(b) The use of a laboratory or the decision to purchase or not to purchase dental equipment or materials against the advice of a licensed dentist if the dentist reasonably concludes that such use, purchase or failure to purchase would impair the ability of the dentist

or a dental hygienist to provide dental care to a patient consistent with the standard of care in the community;

(c) A decision of a licensed dentist regarding a course or alternative courses of treatment for a patient, the procedures or materials to be used as part of a course of treatment or the manner in which a course of treatment is carried out by the dentist, dental hygienist or dental assistant;

(e) The length of time a licensed dentist, dental hygienist or dental assistant spends performing dental services, against the advice of the dentist, if the dentist reasonably believes that the ability of the dentist, dental hygienist or dental assistant to provide dental care to a patient consistent with the standard of care in the community would be impaired;

(f) The referrals by a licensed dentist to another licensed dentist or otherwise places any restriction or limitation on the referral of patients to a specialist or any other practitioner the licensed dentist determines is necessary;

(j) A decision regarding the advertising of the practice of a licensed dentist if the decision would result in a violation of the provisions of NRS 631.348 by the dentist;

(k) A decision to establish fees for dental services against the advice of a licensed dentist if the dentist reasonably concludes that those fees would impair the ability of the dentist or a dental hygienist to provide dental care to patients consistent with the standard of care in the community;

(l) A decision relating to the clinical supervision of dental hygienists and ancillary personnel regarding the delivery of dental care to patients of a licensed dentist;

(m) The hiring or firing of licensed dentists or dental hygienists or the material clinical terms of their employment relationship with a licensed dentist or a professional entity of a licensed dentist or a decision regarding the hiring of ancillary personnel against the advice of the dentist who would perform the hiring or firing;
