EXPLANATION – Matter in *italics* is new; matter in brackets ~~[omitted material]~~ is material to be omitted.

AUTHORITY: §1, NRS 501.3575.

A REGULATION relating to the Wildlife Heritage Trust Account; requiring a person who is responsible for managing or supervising a conservation project that is approved by the Board of Wildlife Commissioners to enter into an agreement for the receipt of a grant of money from the Account; and providing other matters properly relating thereto.

**Section 1.** NAC 501.340 is hereby amended to read as follows:

501.340 1. A person who is responsible for managing or supervising a conservation project that is approved by the Commission shall:

(a) ~~[Complete a contract for services on a form provided]~~ *Enter into an agreement prescribed by the Department and approved by the Commission ~~[ ]~~ for the receipt of a grant of money from the Account;*

(b) Comply with all local, state and federal laws when executing the project;

(c) Coordinate all relevant sources of money for the project;

(d) Submit written requests for money in accordance with the policy of the Department before receiving a payment from the Account; and

(e) Upon request of the Commission, allow the Commission or a representative of the Commission who has been designated by the Commission for such a purpose to observe any activity related to the project.

2. A conservation project that receives money from the Account must be completed by the end of the fiscal year for which money is awarded from the Account for the project, unless, before that date, a person who is responsible for managing or supervising the project demonstrates that unusual circumstances exist which require an extension of time and the Commission approves such an extension.

3. If a person who is responsible for managing or supervising a project fails to meet any requirement of subsection 1, the Commission may cancel funding of the project and disqualify the project from any future funding.
