5. A description of how comment was solicited from affected businesses, a summary of their response and an explanation of how other interested persons may obtain a copy of the summary.

A Notice of Public Hearing for the Adoption of Proposed New Regulations and Small Business Impact Statement was posted 30 days prior to the scheduled Hearing (April 24, 2017) at the above listed locations. No response was submitted by affected businesses.

6. If the regulation was adopted without changing any part of the proposed regulation, a summary of the reasons for adopting the regulation without change.

N/A

7. The estimated economic effect of the regulation on the business which it is to regulate and on the public. These must be stated separately, and in each case, must include:

- (1) Both adverse and beneficial effects; and
- (2) Both immediate and long-term effects.

The proposed regulations are not expected to have an adverse immediate or long-term effect on the businesses which it is to regulate. GOED has determined that the proposed regulations do not impose a direct and/or significant economic burden upon small businesses, and the proposed regulations will not restrict the formation, operation or expansion of a small business.

8. The estimated cost to the agency for enforcement of the proposed regulation:

GOED has determined that all enforcement of the proposed regulations will be managed with existing staff, and therefore estimates there will be no additional enforcement costs.

9. A description of any regulations of other State or governmental agencies which the regulation overlaps or duplicates and a statement explaining why the duplication or overlap is necessary. If the regulation overlaps or duplicates a federal regulation, the name of the regulating federal agency.

The proposed regulations do not overlap that of any other state, local or federal agency.

10. If the regulation includes provisions that are more stringent than a federal regulation that regulates the same activity, a summary of such provisions.

The proposed regulation does not include provisions which are more stringent than a federal regulation.

- 11. If the regulation provides a new fee or increases an existing fee, the total annual amount the agency expects to collect and the manner in which the money will be used.**

The proposed regulations do not establish any new fees or increase an existing fee.
