INFORMATIONAL STATEMENT

Re: Proposed Regulation Concerning: Exchange Enrollment Facilitators
LCB File No. R074-13, Division's Cause No. 13.0409

A workshop was held on October 30, 2013, and a hearing was held on November 13, 2013, at the offices of the Department of Business and Industry, Division of Insurance ("Division"), 1818 East College Parkway, Carson City, Nevada 89706, with a simultaneous videoconference conducted at the Bradley Building, 2501 East Sahara Avenue, 2nd Floor Conference Room, Las Vegas, Nevada 89104, in regard to adoption of the regulation concerning Exchange Enrollment Facilitators.

This adopted regulation is needed to comply with Section 25 of Assembly Bill 425 (2013), codified as Nevada Revised Statute ("NRS") 695J.270, requiring the Commissioner of Insurance to adopt regulations concerning the courses of instruction and examinations required of exchange enrollment facilitators. AB 425 was passed in response to the Patient Protection and Affordable Care Act of 2010, Public Law 111-148, which required states to establish a program to assist consumers in enrolling in health benefit plans, therein referred to as "navigators." The Division adopted preliminary regulations on an emergency basis as E003-13 and this proposed regulation codifies that emergency regulation as permanent.

Public comment was solicited by posting notices of the workshop and hearing in the following public locations: the Division's Internet Website, the Division's Carson City and Las Vegas offices, Carson City Courthouse, Office of the Attorney General, Capitol Building Lobby, Capitol Building Press Room, Blasdel Building, and Legislative Counsel Bureau; and by providing the notices of the workshop and hearing to: the Donald W. Reynolds Press Center, Nevada State Library, Carson City Library, Churchill County Library, Clark County District Library, Douglas County Library, Elko County Library, Esmeralda County Library, Eureka Branch Library, Humboldt County Library, Lander County Library, Lincoln County Library, Lyon County Library, Mineral County Library, Pershing County Library, Storey County Clerk, Tonopah Public Library, Washoe County Library, and White Pine County Library.

The Division's Legal Section maintains an e-mail list of interested parties, comprised mainly of insurance companies, agencies, and other persons regulated by the Division. The parties on the e-mail list were notified of the workshop and hearing and that a copy of the regulation could be accessed from the Division's Internet Website at doi.nv.gov.

The workshop was attended by 1 interested member of the public in Carson City and 0 in Las Vegas. The proposed regulation was presented orally by Adam Plain, Insurance Regulation Liaison, on behalf of the Division. There was no public response received in person or in writing concerning the proposed regulation or the small business impact analysis.

The hearing was attended by 0 interested member(s) of the public in Carson City and 0 in Las Vegas. The proposed regulation was presented orally by Adam Plain, Insurance Regulation

Liaison, on behalf of the Division. There was no public response received in person or in writing concerning the proposed regulation or the small business impact analysis.

The Division received 0 written comments.

Regarding the person(s) who gave testimony and/or submitted written comments, the following disclosures are made pursuant to NRS 233B.066(1)(c):

Name	Entity/Organization Represented	Address	Telephone No.	E-Mail Address
Adam Plain	Nevada Division of Insurance	1818 E. College Pkwy. Ste. 103 Carson City, NV 89706	(775) 687-0783	aplain@doi.nv.gov

Based upon there being no written or oral comments from the public, and the testimony provided on behalf of the Division, the regulation, LCB File No. R074-13, was not amended.

After considering the record and the recommendation of the hearing officer, the Commissioner has issued an order adopting the regulation, LCB File No. R074-13, as proposed, as a permanent regulation of the Division.

The economic impact of the regulation is as follows:

- (a) On the business it is to regulate: The Division does not anticipate any economic impact, beneficial or adverse, on regulated entities. Any potential beneficial impacts are resultant from the underlying federal legislation, Public Law 111-148, mandating the creation of these entities.
- (b) On small businesses: The Division does not anticipate any economic impact, beneficial or adverse, on small businesses.
- (c) On the public: The Division does not anticipate any economic impact, beneficial or adverse, on the public.

The Division will not incur additional expenses to enforce this regulation.

The regulation includes a fee for sitting the certification examination. The fee is to be paid directly to the Division's contracted examination vendor and may not exceed \$100 per sitting. Because the fee is paid directly to the contracted examination vendor the Division anticipates collecting no additional fee revenue.

The Division is aware of overlap or duplication of the regulation with any state, local or federal regulation. The regulation overlaps, duplicates, or otherwise complements a regulation or series of regulations issued by the federal Center for Consumer Information and Insurance Oversight (CCIIO) of the Center for Medicare and Medicaid Services (CMS), a division of the Department of Health and Human Services (HHS). Section 1311(i) of the ACA, codified as 42 U.S.C. §18031(i), establishes the requirement that states create a navigator program. 42 U.S.C. §18031(i)(3) generally requires navigators to raise awareness of the availability of qualified

health plans, distribute fair and impartial information concerning enrollment in qualified health plans, facilitate enrollment in qualified health plans, and provide referrals to any applicable office of health insurance consumer assistance. 42 U.S.C. §18031(i)(4-5) requires that navigators avoid conflicts of interest, provide information that is fair, accurate and impartial, and be “licensed if appropriate”. On March 27, 2012 CCIIO/CMS issued final regulation CMS-9989-F which, in part, outlined the program standards for navigators; the standards were codified as 45 C.F.R. §155.210. 45 C.F.R. §155.210(c)(1)(iii), detailing the entities and individuals eligible to be a navigator, stipulated that any prospective navigator “[m]eet any licensing, certification or other standards prescribed by the State or Exchange, if applicable”. The preamble to CMS-9989-F, in interpreting the provisions of 45 C.F.R. §155.210(c)(2) went the additional step in determining that any licensing, certification or other standards prescribed by a State or Exchange cannot lead to the prospective navigator being licensed as a(n) agent/broker/producer of insurance. The regulation is necessary to fill in the gaps in 42 U.S.C. §18031 by CMS-9989-F deferring the licensure or certification of navigators to the state level.
