the end-of-course final must comprise when determining the overall grade of a pupil in the course for which the end-of-course final is administered. (Section 41.3 of Assembly Bill No. 7, chapter 501, Statutes of Nevada 2017, at page 3245) **Section 3** of this regulation prescribes the courses for which an end-of-course final must be administered. **Section 4** of this regulation prescribes: (1) the procedure by which the board of trustees of a school district or the governing body of a charter school is required to submit a list of courses to the Department of Education and the State Board for approval as being aligned to the subject matter of each course; and (2) the percentage of the overall grade of a pupil that the end-of-course final must comprise. **Sections 1, 6 and 8-11** of this regulation require an end-of-course final to be administered in the same manner as other standardized examinations. **Section 8** further provides for the confidentiality of questions that appear on an end-of-course final and approved answers to such questions. **Section 13** of this regulation requires the Department to publish standards for each end-of-course final on or before June 1 of each year.
