A REGULATION relating to interscholastic activities; allowing a high school in this State to become an associate member in the Nevada Interscholastic Activities Association; revising the requirements for academic eligibility of a pupil to participate in a sanctioned sport; revising the requirements to coach for a school; revising provisions governing the ejection of a pupil or coach from a game, contest or meet; revising provisions governing the use of social media by certain coaches, sports officials, administrators, faculty members and pupils; repealing provisions governing the receipt of a red card by a pupil during a soccer game; and providing other matters properly relating thereto.

**Legislative Counsel's Digest:**

Existing law authorizes the formation of the Nevada Interscholastic Activities Association for the purposes of controlling, supervising and regulating all interscholastic athletic events and other interscholastic activities in the public schools of this State. (NRS 386.420) Existing law requires the Association to adopt regulations to carry out the provisions governing those events. (NRS 386.430) Pursuant to that requirement, the Association has adopted the provisions of NAC 386.600 to 386.886, inclusive, governing sports that are sanctioned by the Association and other interscholastic activities regulated by the Association.

Existing regulations set forth the requirements for a public or private high school in this State to apply for regular membership in the Association. (NAC 386.652, 386.653) **Section 2** of this regulation authorizes any high school in this State to apply to the Board of Control of the Association for associate membership in the Association. **Section 3** of this regulation authorizes the Board to approve the application if certain conditions are met and authorizes a high school that is granted associate membership to participate in sanctioned sports on a restricted schedule approved by the Board. **Sections 6 and 7** of this regulation revise the eligibility of a pupil to participate in a sanctioned sport if the pupil fails to complete successfully a course of instruction for a semester or fails to maintain a minimum grade point average for that semester. **Section 8** of this regulation expands the number of courses of instruction that a person must complete to become eligible to coach for a member or affiliate school. **Section 9** of this regulation: (1) revises the circumstances under which a coach who is ejected from or becomes ineligible to

participate in a game, contest or meet may remain on the premises during the game, contest or meet; and (2) deletes the requirement that a pupil who is ejected from or becomes ineligible to participate in a game, contest or meet must not remain on the premises during that game, contest or meet. **Section 10** of this regulation prohibits a coach, sports official, administrator or faculty member who is involved in or a pupil who participates in a sanctioned sport from making a defamatory statement, through the use of any social media, relating to any person, sports official or school that is involved in any game, contest or meet for a sanctioned sport. **Section 11** of this regulation repeals provisions governing the replacement of a pupil who receives a red card during a soccer game.

**Section 1.** Chapter 386 of NAC is hereby amended by adding thereto the provisions set forth as sections 2 and 3 of this regulation.

**Sec. 2. 1.** *Any high school in this State may apply to the Board for associate membership in the Association. The application must be submitted:*

**2.** *In addition to the provisions of subsection 1, an applicant for associate membership in the Association must submit, together with the application, a letter setting forth the reasons for submitting the application which is signed by:*

*(b) The applicant pays the annual dues required pursuant to NAC 386.655;*

*(c) The applicant agrees to comply with the policies and regulations of the Association;*

*and*

*(d) The Board determines that granting associate membership to the school will not compromise the competitive integrity of the league in which the school is aligned pursuant to NAC 386.667.*

**2.** *A high school that is granted associate membership in the Association pursuant to this section:*

*(a) May participate on a restricted schedule approved by the Board in each sanctioned sport against any member school or affiliate school;*

*(b) May not participate in any state championship for a sanctioned sport; and*

**Sec. 6.** NAC 386.802 is hereby amended to read as follows:

386.802 1. For each semester a pupil participates in a sanctioned sport, the pupil must enroll in a course of at least two units of credit consisting of at least four classes and regularly attend a school. The pupil must successfully complete a course of at least two units of credit for the immediately preceding semester. If a pupil fails to complete successfully the course for that semester, the pupil is ineligible to participate in a sanctioned sport for one semester unless, for the grading period for the first 9 weeks of the semester that is conducted immediately after that semester, he or she receives a passing grade for the two units of credit for the grading period, at

which time he or she ~~{must be placed on weekly probation. If the pupil receives a failing grade during the probationary period, the pupil is ineligible}~~ *becomes eligible* to participate in a sanctioned sport for the remainder of ~~{the}~~ *that* semester . ~~{in which he or she is placed on weekly probation.}~~

2. A pupil may enroll in a course for one unit of credit for each semester he or she enrolls in a correspondence course or attends any summer school, night school or any other school, including, without limitation, a postsecondary educational institution, and receive credit for the satisfactory completion of that course toward the satisfaction of the requirements for academic eligibility if the principal of the school in which the pupil is enrolled indicates in writing that the course qualifies for credit for the pupil's requirements for graduation.

3. Any course taken or unit of credit received by a pupil pursuant to subsection 2 becomes a part of the pupil's academic record and, after the grade for the course or unit of credit is recorded on his or her transcript, applies to the requirements for academic eligibility to participate in a sanctioned sport.

4. A school shall ensure that each course or unit of credit in which a pupil who participates in a sanctioned sport is enrolled is reviewed in accordance with the provisions of NAC 386.804, 386.805 or 386.806, as adopted by the school pursuant to the provisions of NAC 386.803, to determine academic eligibility to participate in the sanctioned sport.

**Sec. 7.** NAC 386.805 is hereby amended to read as follows:

386.805 1. If, pursuant to the provisions of NAC 386.803, a school district adopts the requirements for academic eligibility set forth in this section, each pupil who participates in a sanctioned sport at a school that is located in the school district must maintain a grade point average of at least 2.0 based on a 4.0 grading system during the immediately preceding semester.

A pupil who fails to maintain such a grade point average for that semester is ineligible to participate in a sanctioned sport until his or her grades are reviewed ~~{for the grading period for}~~ *after* the first 9 weeks of the semester that is conducted immediately after that semester.

2. For the purposes of this section, the academic eligibility of a pupil must be determined on the day immediately after the school distributes the grades for the semester.

3. If the grade point average of a pupil is less than 2.0 at the end of a semester and after the school conducts a 9-week review pursuant to subsection 1, the pupil is ineligible to participate in a sanctioned sport for the remainder of the semester.

4. A pupil who receives an incomplete grade at the end of a semester must make up the grade within 3 weeks beginning on the date on which the grades are recorded for the grading period, as determined by the teacher who issued the incomplete grade, if the pupil has passed at least two units of credit and maintains a grade point average of not less than 2.0. Within 3 weeks after the grades are recorded for a grading period, a permanent grade for the pupil must be issued and used to determine the pupil's grade point average. An incomplete grade must not be calculated in the grade point average of the pupil to determine academic eligibility pursuant to this section until the permanent grade is recorded for the class for which he or she received an incomplete grade.

5. If a pupil repeats a class during summer school, the grade for that class must be:

(a) Computed in accordance with the regulations of the school district in which the class is taken; and

(b) Used by the school in which the pupil is enrolled in a manner that benefits the pupil in establishing or maintaining academic eligibility to participate in a sanctioned sport at the school for the immediately preceding or current semester.

**LEGISLATIVE REVIEW OF ADOPTED REGULATIONS AS REQUIRED BY  
NRS 233B.066  
LCB FILE No. R128-13**

The following statement is submitted for adopted amendments to Nevada Administrative Code (“NAC”) Chapter 386.

**1. A clear and concise explanation of the need for the adopted regulation.**

This regulation is necessary to address the ever changing nature of high school athletics governed by the Nevada Interscholastic Activities Association (“NIAA”). This regulation provides for a new form of membership in the Association referred to as an Associate Membership which allows schools choosing this form of membership an opportunity to grow and improve struggling athletic programs. The regulation also clarifies certain academic requirements regarding annual initial eligibility of student athletes; clarifies coaches education requirements that must be satisfied before a person can coach a sport at a member school; addresses consequences of coaches and students for ejections from any game, contest or meet; and addresses consequences of use of any form of social media to make defamatory comments regarding any person or official involved in any game, contest or meet. Finally, the regulation repeals a soccer competition regulation concerning receipt of a “red card” by participant as this regulation is covered under the official soccer rules and enforced by those rules.

**2. A description of how public comment was solicited, a summary of public response, and an explanation how other interested persons may obtain a copy of the summary.**

Copies of the proposed regulations, and notices of intent to act upon the regulation were sent by U.S. mail and by email to persons who were known to have an interest in the subject of the governance of high school athletics in the State of Nevada, including all member schools of the NIAA, and to all persons who had specifically requested such notice. These documents were also made available at the website of the NIAA’s office, [www.niaa.com](http://www.niaa.com), and were mailed to all county libraries in Nevada and posted at the following locations:

Nevada Interscholastic  
Activities Association  
549 Court Street  
Reno, NV 89501

Washoe County School District  
425 East Ninth Street  
Reno, NA 89520

Clark County School District  
2832 E. Flamingo  
Las Vegas, NV 89121

These regulations were reviewed by the NIAA Board of Control at regularly scheduled

quarterly meetings in 2012 and 2013, which included the opportunity for public comment concerning the proposed amendments. Thereafter, on or about February 25, 2014, the Executive Director issued a Notice of Hearing for the Adoption of Regulations pursuant to NRS 233B.0603, which incorporated in the proposed amendments all discussions held at the above-described Board of Control meetings, as well as comments from LCB staff attorneys. That Notice is attached as Exhibit "1." On March 31, 2014 this regulation was again reviewed by the NIAA Board of Control at its regularly scheduled meeting of that date with the opportunity for public comment.

3. **The number of persons who:**
  - (a) **Attended each hearing: 25**
  - (b) **Testified at each hearing: 0**
  - (c) **Submitted to the agency written comments: 0**
  
4. **For each person identified in paragraphs (b) and (c) of number 3 above, the following information is provided to the agency conducting the hearing:**
  - (a) **Name;**
  - (b) **Telephone number;**
  - (c) **Business address;**
  - (d) **Business telephone number;**
  - (e) **Electronic mail address; and**
  - (f) **Name of entity or organization represented.**

There was no testimony provided by any of the persons in attendance at this meeting and, therefore, no information to provide in response hereto.

5. **A description of how comment was solicited from affected businesses, a summary of their response, and an explanation how other interested persons may obtain a copy of the summary.**

No businesses are affected by these regulations. Comments were solicited from member schools of the NIAA and other persons having an interest in the governance of interscholastic high school activities in the state, as well as members of the public. The summary of those comments is included in response to question No. 1, above.

6. **If the regulation was adopted without changing any part of the proposed regulation, a summary of the reasons for adopting the regulation without change.**

The regulation was adopted on March 31, 2014, and included all of the changes suggested at prior meetings where the regulations were discussed.

7. **The estimated economic effect of the adopted regulation on the businesses which it is to regulate and on the public. These must be stated separately, and each case must include:**
  - (a) **Both adverse and beneficial effects; and**

**(b) Both immediate and long-term effects.**

**(a) Both adverse and beneficial effects:**

This regulation will have no economic effect, beneficial or adverse, with respect to any business or the public.

**(b) Both immediate and long-term effects:**

See response to No. 5.a., above.

**8. The estimated cost to the agency for enforcement of the adopted regulation.**

There is no additional cost to the agency for enforcement of this regulation.

**9. A description of any regulations of other state or government agencies which the proposed regulation overlaps or duplicates and a statement explaining why the duplication or overlapping is necessary. If the regulation overlaps or duplicates a federal regulation, the name of the regulating federal agency.**

There are no other state or government agency regulations that the proposed amendments duplicate.

**10. If the regulation includes provisions that are more stringent than a federal regulation which regulates the same activity, a summary of such provisions.**

N/A

**11. If the regulation provides a new fee or increases an existing fee, the total annual amount the agency expects to collect and the manner in which the money will be used.**

N/A

**12. Is the proposed regulation likely to impose a direct and significant economic burden upon a small business or directly restrict the formation, operation or expansion of a small business? What methods did the agency use to determine the impact of the regulation on a small business?**

As stated above, there are no economic effects with respect to the amendments on any business in the State of Nevada. These amendments apply to the governance of high school athletics and activities in the State of Nevada and generally do no impact private business.
