EXPLANATION – Matter in *italics* is new; matter in brackets ~~omitted material~~ is material to be omitted.

AUTHORITY: §1, NRS 385B.060.

A REGULATION relating to interscholastic activities; setting forth certain requirements for a person to become eligible to coach for a school or to maintain his or her eligibility for that purpose; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:

Existing law authorizes the formation of the Nevada Interscholastic Activities Association, composed of all of the school districts of the State, for the purpose of controlling, supervising and regulating all interscholastic athletic events and other interscholastic events in the public schools. (NRS 385B.060) Under existing regulations adopted by the Association, a person is not eligible to coach for a school unless the person completes certain courses of instruction, or the equivalent of those courses, in: (1) the fundamentals of coaching; (2) first aid, health and safety for coaches; and (3) concussions in sports. This regulation requires the equivalent of any of those courses to be approved by the Executive Director of the Association and requires a person to complete each of those courses within a certain period in order for the person to become eligible to coach for the school or to maintain his or her eligibility for that purpose.

Section 1. NAC 386.832 is hereby amended to read as follows:

386.832 *1.* A person is not eligible to coach for a school unless he or she is certified in cardiopulmonary resuscitation and completes the following courses, or the equivalent of those courses ~~that~~ *approved by the Executive Director*, offered by the National Federation of State High School Associations or the American Sport Education Program:

~~that~~ *(a)* Fundamentals of Coaching, offered by the National Federation of State High School Associations, or Coaching Principles, offered by the American Sport Education Program;

~~12.1~~ (b) First Aid, Health and Safety for Coaches, offered by the National Federation of State High School Associations, or Sport First Aid, offered by the American Sport Education Program; and

~~13.1~~ (c) Concussion in Sports, offered by the National Federation of State High School Associations.

2. To be eligible to coach for a school pursuant to this section or to maintain that eligibility, a person must complete at least one of the courses specified in each of paragraphs (a), (b) and (c) of subsection 1:

(a) Within the 3 years immediately preceding the date on which the person begins his or her employment as a coach for the school; and

(b) At least once every 3 years thereafter.
