AUTHORITY: §§1, 2 and 4, NRS 284.065, 284.155, 284.250 and 284.327, as amended by section 1 of Assembly Bill No. 192, chapter 189, Statutes of Nevada 2017, at page 1016; §3, NRS 284.065, 284.155 and 284.250; §§5 and 6, NRS 284.065 and 284.155.

A REGULATION relating to the State Personnel System; revising provisions governing lists of eligible persons for appointment to a position in the State Personnel System; revising provisions governing the temporary limited appointment of persons with disabilities; revising provisions relating to offers of employment made to an eligible person selected from a certified list for employment; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:

Existing regulations set forth the order of priority assigned to various types of lists of eligible persons for appointment to a position in the state personnel system. (NAC 284.358) **Section 1** of this regulation specifies that appointing authorities are required to follow this order of priority unless otherwise provided in chapter 284 of NRS or chapter 284 of NAC.

Existing law encourages and authorizes agencies in the Executive Department of the State Government to make temporary limited appointments of certified persons with disabilities to positions in government service for a period not to exceed 700 hours. This provision of existing law is commonly referred to as the “700-hour program.” During the 2017 Legislative Session, the Legislature enacted Assembly Bill No. 192 to amend existing law to require, rather than authorize, appointing authorities to make such temporary limited appointments unless certain limited exceptions apply. (NRS 284.327, as amended by section 1 of Assembly Bill No. 192, chapter 189, Statutes of Nevada 2017, at page 1016) Pursuant to A.B. No. 192, this requirement becomes effective on January 1, 2018. **Section 1** of this regulation removes language which indicates that such temporary limited appointments are optional rather than mandatory.

Existing regulations provide the procedures that the Division of Human Resource Management of the Department of Administration must follow when providing reemployment

lists and other lists of eligible persons to an appointing authority. (NAC 284.360) **Section 2** of this regulation revises those procedures to specifically require the Division to certify and provide each list to the appointing authority in accordance with the order of priority set forth in **section 1**. **Section 2** also removes language providing that eligible persons who have requested a transfer or who have a certified disability and qualify for temporary limited appointments must be placed on the same list.

Existing regulations provide that an eligible person selected from a reemployment list must accept or refuse an offer for reemployment within a certain number of days depending upon whether the offer was: (1) sent by mail to the person; or (2) made orally to the person. (NAC 284.361) **Section 3** of this regulation expands the application of those provisions from only offers for reemployment to all offers for employment that are made to an eligible person selected from any certified list for employment. **Section 5** of this regulation makes conforming changes.

Existing regulations describe the procedures followed by the Division of Human Resource Management when compiling a list of persons with disabilities who are eligible for temporary limited appointments. (NAC 284.364) **Section 4** of this regulation provides the standards that must be used by an appointing authority when selecting a person from the list if the list includes more than one qualified person.

Section 6 of this regulation provides that this regulation becomes effective on January 1, 2018, or upon filing with the Secretary of State, whichever occurs later.

~~(a) Eligible~~ persons who are available for appointment and who are certified on reemployment lists, other than seasonal reemployment lists, must be hired in the order in which they appear unless the appointing authority, upon submitting written justification, obtains the written concurrence of the Governor to deviate from the order of priority or to hire from another list. The appointing authority must make the written justification available for examination by affected persons or their designated representatives.

~~{b}~~ 2. A person must accept or refuse an offer of ~~{reemployment:~~

~~{2}~~ (b) If the offer is an oral offer of ~~{reemployment}~~ *employment*, within 3 business days after the oral offer has been made.

~~{2}~~ 3. The appointing authority may request selective certification for a particular position if the normal method of certification does not provide candidates qualified to perform the duties of the position satisfactorily. Where selective certification is necessary, the appointing authority shall furnish in writing the special requirements peculiar to the position and his or her reasons

therefor. If the facts and reasons justify such a method of selection, the Division of Human Resource Management may certify the highest ranking eligible persons who possess the special qualifications.

~~13.1~~ 4. Certification of only eligible persons who are the same sex ~~1will1~~ *must* not be made unless there is clear evidence that the duties assigned could be performed efficiently only by the sex specified.

~~14.1~~ 5. When using ranked lists other than those for reemployment, the appointing authority shall attempt to communicate, as provided in NAC 284.373, with at least 5 persons in the first 10 ranks to determine their availability and qualifications. The names on each type of list must be considered before names from the next succeeding list. If there are fewer than 10 ranks with persons who are available for appointment on a given list and the appointing authority requests a full complement of 10 ranks, the name or names at the top of the next succeeding list must be combined with those on the preceding list to establish 10 eligible ranks with persons who are available for appointment. Except as otherwise provided in subsection ~~16.1~~ 7, all competitive appointments from ranked lists must be made from the persons who:

- (a) Are in a rank of persons who received the 10 highest scores on the examination; and
- (b) Are available for appointment.

~~15.1~~ 6. If the list is unranked or waived, the appointing authority shall attempt to communicate, as provided in NAC 284.373, with at least five eligible persons he or she deems most qualified based upon a review of their respective qualifications as they relate to the position or class, or with all of the eligible persons if there are five or less. Except as otherwise provided in subsection 1, any eligible person who is certified from an unranked or waived list may be appointed.

~~16.1~~ 7. If persons from fewer than five ranks of eligible persons are willing to accept appointment:

(a) The appointing authority may make an appointment from among those remaining available eligible persons.

(b) Certification and appointment may be made from other appropriate lists, including lists of higher grades as determined by the Division of Human Resource Management. The names from other lists ~~will~~ *must* follow those which have been certified, if any, from the original lists.

(c) A new recruitment may be conducted.

(d) A provisional appointment may be made only if the requirements of NAC 284.406 are met.

Sec. 4. NAC 284.364 is hereby amended to read as follows:

284.364 1. Pursuant to NRS 284.327, *as amended by section 1 of Assembly Bill No. 192, chapter 189, Statutes of Nevada 2017, at page 1016*, the Rehabilitation Division of the Department of Employment, Training and Rehabilitation may provide to the Division of Human Resource Management the names of persons with disabilities certified by the Rehabilitation Division who are eligible for temporary limited appointments of 700 hours' duration. Upon receipt from the Rehabilitation Division of the job applications and job recommendations, the Division of Human Resource Management ~~will~~ *must* evaluate the information against the job requirements and minimum qualifications of the recommended classes. Through noncompetitive means, the names of qualified persons ~~will~~ *must* be placed ~~in a 700-hour category on the eligible list~~ *on a list of persons with disabilities who are eligible for temporary limited appointments pursuant to NRS 284.327, as amended by section 1 of Assembly Bill No. 192, chapter 189, Statutes of Nevada 2017, at page 1016*, and certified to the requesting agency for

consideration. *If the list includes more than one qualified person, the appointing authority must appoint the most qualified person based upon a review of the respective qualifications of each person as the qualifications relate to the position or class and the ability of each person to perform the essential functions of the position.*

2. A current probationary or permanent state employee who occupies a permanent full-time position is not eligible for the provisions of this section unless his or her disability jeopardizes his or her continued employment in his or her present position and placement on the list does not merely circumvent the provisions of this chapter governing promotion or transfer.

Sec. 5. NAC 284.618 is hereby amended to read as follows:

284.618 1. In lieu of being laid off, a permanent employee may choose to be voluntarily demoted to a vacant position or displace an employee within the department and geographical location where employed to one of the next lower classes:

- (a) Within his or her current class series and option; or
- (b) Within the class series and option from which he or she was appointed to his or her current position during current continuous service if he or she cannot be demoted pursuant to paragraph (a).

↪ For the purposes of this subsection, divisions of the Department of Health and Human Services and the Nevada System of Higher Education shall be deemed to be departments.

2. No employee in a higher class may displace an employee in a lower class who has more seniority. If an employee chooses to displace another, he or she must displace the member of the next lower class who has the least seniority. If that member has more seniority, the displacing employee must descend further in the class series.

3. The employees displaced reestablish the layoff class.

4. An employee may choose to displace another only if he or she meets the minimum qualifications for the class, option and position. For the purposes of this subsection, qualifications for a position may be different from those of the class and option only when selective certification is required pursuant to subsection ~~2~~ 3 of NAC 284.361.

5. Full-time, part-time and seasonal employees must be treated separately and can only displace like employees.

6. Displacement is always a movement to a class at a lower grade.

7. A current employee who elects to displace another employee has priority over former employees already on reemployment lists.

8. The pay of the employee who is taking a voluntary demotion cannot exceed the highest step for the class to which the employee is being demoted. If the current pay falls within the lower rate range, no reduction in pay may occur unless money is not available as certified by the Chief of the Budget Division or, in the case of an agency which is not supported from the State General Fund, as certified by the administrator of that agency.

Sec. 6. This regulation becomes effective on January 1, 2018, or upon filing with the Secretary of State, whichever occurs later.
