Sec. 4. 1. *The Department shall reject an application to obtain a Silver State Tag if any of the following occurs:*

(a) The applicant fails to specify his name, date of birth, city or state on the application, unless that information exists in the computer file of the Department, in which case the application must not be rejected if the applicant has specified his name and client number.

(b) The applicant fails to specify or incorrectly specifies on the application the number of his hunting license and the year the license was issued, unless that information exists in the computer file of the Department, in which case the application must not be rejected for that reason.

(1) The application for a hunting license is included with his application for a Silver State Tag; and

(2) The Social Security Administration has issued a social security number to the applicant.

(i) The applicant submits more than one application to hunt for the same species of wildlife during the same year, unless such an application is specifically authorized by the Commission. If such an application is not specifically authorized by the Commission, all applications submitted by the applicant to hunt for the same species must be rejected.

(j) The application is received after the deadline set by the Commission.

(k) The applicant fails to comply with the provisions of NRS 502.330.

(l) The applicant provides false information on the application.

(m) The applicant is otherwise ineligible to apply for the Silver State Tag.

2. If an application is rejected by the Department pursuant to this section:

(a) The application must not be included in the procedure for awarding tags; and

(b) The nonrefundable application fee for a Silver State Tag for acting upon each application for a Silver State Tag, the fee required pursuant to NRS 502.253 for the support of programs to control predators and protect wildlife habitat and, if included, the fee required pursuant to NRS 502.250 for each application for a Silver State Tag for elk must be retained by the Department.

3. If the Department rejects an application pursuant to paragraph (g) of subsection 1 because the applicant failed to submit the fees required pursuant to section 3 of this regulation, the applicant is ineligible to receive or exercise any privilege conferred upon him pursuant to title 45 of NRS until the Department receives:

(a) The nonrefundable application fee for a Silver State Tag for acting upon the application; and

(b) The fee required pursuant to NRS 502.253 for the support of programs to control predators and protect wildlife habitat.

4. The Department shall indicate that the applicant owes a fee in the file of the applicant maintained by the Department until the applicant pays all fees owed to the Department.

Sec. 5. 1. The Silver State Tag Drawing will occur before the initial drawing for big game tags. The Department shall award tags from the Silver State Tag Drawing through a random order of selection conducted pursuant to a computerized system of drawing. The selection must begin with a number established by the hours, minutes, seconds and hundredths of a second set forth on the computer's clock immediately before commencing the drawing.

2. The Department shall cause the computer to generate an alternate list, categorized by species, after the initial selection of tag recipients in the Silver State Tag Drawing.

3. If the return of tags for a refund, pursuant to subsection 2 of NAC 502.422, reduces the number of tags awarded for the Silver State Tag Drawing to less than the quota for the hunt for a species, the Department shall refill the quota by awarding tags to applicants on the alternate list, unless there are fewer than 7 working days remaining until the opening day for that hunt.

4. Except as otherwise provided in subsection 5, in awarding tags from an alternate list for a hunt, the Department shall:

(a) Select the eligible applicant appearing on the list who:

(1) Has not received a tag in the initial drawing for big game tags or the Partnership in Wildlife Drawing for that species or subspecies for that year;

(2) Has the drawing number with the highest priority for that species or subspecies; and

(3) Indicated on his application his desire to compete for that species or subspecies in the Silver State Tag Drawing; and

(b) Attempt to notify that applicant by calling, at least four times over 2 consecutive days, between the hours of 8 a.m. and 9 p.m., the telephone number recorded on the records of the Department as the number where he can be reached. If the applicant failed to list such a number or the Department is unable to notify the applicant and obtain his acceptance of the tag, the Department shall bypass his name in favor of the next qualified applicant. The Department shall maintain a documentary record of each attempt to notify an applicant pursuant to this paragraph. The last attempt must be made by an employee of the Department other than the employee who placed any of the first three calls.

5. If the Department is unable to collect any fee that is required from the Silver State Tag Drawing because the method of payment is rejected during the processing of those fees, the Department shall, if more than 7 working days remain until the opening day for the hunt, select an eligible applicant from the alternate list for the hunt and season who:

(a) Has the drawing number with the highest priority; and

(b) Indicated on his application for the initial drawing for big game tags his desire to compete for that species in the Silver State Tag Drawing.

Sec. 6. 1. *The Commission will adopt annual regulations pursuant to NAC 502.310 to establish the seasons, quotas per species and subspecies, units and other conditions for the type of hunt in which the recipients of big game tags from a Silver State Tag Drawing may*

participate. The seasons will be concurrent with the seasons established for the tags, if any, that are awarded through an auction pursuant to NRS 502.250.

2. Tags issued through the Silver State Tag Drawing are in addition to the quotas set for the initial drawing for big game tags and the Partnership in Wildlife tags. The Commission will set the quota of tags to be issued per species and subspecies for the Silver State Tag Drawing after considering the recommendations of the Department, the county advisory boards to manage wildlife and members of the public who wish to present their views at an open meeting. Tags issued through the Silver State Tag Drawing will be issued for male animals only, except for tags to hunt mountain goats, which will be issued for males and females.

3. If the Department commits an error which results in the rejection or incorrect processing of an application for a Silver State Tag that has been submitted in compliance with the regulations of the Commission, the Department shall provide a refund of the fee for the Silver State Tag to the applicant.

Sec. 7. A person who is ineligible to apply for a tag pursuant to NAC 502.341, 502.345, 502.361 or 502.364 may, if he is otherwise eligible for the issuance of a tag, apply for a Silver State Tag for a species or subspecies specified in those sections.

Sec. 8. The Department shall not consider bonus points as giving an applicant an increased opportunity to receive a tag in a Silver State Tag Drawing. If an applicant is successful in a Silver State Tag Drawing, his bonus point total will not revert to zero for the species or category of species for which he applied. The Department shall not award bonus points to unsuccessful applicants in a Silver State Tag Drawing.

Sec. 9. 1. *The Department is not responsible for third-party errors, including those of a bank or postal service. If an applicant to obtain a Silver State Tag proves to the satisfaction of the Department that the rejection of his application was due solely to a third-party error, and there is sufficient time to complete the processing of the application before the drawing for which the application was submitted, the Department shall include the application in the procedure for awarding tags.*

2. As used in this section, “third-party error” means the failure to act or commission of an act, by a person or entity other than the Department or an applicant to obtain a Silver State Tag, which provides a ground for rejecting an application pursuant to section 3 of this regulation.

Sec. 10. NAC 502.331 is hereby amended to read as follows:

502.331 1. Unless otherwise authorized by the Commission, it is unlawful for any person to obtain more than one tag for an antelope, any subspecies of bighorn sheep, an elk or a mountain goat for a season.
