

PROPOSED REGULATION OF THE PERSONNEL COMMISSION

LCB File No. R024-16

Explanation of Proposed Change: The following amendment, proposed by the Division of Human Resource Management, adopts the term “administrative faculty”, as used in the proposed amendments to NAC 284.5405 and 284.551, from the Nevada System of Higher Education (NSHE) code.

NEW: “Administrative faculty” defined.

“Administrative faculty” has the meaning ascribed to it in the Nevada System of Higher Education Board of Regents Handbook, Title 4, Chapter 3, Section 2(d).

Explanation of Proposed Change: This amendment, proposed by the Division of Human Resource Management, changes the references to “unclassified” employees of the Nevada System of Higher Education (NSHE) to “administrative faculty” as unclassified positions at the NSHE do not exist. Additionally, it clarifies that if a member of the administrative faculty of NSHE is appointed without a break in service to the classified or unclassified service, his or her annual leave will be recomputed to reflect the amount that would have accrued to him or her as a classified or unclassified employee less any annual leave which he or she used in his or her administrative faculty position at NSHE and the remaining balance will be transferred to the new appointment.

NAC 284.5405 Annual leave: Credit upon reinstatement, rehiring, reemployment or transfer. (NRS 284.065, 284.155, 284.345, 284.350)

1. Except as otherwise provided in this section, any employee who returns to state service following a separation is eligible to accrue annual leave based on his or her total service with the State after he or she has completed 3 years of continuous service. The employee must requalify after each break in service.

2. An employee who is rehired within 1 year after being laid off accrues annual leave at a rate based on his or her total state service. He or she may use the annual leave immediately upon accruing it if he or she has completed a total of 6 months of employment.

3. An employee with a permanent disability arising from a work-related injury or occupational disease who is reemployed following a separation from state service within 1 year after the date on which he or she sustained the permanent disability as determined pursuant to NAC 284.6013 accrues annual leave at a rate based on his or her total state service. He or she may use the annual leave immediately upon accruing it if he or she has completed a total of 6 months of employment.

4. An employee who is rehired within 1 year after being laid off is entitled to buy back the balance of the annual leave for which he or she received payment in a lump sum on the date of the layoff. The rate of pay at which he or she is rehired applies to the buying back of annual leave.

5. An employee with a permanent disability arising from a work-related injury or occupational disease who is reemployed following a separation from state service within 1 year after the date on which he or she sustained the permanent disability as determined pursuant to NAC 284.6013 is entitled to buy back the balance of the annual leave for which he or she received payment in a lump sum at the time of separation. The rate of pay at which he or she is reemployed applies to the buying back of annual leave.

6. If an employee who was laid off before completing 6 months of employment is rehired within 1 year after the layoff, the amount of the unpaid annual leave he or she had earned before the layoff must be restored.

7. If a person eligible for military reemployment is reemployed, he or she accrues annual leave at the rate which he or she would have earned if he or she had not left state service.

8. If an employee is appointed without a break in service from a position under one appointing authority to a position under another appointing authority, the balance of the employee's annual leave is charged to the agency to which he or she is appointed.

9. If a nonclassified employee, ~~an unclassified employee or~~ *an employee occupying an administrative faculty position within* the Nevada System of Higher Education, or an employee included in the State Personnel System pursuant to NRS 284.022 is appointed without a break in service to the classified or unclassified service, his or her annual leave must be recomputed to reflect the amount that would have accrued to him or her as a classified or unclassified employee less any annual leave which he or she used during his or her nonclassified *service, employment as administrative faculty within the* Nevada System of Higher Education or *employment with a governmental agency* ~~employment~~ *included in the State Personnel System pursuant to NRS 284.022*, and the remaining balance will be transferred to the new appointment. The amount of annual leave transferred by the employee pursuant to this subsection may not exceed the maximum amount which is permitted by the classified or unclassified rate of accrual as set forth in NRS 284.350 and NAC 284.538. The agency to which the employee is appointed is not responsible for payment of any annual leave in excess of the amount which is transferable. It is the responsibility of the employee who is transferring annual leave to seek payment of any excess amount of annual leave remaining to his or her credit from his or her former employer. If the amount of annual leave which is recomputed pursuant to this subsection results in a negative amount, the employee will begin the new appointment in the classified or unclassified service without any hours of annual leave.
