

NOTICE OF INTENT TO ACT UPON A REGULATION
Notice of Hearing for Revision of certain Regulations of the
Nevada Division of State Parks

The Nevada Division of State Parks will hold a public hearing at 2:30 p.m., on Wednesday November 29, 2017, at the Bryan Building, 901 South Stewart Street, Tahoe Hearing room, 2nd Floor, Carson City, Nevada Division of State Parks 4747 Vegas Drive, Las Vegas and the Nannini Administration Building, 540 Court Street Room 102, Elko. The purpose of the hearing is to receive comments from all interested persons regarding the revisions of regulations that pertain to chapter NAC 407 of the Nevada Administrative Code.

The following information is provided pursuant to the requirements of NRS 233B.0603:

1. The need for and the purpose of the proposed regulations or amendments are to streamline fees and simplify permits offered throughout the state while keeping changes as revenue neutral as possible.
2. Multiple regulations will be impacted, however all of the changes revolve around minimizing the number of different permits for sale and standardizing fees at parks throughout the state as much as is practical.
3. There will be no impact to “business” and should be little to no impact to the public as some fees are increasing slightly, while others are decreasing making it a revenue neutral endeavor.
4. There will be zero cost to the agency, as we are currently enforcing fees throughout the state park system, these revisions will only change the amount that is required to obtain a permit or day use entrance. These revisions will result in a need for new signage, however fee signs throughout the state have outlived their useful life and are due to be replaced at this time.
5. There is no overlap as our agency is solely responsible for collecting fees at the properties that we manage.
6. These revisions have no relationship to federal law. Not applicable.
7. These revisions have no relationship to federal regulations. Not applicable.
8. The recommended changes increase some user fees, while reducing other user fees. It establishes fees for cabins (yet to be built) and establishes fees at two new parks that have yet to open allowing the agency the ability to collect fees once the parks / facilities open for business.

Persons wishing to comment upon the proposed action of Nevada Division of State Parks may appear at the scheduled public hearing or may address their comment, data, views, or argument, in written form, to Nevada Division of State Parks 901 South Stewart Street Suite 5005, Carson City Nevada 89701.
