through the bank account used by the licensee.

3. *The contract must clearly set forth the refund policy and procedure of the licensee in 12-point boldface type and provide the physical address, facsimile number and electronic mail address for providing notice of cancellation.*

4. *Notice of cancellation given by the homeowner is not required to take the particular form as provided in the contract and, however expressed, is effective if the notice indicates the intention of the homeowner not to be bound by the contract.*

Sec. 88. *An licensee who negotiates in a language other than English in the course of entering into a contract for the provision of any covered service shall deliver to the homeowner at least 2 calendar days before the execution of the contract a translation in at least 10-point type of the material terms of the contract in the language in which the contract was negotiated, along with a statement indicating that the original contract will be in English.*

Sec. 89. 1. *If a licensee or a relative of the licensee is licensed as, conducts business as or holds a controlling interest or position in:*

(a) An escrow agency, a title or escrow agent, a title insurer or an escrow officer of a title agent or title insurer; or

(b) A mortgage broker, mortgage agent, mortgage banker or real estate broker or agent, ↪ the licensee shall fully disclose, in writing, his status as, connection to or relationship with such a person or entity to each homeowner before entering into a contract for the provision of covered services. Except as otherwise provided in this subsection, any waiver by a homeowner of the provisions of sections 93 to 96, inclusive, of this regulation, or limitation of liability, is void and unenforceable. 3. If the Commissioner conducts an investigation of an alleged violation pursuant to subsection 1, the Commissioner may determine from the investigation whether there is reasonable cause to believe that the person committed the alleged violation.

4. If, upon investigation, the Commissioner determines that there is not reasonable cause to believe that the person committed the alleged violation, the Commissioner may provide the reason for the determination, in writing, to the person who filed the complaint and to the person alleged to have committed the violation.

5. If it is determined that a violation has occurred, the Commissioner may take any actions within his authority.

Sec. 102. *It is unlawful for any person to provide or offer to provide any of the services of a covered service provider, foreclosure consultant or loan modification consultant or otherwise to engage in, carry on or hold himself out as engaging in or carrying on the business of a covered service provider, foreclosure consultant or loan modification consultant without first obtaining the applicable license issued pursuant to this chapter and chapter 645F of NRS, unless the person:*

(c) Has violated any provision of this chapter or chapter 645F of NRS or any order of the Commissioner in completing and filing the application for a license or during the course of the investigation of the application for a license.

(g) Has knowingly made or caused to be made to the Commissioner any false representation of material fact or has suppressed or withheld from the Commissioner any information which the person possesses and which, if submitted to the Commissioner, would have rendered the person ineligible to be licensed pursuant to the provisions of this chapter and chapter 645F of NRS;

Sec. 105. 1. *Whether or not a complaint has been filed, the Commissioner may investigate a licensee or other person if, for any reason, it appears that:*

(a) The assets or capital of a licensee are impaired; or

(b) A licensee is conducting business in an unsafe and injurious manner that may result in danger to the public,

↳ the Commissioner may immediately take possession of all the property, business and assets of the licensee that are located in this State and may retain possession of them.

2. If the licensee, or the board of directors or any officer or person in charge of the offices of the licensee, if any, refuses to permit the Commissioner to take possession of the property of the licensee pursuant to subsection 1:

(a) The Commissioner will notify the Attorney General; and

(b) The Attorney General may immediately bring such proceedings as may be necessary to place the Commissioner in immediate possession of the property of the licensee.

3. If the Commissioner takes possession of the property of the licensee, the Commissioner will:

(a) Make or have made an inventory of the assets and known liabilities of the licensee;

(b) File one copy of the inventory in his office;

(c) If the licensee's principal office is located within this State, file one copy in the office of the clerk of the district court of the county in which the licensee has his principal office;

(d) If the licensee's principal office is not located within this State, file one copy in the office of the clerk of the Eighth Judicial District Court of the State of Nevada in and for Clark County;

(e) Mail one copy to the licensee and to each stockholder, partner, officer, director or associate of the licensee, if any, at the last known address of each person; and

(f) If the licensee maintains any trust accounts, not later than 5 business days after the date on which the Commissioner takes possession of the property of the licensee, mail notice of such possession to the last known address of each person whose money is deposited in such an account or whose money was or should have been deposited in such an account during the preceding 12 months.

4. The clerk of the court with whom the copy of the inventory is filed shall file it as any other case or proceeding pending in the court and shall give it a docket number.

Sec. 107. *1. If the Commissioner takes possession of the property of a licensee as set forth in section 106 of this regulation, the licensee or any officers, directors, partners, associates or stockholders of the licensee may, within 60 days after the date on which the Commissioner takes possession of the property, make good any deficit in the assets or capital of the licensee or remedy any unsafe and injurious conditions or practices of the licensee.*

2. At the expiration of the 60-day period, if the deficiency in assets or capital has not been made good or the unsafe and injurious conditions or practices remedied, the Commissioner may apply to the court to be appointed receiver and proceed to liquidate the assets of the licensee which are located in this State in the same manner as now provided by law for liquidation of a private corporation in receivership.

3. No other person may be appointed receiver by any court without first giving the Commissioner ample notice of his application.

4. The inventory made by the Commissioner and all claims filed by creditors are open at all reasonable times for inspection, and any action taken by the receiver upon any of the claims is subject to the approval of the court before which the case is pending.

5. The expenses of the receiver and compensation of counsel, as well as all expenditures required in the liquidation proceedings, must be fixed by the Commissioner subject to the approval of the court and, upon certification of the Commissioner, must be paid out of the money in his hands as the receiver.

Sec. 108. *1. If a person engages in an activity in violation of the provisions of this chapter or chapter 645F of NRS or an order of the Commissioner, the Commissioner may*

issue an order to the person directing the person to cease and desist from engaging in the activity.

2. The order to cease and desist must be in writing and must state that, in the opinion of the Commissioner, the person has engaged in an activity:

(a) For which the person has not received a license as required by this chapter or chapter 645F of NRS; or

(b) In a manner that violates the provisions of this chapter or chapter 645F of NRS or an order of the Commissioner.

3. A person who receives an order to cease and desist pursuant to this section shall not engage in any activity governed by this chapter or chapter 645F of NRS after receiving the order unless the order is suspended or rescinded.

4. Not later than 20 calendar days after receiving an order pursuant to this section, the person who receives the order may file a verified petition with the Commissioner to request a hearing. Upon receipt of the verified petition, the Commissioner may, for good cause shown, suspend the order pending the hearing. The Commissioner will hold the hearing on a date not later than 30 calendar days after the date the petition is filed unless the Commissioner and the person agree to another date. The order to cease and desist is rescinded if the Commissioner fails to:

(a) Hold a hearing:

(1) Not later than 30 calendar days after the date the petition is filed; or

(2) On a date agreed to by the Commissioner and the person; or

(b) Render a written decision within 45 days after the date the hearing is concluded.

5. The decision of the Commissioner after a hearing is a final decision of the Commissioner for the purposes of judicial review.

Sec. 109. *The provisions of this chapter are not intended to:*

1. Limit any statutory or common-law right of a person to bring a civil action against a licensee or other person for any act or omission involved in the transaction of business by or on behalf of the licensee or other person;

2. Limit the right of the State to punish a person for the violation of any law, ordinance or regulation; or

3. Establish a basis for a person to bring a civil action against the State or its officers or employees for any act or omission in carrying out the provisions of this chapter or chapter 645F of NRS, including, without limitation, any act or omission relating to the disclosure of information or the failure to disclose information pursuant to the provisions of this chapter or chapter 645F of NRS.

Sec. 110. *Before conducting a hearing, the Commissioner may, to the fullest extent allowed by the Constitution of the United States and the Constitution of this State:*

1. Order a summary suspension of a license pursuant to subsection 3 of NRS 233B.127; and

2. Take any other action against a licensee or other person that is necessary to protect the health, safety or welfare of the public.

Sec. 111. *1. If a licensee violates any provision of sections 73, 74 and 75 of this regulation and the licensee fails, without reasonable cause, to remedy the violation within 20 business days after being ordered by the Commissioner to do so or within such later time as prescribed by the Commissioner, or if the Commissioner orders a licensee to provide*

information, make a report or permit an examination of the licensee's books or affairs pursuant to this chapter or chapter 645F of NRS and the licensee fails, without reasonable cause, to comply with the order within 20 business days or within such later time as prescribed by the Commissioner, the Commissioner may:

(a) Suspend or revoke the license of the licensee; and

(b) Conduct a hearing to determine whether the licensee is conducting business in an unsafe and injurious manner that may result in danger to the public and whether it is necessary for the Commissioner to take possession of the property of the licensee pursuant to section 106 of this regulation.

2. In no case is a licensee entitled to a hearing for the imposition of disciplinary action by the Commissioner, unless, within 20 days after receiving a written notice, the licensee requests a hearing from the Commissioner in the manner set forth in the written notice from the Commissioner.

3. If the licensee fails to timely request a hearing, the Commissioner will enter a final order imposing disciplinary action as set forth in the notice sent to the licensee.

Sec. 112. 1. *The Commissioner may issue the denial of any application for a license.*

2. Upon receipt of a denial of an application, the applicant must request a hearing within 20 days after receipt of the notice or the Commissioner will issue a final order denying licensure.

3. Upon receipt of a request for a hearing pursuant to subsection 2, the Commissioner may designate a person to serve as a hearing officer and a hearing must be set as promptly as possible.

4. Each party to any hearing held pursuant to this section shall, not later than 10 days before the hearing, provide to the opposing party and to the hearing officer all documents anticipated to be used at the hearing. No other discovery is allowed.

Sec. 113. *1. If the Commissioner enters an order taking any disciplinary action against a person, denying a person's application for a license, denying a provider the right to teach approved courses, denying the approval of a provider's course or denying the right of an instructor of a provider to teach an approved course or approved courses, the Commissioner will cause a written notice of the order to be served personally or sent by certified mail or telegram to the person.*

2. Unless a hearing has already been conducted concerning the matter, the person, upon application, is entitled to a hearing. If the person does not make such an application within 20 days after the date of the initial order, the Commissioner will enter a final order concerning the matter.

3. A person may appeal a final order of the Commissioner taking any disciplinary action against the person in accordance with the provisions of chapter 233B of NRS that apply to a contested case.

Sec. 114. *1. If a hearing has been requested in a timely manner as set forth in this chapter or chapter 645F of NRS, each party must provide to the opposing party and to the hearing officer, not less than 10 days before a hearing, a copy of all papers, records, data or documents expected to be used as exhibits at the hearing and a list of witnesses expected to testify at the hearing. Nothing in this subsection prohibits a party from calling a rebuttal witness or offering other rebuttal evidence which has not been disclosed if allowed by the*

hearing officer. The filing of a motion does not toll the time for providing information and documentation to an opposing party.

2. Not less than 10 days before a hearing, each party must provide to the hearing officer a copy of all papers, records, data or documents expected to be used as exhibits at the hearing and a list of witnesses expected to testify at the hearing.

3. If a party fails to provide any document required to be provided by the provisions of this section, the hearing officer may exclude the document.

4. Neither party may serve interrogatories on the other party or conduct depositions, and neither party may engage in any other discovery unless otherwise required by law and allowed by the hearing officer.

Sec. 115. *1. All motions, unless made to exclude a witness, must be in writing.*

2. A written motion must be served on the opposing party and the hearing officer at least 15 days before the time set for the hearing on the motion unless good cause is shown to the hearing officer.

3. An opposing party may file a written response to a motion at least 7 days before the time set for the hearing on the motion by serving the written response on all parties and the hearing officer.

4. No motion for summary judgment will be allowed.

Sec. 116. *1. The time of a hearing may be continued by the hearing officer upon the written petition of a party only for good cause shown.*

2. The party requesting a continuance must serve the written petition upon the opposing party at the time that the request is made, and the opposing party may file an objection to the request for a continuance within 3 days after receipt of the written petition.

Sec. 117. 1. *In conducting any hearing, the hearing officer is not bound by the technical rules of evidence, and any informality in any proceeding or in the manner of taking testimony does not invalidate any order or decision of the hearing officer. The rules of evidence of courts of this State will be followed generally but may be relaxed at the discretion of the hearing officer if deviation from the technical rules of evidence will aid in determining the facts.*

2. Any evidence offered at a hearing must be material and relevant to the issues of the hearing.

3. Sworn declarations may be introduced in lieu of testimony if a witness resides outside the State of Nevada.

4. The hearing officer may exclude inadmissible, incompetent, repetitious or irrelevant evidence or order that the presentation of that evidence be discontinued.

5. A party who objects to the introduction of evidence shall briefly state the grounds of the objection at the time the evidence is offered. The party who offers the evidence may present a rebuttal argument to the objection.

Sec. 118. 1. *The hearing officer shall:*

(a) Ascertain whether all persons ordered to appear under subpoena are present and whether all documents, books, records and other evidence under subpoena are present in the hearing room.

(b) Administer the oath to all persons whose testimony will be taken as follows:

Do you and each of you solemnly swear or affirm to tell the truth and nothing but the truth in these proceedings?

(c) Ascertain whether either party desires to have a witness excluded from the hearing room until the witness is called. A witness may be excluded upon the motion of the hearing officer or upon the motion of either party. If a witness is excluded, the witness will be instructed not to discuss the case during the pendency of the proceeding. The respondent will be allowed to remain present at the hearing. The Commissioner may designate a person who is a member of the staff of the Division and who may also be a witness to act as its representative. Such a representative will be allowed to remain present at the hearing.

(d) Ascertain whether a copy of the complaint or decision to deny has been filed and whether an answer has been filed as part of the record in the proceedings.

(e) Hear any preliminary motions, stipulations or orders upon which the parties agree and address any administrative details.

(f) Request the Division to proceed with the presentation of its case.

2. Parties may waive opening and closing statements.

3. The respondent may cross-examine witnesses in the order that the Division presents them.

4. Witnesses or counsel may be questioned by the hearing officer at any time during the proceeding.

5. Evidence which will be introduced or which is used by a witness:

(a) Must first be marked for identification; and
