

**ADOPTED REGULATION OF
THE STATE BOARD OF EDUCATION**

LCB File No. R096-17

EXPLANATION – Matter in *italics* is new; matter in brackets ~~omitted material~~ is material to be omitted.

AUTHORITY: §§1, 2 and 14, NRS 385.080; §§3, 4 and 13, NRS 385.080 and 389.167, as amended by section 2 of Senate Bill No. 66, chapter 596, Statutes of Nevada 2017, at page 4334; §5, NRS 385.080, 385.114, 388.360, as amended by section 10 of Senate Bill No. 301, chapter 115, Statutes of Nevada 2017, at page 503, and 389.021; §§6-8, NRS 385.080, 385.114, 388.360, as amended by section 10 of Senate Bill No. 301, chapter 115, Statutes of Nevada 2017, at page 503, and NRS 389.167, as amended by section 2 of Senate Bill No. 66, chapter 596, Statutes of Nevada 2017, at page 4334; §§9-12, NRS 385.080 and 385.114.

A REGULATION relating to education; prescribing the requirements concerning an application to offer, operate and participate in a work-based learning program; prescribing the duties of certain personnel who oversee a work-based learning program or program of work and study and an employer of a pupil enrolled in such a program; revising requirements concerning the operation of a course of work and study; prescribing the contents of a report on a work-based learning program; prescribing the procedure for approval or disapproval of such a report or of an application to operate a work-based learning program; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:

Existing law authorizes the State Board of Education to establish policies or regulations for the promotion of career and technical education. (NRS 388.360, as amended by section 10 of Senate Bill No. 301, chapter 115, Statutes of Nevada 2017, at page 503) Existing law also authorizes the board of trustees of a school district or the governing body of a charter school to offer a work-based learning program upon application to and with the approval of the State Board. (NRS 389.167, as amended by section 2 of Senate Bill No. 66, chapter 596, Statutes of Nevada 2017, at page 4334) **Section 13** of this regulation prescribes the requirements for such an application. **Section 3** of this regulation: (1) prescribes the acceptable subject matter of a work-based learning program; (2) requires a pupil who wishes to participate in a work-based learning program to complete an application; and (3) imposes certain additional requirements concerning a work-based learning program.

Existing law requires a school district or charter school that offers a work-based learning program to designate an employee to serve as the work-based learning coordinator to coordinate and oversee the work-based learning program. (NRS 389.167, as amended by section 2 of Senate Bill No. 66, chapter 596, Statutes of Nevada 2017, at page 4334) **Section 4** of this regulation

prescribes the duties of the work-based learning coordinator, which include assigning a teacher of record to evaluate the performance of a pupil who participates in an apprenticeship or paid work experience as part of the work-based learning program. **Section 7** of this regulation prescribes the duties of a teacher of record.

Section 6 of this regulation authorizes a school district or charter school to offer a program of study in career and technical education that includes an apprenticeship or paid work experience as part of an approved work-based learning program. **Section 6** also prescribes the requirements for: (1) a pupil to participate in a program of study in career and technical education that includes an apprenticeship or paid work experience; and (2) the instruction provided in such a program. **Section 6** additionally requires such a program to allow a pupil to maintain progress toward graduation from high school while participating in the apprenticeship or paid work experience. **Section 8** of this regulation prescribes the duties of the employer of a pupil in a program of study in career and technical education that includes an apprenticeship or paid work experience.

Existing regulations authorize a school board to offer as an elective course in a public high school a course in skills needed to obtain employment. (NAC 389.516) **Section 5** of this regulation broadens that authorization to include any work-based learning program described in **sections 6-13** of this regulation.

Existing regulations prescribe the requirements for a course in skills needed to obtain employment. (NAC 389.644-389.650) **Sections 9-12** change the name of such a course to refer instead to a “course of work and study.” **Section 9** also: (1) removes existing requirements concerning instruction provided in such a course; and (2) requires a pupil enrolled in such a course to work a prescribed amount of hours. **Section 14** of this regulation repeals existing requirements concerning hours worked as part of a supervised program which combines work and study. **Section 1** of this regulation makes a conforming change.

Section 10 revises the eligibility requirements for a pupil to enroll in a course of work and study. **Section 11** requires: (1) the board of trustees of a school district or governing body of a charter school that offers a course of work and study to designate a teacher of record for the course; and (2) the teacher of record to document the hours worked by each pupil enrolled in the course. **Section 12** requires an employer participating in a course of work and study to provide direct supervision of and liability and workers compensation insurance for pupils employed by the employer.

Existing law requires the board of trustees of a school district or governing body of a charter school that offers a work-based learning program to prepare and submit each odd-numbered year to the State Board and the Legislature a report concerning the manner in which the program has been carried out. (NRS 389.167, as amended by section 2 of Senate Bill No. 66, chapter 596, Statutes of Nevada 2017, at page 4334) **Section 13:** (1) prescribes the required contents of such a report; (2) removes an existing regulatory requirement to compile and submit a similar report to the State Board twice each year; and (3) prescribes the procedure by which the State Board will approve or disapprove such a report or an application to offer a work-based learning program.

Section 1. NAC 387.185 is hereby amended to read as follows:

387.185 1. Except as otherwise provided in NAC 387.193, a pupil may be counted as in attendance only if the pupil is actually at school or engaged in an activity which is:

- (a) Sponsored by the school;
- (b) Part of the program of the school; and
- (c) Personally supervised by a member of the staff of the school.

2. Except as otherwise provided in NAC 387.193, 387.286 ~~+~~ and 387.291 : ~~and 387.306;~~

(a) A full day of attendance must be recorded for a pupil if he or she is in attendance for at least two-thirds of the required number of minutes in the daily session for the pupil's grade or department or, if applicable, if he or she is in attendance for at least two-thirds of the required number of class periods per day, as determined by the school district; and

(b) A half-day of attendance must be recorded for a pupil if he or she is in attendance for at least one-third of the required number of minutes in the daily session for the pupil's grade or department or, if applicable, if he or she is in attendance for at least one-third of the required number of class periods per day, as determined by the school district.

Sec. 2. Chapter 389 of NAC is hereby amended by adding thereto the provisions set forth as sections 3 and 4 of this regulation.

Sec. 3. 1. *A work-based learning program may consist of:*

(a) For pupils enrolled in kindergarten and grades 1 to 9, inclusive, career exploration activities, including participation in career fairs, company tours and events with guest speakers;

(b) For pupils enrolled in grades 9 to 12, inclusive, career preparation activities, including job shadowing for not more than 3 days, school-based enterprises and supervised agricultural experiences; and

(c) For pupils enrolled in grades 11 and 12, career training activities, including internships, apprenticeships, supervised agricultural experiences and paid work experiences.

2. A pupil may apply to participate in a work-based learning program by completing and submitting to the board of trustees of the school district in which the pupil attends school or governing body of the charter school that the pupil attends the application prescribed by the board of trustees or the governing body, as applicable, and included in the application of the board of trustees or governing body to offer the work-based learning program pursuant to subsection 1 of NAC 389.825.

3. A pupil who is authorized to participate in a work-based learning program shall be deemed to be attending school for the time during which the pupil documents participation in the program.

4. The hours of credit awarded to a pupil who successfully completes a work-based learning program must equal the hours of credit awarded for successfully completing a course that requires a pupil to spend the same amount of time in class as the program requires a pupil to spend in class or serving as an employee or apprentice.

5. The site at which a pupil performs activities as part of a work-based learning program that requires the pupil to perform more than 30 hours of activities during a semester must:

(a) Be approved by the work-based learning coordinator of the program; and

(b) Provide reasonable accommodations for pupils with disabilities.

6. As used in this section:

(a) “School-based enterprise” means a business set up and run by supervised pupils learning to apply practical skills in the production of goods or services for sale or use by others.

(b) “Supervised agricultural experience” means a program through which pupils are given opportunities to apply academic and occupational skills in the agricultural workplace or a simulated agricultural workplace.

Sec. 4. In addition to the duties prescribed by NRS 389.167, as amended by section 2 of Senate Bill No. 66, chapter 596, Statutes of Nevada 2017, at page 4334, a work-based learning coordinator shall coordinate and oversee the work-based learning program, including, without limitation, by:

1. Establishing and maintaining a list of approved businesses, agencies and organizations as required by paragraph (c) of subsection 3 of NRS 389.167, as amended by section 2 of Senate Bill No. 66, chapter 596, Statutes of Nevada 2017, at page 4334;

2. Ensuring that, at least once each semester, an employee of the school district or charter school visits and reviews sites at which pupils participating in the program perform activities for credit as part of the program;

3. Providing to the board of trustees of a school district or governing body of a charter school, as applicable, information necessary to prepare the report described in subsection 7 of NRS 389.167, as amended by section 2 of Senate Bill No. 66, chapter 596, Statutes of Nevada 2017, at page 4334; and

4. If the work-based learning program includes apprenticeships or paid work experiences:

(a) Promoting an ongoing interaction between pupils and persons involved in industry and business to strengthen relations between the school and the community;

(b) Informing pupils, employers, parents, teachers and other school personnel of their responsibilities concerning the work-based learning program and fostering communication between all such parties;

(c) Visiting or ensuring that qualified school personnel visit each site at which a pupil is participating in an apprenticeship or employed to consult with pupils and employers, assess the progress of the pupil concerning the apprenticeship or employment concerning attitude, skills and knowledge and ensure that the pupil is receiving an appropriately comprehensive experience;

(d) If the work-based learning coordinator is supervising a pupil who is employed or serving as an apprentice in a field in which the coordinator does not hold an endorsement, meeting not less than two times during the semester with the teacher of record for the program of study to ensure that the instruction provided to the pupil supports the needs of the pupil and his or her employer;

(e) Retaining for not less than 1 year after the pupil completes or otherwise stops participating in the work-based learning program any evaluation of the performance of the pupil and documentation of the hours worked and wages earned by the pupil in the program;

(f) Coordinating, in collaboration with the teacher of the program of study, the apprenticeship or employment with the program of study and the career interests of the pupil;

(g) Maintaining knowledge of applicable federal and state labor law;

(h) Maintaining a copy of the evidence of insurance provided by the employer of a pupil pursuant to subsection 6 of NAC 389.566; and

(i) Assigning a teacher of record to evaluate the performance of a pupil in an apprenticeship or paid work experience. The work-based learning coordinator may serve as a teacher of record if he or she holds a valid teaching license.

TEXT OF REPEALED SECTION

387.306 Pupil in program which combines work and study. (NRS 385.080, 387.123)

1. Any pupil who participates in a program supervised by the school district which combines work and study shall be deemed to be in full attendance for a day if the combined number of minutes during which he or she is in attendance at school and work equals more than two-thirds of the number of minutes required for the daily session of his or her grade or category.

2. A pupil in grade 12 who attends less than two-thirds of a 330-minute daily session and who is not participating in a supervised program which combines work and study is not in full

attendance for the day even though he or she is attending a sufficient number of classes to graduate.

3. A pupil participating in a supervised program which combines work and study must be reported as enrolled on the monthly reports submitted to the Department.
