The purpose of the workshop is to solicit comments from interested persons on the following general topics that will be addressed in the proposed regulations.

NRS 366.203 requires the Department of Motor Vehicles to define in regulation the phrase “incidentally operated or moved upon a highway” in the context of the operation of certain vehicles using dyed special fuel. The purpose of this regulation is to comply with statute. Whereas NAC 366.0065 currently interprets the phrase as used in NRS 366.085, this regulation amends NAC 366.0065 to include the required reference to NRS 366.203.

Note: Items on the agenda may be taken in a different order than listed. Two or more agenda items may be combined for consideration. An item may be removed from this agenda or discussion relating to an item on this agenda may be delayed at any time.

A period of public comment will be allowed after each item on the agenda. No action will be taken on these items during the public hearing. Because of time considerations, the period for public comment by each speaker may be limited.

ITEMS FOR CONSIDERATION

- Addition of reference to NRS 366.203.
- Repeal of NAC 366.190; the term “federal law” is no longer used in the statute.

If you cannot attend the workshop, written comments may be submitted to the Department of Motor Vehicles.

**Written comments must be received by the Department no later than:
5 P.M., Tuesday September 2, 2014.**
