## NOTICE OF INTENT TO ACT UPON TEMPORARY<sup>2</sup> REGULATION AND HEARING AGENDA

Notice of Hearing for the Adoption, Amendment or Repeal of Regulations of  
The Department of Business and Industry, Division of Insurance

The State of Nevada, Department of Business and Industry, Division of Insurance (“Division”), (775) 687-0700, will hold a public hearing **on November 30, 2016, at 9:30 a.m.**, at the Division’s office located at 1818 East College Parkway, Suite 103, Carson City, Nevada 89706, in the 1<sup>st</sup> floor hearing room. Interested persons may also participate through a simultaneous videoconference conducted at the Division’s office in the Bradley Building, 2501 East Sahara Avenue, Suite 302, Las Vegas, Nevada 89104, in the 3<sup>rd</sup> floor conference room. The purpose of the hearing is to receive comments from all interested persons regarding the adoption, amendment or repeal of the regulation(s) that pertain(s) to **chapter(s) 680C** of the Nevada Administrative Code (“NAC”).

The following information is provided pursuant to the requirements of Nevada Revised Statute (“NRS”) 233B.0603 and the directives of the Governor:

### **LCB File No. T006-16. Annual Fees.**

A REGULATION relating to insurance; revising initial and annual fees paid by certain insurers.

#### (1) Why is the regulation necessary and what is its purpose?

In 2015 the Legislature changed NRS 680C.110, giving the Commissioner the authority to determine annual fees based on certain factors while abolishing three fees. The statute requires the Commissioner to consider the direct written premiums, the number of insurers who pay the fee, and the budget of the Division in developing the fee structure; and, to present the Division’s proposed budget in a public meeting to allow for public input. Regulation R001-16 created the framework for the Division to implement the fee structure, imposing the time period when the Division must notify the carriers of the annual fee, and a requirement that a public hearing be held on even-numbered years to present the preliminary budget.

The purpose of the regulation is to establish the new fees based on the Division’s needs as expressed through the proposed budget for the next budget cycle.

#### (2) What are the terms or substance of the proposed regulation?

The subject is annual fees. The issue is that the Division was required to establish how it would determine annual fees, which the Division did through R001-16. This regulation seeks to establish the annual fees based on the Division’s proposed budget for the next biennium. The proposed

A substantively identical permanent regulation may be subsequently adopted.

regulation also establishes when the annual fee is due, and when the annual fee will start being collected.

(3) What is the anticipated impact of the regulation on the problem(s)?

The Division anticipates that the proposed regulation will clarify the Division's funding needs, as well as the Division's intention to reduce examination administrative fees that are currently charged to domestic insurance carriers.

(4) Do other regulations address the same problem(s)?

No.

(5) Are alternate forms of regulation sufficient to address the problem(s)?

No, because the statutory change imposes this requirement on the Division.

(6) What value does the regulation have to the public?

It allows for the Division's funding to be open and transparent, and also invites the public's input.

(7) What is the anticipated economic benefit of the regulation?

a. Public

2. Long Term: None

b. Insurance Business

(9) What is the anticipated cost of the regulation, both direct and indirect?

a. Enactment – No direct cost, but the Division is now required to review fees annually based on the Division’s proposed budget, and hold public meetings.

b. Enforcement – Since the fees are being restructured, there is no effect on enforcement.

c. Compliance – No anticipated cost since carriers already pay fees.

(10) Does the regulation establish a new fee or increase an existing fee?

The temporary regulation increases an existing fee. The increase is based on the legislative change in 2015 when the Legislature modified NRS 680C.110 to give the Commissioner some flexibility regarding the industry funding of the Division. These changes were made to allow the Division to adapt fees as needed and to avoid accumulating too high a reserve. The Legislature abolished three fees in favor of allowing the Commissioner to impose one adjustable fee under Corporate Assessments. The Division was required to promulgate regulations to institute the tiered fee structure, which occurred in R001-16, adopted in June 2016. This temporary regulation uses the process to arrive at the tiered fee structure mandated by the Legislature.

(11) Provide a statement which identifies the methods used by the agency in determining the impact of the proposed regulation on a small business, prepared pursuant to subsection 3 of NRS 233B.0608.

The Division conducted a comparative analysis of the proposed fee structure with the fee and examination administrative fees currently collected by the Division. The Division also presented its position at two of the Commissioner's insurance advisory committee meetings to get feedback from the industry. Both meetings were open to the public.

(12) Provide a description of any regulations of other state or local governmental agencies which the proposed regulation overlaps or duplicates, and a statement explaining why the duplication or overlapping is necessary. If the regulation overlaps or duplicates a federal regulation, state the name of the regulating federal agency.

None.

(13) If the regulation is required pursuant to federal law, provide a citation and description of the federal law.

Not applicable.

(14) If the regulation includes provisions which are more stringent than a federal regulation that regulates the same activity, provide a summary of such provisions.

Not applicable.

Persons wishing to comment upon the proposed action of the Division may appear at the scheduled public hearing or may address their comments, data, views or arguments, in written form, to the Division, 1818 East College Parkway, Suite 103, Carson City, Nevada 89706. **Written submissions must be received by the Division on or before November 9, 2016.** If no person who is directly affected by the proposed action appears to request time to make an oral presentation, the Division may proceed immediately to act upon any written submissions.

A copy of this notice and the regulation will be on file at the State Library, 100 North Stewart Street, Carson City, Nevada, for inspection by members of the public during business hours. Additional copies of the notice and the regulation will be available at the offices of the Division, 1818 East College Parkway, Suite 103, Carson City, Nevada 89706, and 2501 East Sahara Avenue, Suite 302, Las Vegas, Nevada 89104, and in all counties in which an office of the agency is not maintained, at the main public library, for inspection and copying by members of the public during business hours. This notice and the text of the proposed regulation are also available in the State of Nevada Register of Administrative Regulations, which is prepared and published monthly by the Legislative Counsel Bureau pursuant to NRS 233B.0653, and on the Internet at **<http://leg.state.nv.us/register/>**. Copies of this notice and the proposed regulation will be mailed to members of the public upon request. A reasonable fee may be charged for copies if it is deemed necessary. This does not apply to a public body subject to the Open Meeting Law.

Upon adoption of any regulation, the agency, if requested to do so by an interested person, either before adoption or within 30 days thereafter, shall issue a concise statement of the principal reasons for and against its adoption, and incorporate therein its reason for overruling the consideration urged against its adoption.

Notice of the hearing was provided via electronic means to all persons on the agency's e-mail list for administrative regulations, and this Notice of Intent to Act Upon Regulation was posted to the agency's Internet Web site at <http://doi.nv.gov/> and was provided to or posted at the following locations:
