### Notice of Hearing for the Adoption, Amendment or Repeal of Regulations of The Department of Business and Industry, Division of Insurance

The State of Nevada Department of Business and Industry, Division of Insurance (“Division”), (775) 687-0700, will hold a public hearing at **9:00 a.m., on August 10, 2012**, at the Division’s office located at 1818 East College Parkway, 1<sup>st</sup> floor hearing room, Carson City, Nevada 89706. Interested persons may also participate through a simultaneous videoconference conducted at the Bradley Building, 2501 East Sahara Avenue, 2<sup>nd</sup> floor conference room, Las Vegas, Nevada 89104. The purpose of the hearing is to receive comments from all interested persons regarding the adoption, amendment or repeal of the regulation(s) that pertains to chapter 690B of the Nevada Administrative Code (“NAC”).

The following information is provided pursuant to the requirements of Nevada Revised Statute (“NRS”) 233B.0603 and the directives of the Governor:

#### **LCB File No. R036-12. Vehicle Towing Consent Form.**

A regulation relating to possession of motor vehicles; prescribing the standard consent form which must be completed before an insurer may take possession of a motor vehicle from the operator of a tow car under certain circumstances; and providing other matters properly relating thereto.

- (1) Why is the regulation necessary and what is its purpose? **Section 1 of Senate Bill 142 states that the Commissioner shall establish by regulation a standard consent form for the towing of a vehicle at the request of someone other than the owner, such as the owner’s insurance company. This regulation is necessary to adopt the standard consent form mandated pursuant to SB 142.**
- (2) What are the terms or substance of the proposed regulation? **The proposed regulation includes a standard consent form for the towing of a vehicle for use by an insurance company, documenting the consent of the vehicle owner or owner’s authorized representative. An insurer does not need to file to receive approval from the Commissioner to use the form provided in the proposed regulation. A formal filing for approval by the Commissioner is required if the form differs substantially from the form provided in the proposed regulation. The proposed regulation also addresses production of the owner’s or the owner’s authorized representative’s consent to towing.**
- (3) What is the anticipated impact of the regulation on the problem(s)? **The problem concerns timely release of a vehicle from a towing yard after the vehicle was towed from the scene of an accident or at the direction of persons other than the insured, such as law enforcement. The proposed regulation allows for a vehicle to be timely towed to the appropriate repair facility without incurring extra expenses for either the insured or the insurer.**
