AUTHORITY: §1, NRS 385.080, 385.114, 389.018 and 390.600.

A REGULATION relating to education; revising the criteria for certain pupils to receive a standard high school diploma; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law requires the State Board of Education to adopt regulations that prescribe the criteria for a pupil to receive a standard high school diploma, including, without limitation, a requirement that, commencing with the graduating class of 2022 and any graduating class thereafter, a pupil successfully complete a course of study designed to prepare the pupil for graduation from high school and for readiness for college and career. (NRS 390.600) Existing regulations prescribe the units of credit required to receive a standard diploma from high school. (NAC 389.664) This regulation adds a requirement that a pupil in the graduating class of 2022 or any class thereafter earn 2 units in a course of study of college and career ready flex credit to receive a standard high school diploma. This regulation also prescribes the criteria for a course of study in college and career ready flex credit.
