

**REVISED PROPOSED REGULATION OF THE
BOARD OF WILDLIFE COMMISSIONERS**

LCB File No. R140-16

January 20, 2017

EXPLANATION – Matter in *italics* is new; matter in brackets ~~omitted material~~ is material to be omitted.

AUTHORITY: §§1-4 and 6-17, NRS 501.105, 501.181, 502.160 and 502.250; §5, NRS 501.105 and 501.181.

A REGULATION relating to wildlife; defining the term “main drawing”; revising the order in which the Silver State Tag Drawing, Partnership in Wildlife Drawing and main drawings for tags are conducted; setting forth application requirements for the Partnership in Wildlife Drawing; changing references to the terms “main draw” and “initial drawing” to “main drawing”; authorizing an applicant for a nonresident restricted deer tag to apply for a nonresident deer tag in the Partnership in Wildlife Drawing and the Silver State Tag Drawing in the same year; revising provisions relating to awarding tags from an alternate list for the Partnership in Wildlife Drawing; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:

Under existing law, it is illegal to hunt or fish wildlife without a license to do so. (NRS 502.010) Additional licenses, known as tags, are required to hunt any deer, elk, antelope, mountain sheep or bear. (NRS 502.130) Generally, the Department of Wildlife conducts a computerized, random drawing to award the majority of tags for each such species and each hunting season. (NRS 502.175; NAC 502.4205) However, the Board of Wildlife Commissioners has established additional tag drawings known as the Partnership in Wildlife Drawing and the Silver State Tag Drawing. (NRS 502.250; NAC 502.427-502.4298) This regulation proposes changes to the regulations implementing the Partnership in Wildlife Drawing and the Silver State Tag Drawing.

Under existing regulations, the Department conducts the Silver State Tag Drawing, followed by the main drawing during which the majority of tags are awarded and then followed by the Partnership in Wildlife Drawing. If an applicant does not draw a tag in the Silver State Tag Drawing, he or she may participate in the main drawing, and if he or she does not draw a tag in the main drawing, he or she may participate in the Partnership in Wildlife Drawing. (NAC 502.427, 502.4291, 502.4298). **Sections 3 and 16** of this regulation change the order of drawings so that the Silver State Tag Drawing is held first, followed by the Partnership in Wildlife Drawing and then the main drawing. **Section 3** also requires an applicant who wishes to participate in the Partnership in Wildlife Drawing to indicate so on his or her application for the

main drawing. An applicant for the Partnership in Wildlife Drawing may participate only as a single applicant. **Section 4** of this regulation requires an applicant for the Partnership in Wildlife Drawing to use an electronic application provided by the Department. **Sections 7, 13 and 17** of this regulation delete language made unnecessary by these changes.

Existing regulations provide that a person who submits an application for a restricted nonresident deer tag may not submit an application for a nonresident deer tag in the main drawing in the same year. (NAC 502.4237) **Section 9** of this regulation provides that a person who submits an application for a restricted nonresident deer tag may submit an application for a nonresident deer tag in the Partnership in Wildlife Drawing and the Silver State Tag Drawing in the same year.

Existing regulations provide the priority for the awarding of tags from an alternate list for the Partnership in Wildlife Drawing. (NAC 502.4275) **Section 11** of this regulation provides that first priority from the alternate list goes to eligible applicants who have not received a tag for the species or subspecies in the main drawing or the Silver State Tag Drawing.

Existing regulations refer to the terms “main draw,” “main drawing” and “initial drawing” interchangeably to refer to the drawing pursuant to which the greatest number of big game tags is issued to residents and nonresidents. **Sections 6, 8-10, 12, 13, 15 and 16** of this regulation make changes to consistently use the term “main drawing.” **Section 2** of this regulation defines the term “main drawing.”

Section 1. Chapter 502 of NAC is hereby amended by adding thereto the provisions set forth as sections 2, 3 and 4 of this regulation.

Sec. 2. *“Main drawing” means the drawing pursuant to which the greatest number of big game tags is issued to residents and nonresidents.*

3. Except as otherwise provided in subsection 3 of NAC 502.4237, a person who is ineligible to participate in the main drawing for a species or subspecies is ineligible to participate in the Partnership in Wildlife Drawing for that species or subspecies.
