INFORMATIONAL STATEMENT

The following statement is submitted for adopted amendments to Nevada Administrative Code 391:

**1. A clear and concise explanation of the need for the adopted regulation.**

The need and purpose of the proposed amendments to NAC Chapter 391 are based on recommendations from the Nevada Department of Education. Proposed amendments are related to education; existing law requires the Commission on Professional Standards in Education to adopt regulations prescribing the qualifications for licensing teachers and other educational personnel. (NRS 391.019) Assembly Bill No. 77 of the 2017 Legislative Session amended existing law to authorize the Superintendent of Public Instruction to issue a license to teach pupils in a program of early childhood education. (NRS 391.031, as amended by section 21 of Assembly Bill No. 77, chapter 341, Statutes of Nevada 2017, at page 2120) **Sections 1 and 4** of this regulation amend references to an endorsement as a substitute teacher in kindergarten through grade 12 to instead refer to an endorsement as a substitute teacher in early childhood education through grade 12. **Section 4** also authorizes a person who holds a license to teach pupils in a program of early childhood education to serve as a substitute teacher. **Sections 2-4** of this regulation additionally provide that an applicant for the issuance or renewal of a special license with an endorsement to serve as a substitute teacher in early childhood education through grade 12 is exempt from requirements to pass a competency test and complete continuing education that apply to licensees generally if he or she is not also applying for the issuance or renewal of another license or endorsement for which he or she is subject to those requirements.
