3. As used in this section, "solicit" includes, without limitation, the following activities conducted in a passenger curb loading zone with the intent of inducing or attempting to induce persons by communication or other action to be transported in a particular fully autonomous vehicle in which those persons have not already prearranged a transportation service through the autonomous vehicle network company's dispatch center, digital network or software application:

Sec. 44. While on call, a fully autonomous vehicle of an autonomous vehicle network company may not be staged or standing in any passenger curb loading zone, unless the autonomous vehicle network company is seeking a specific passenger who has requested that a vehicle be dispatched to the location through the autonomous vehicle network company's dispatch, digital network or software application.

Sec. 48. *1. Each permit holder shall notify the Authority of the base rate currently in use, and file with the Authority any new base rate before its utilization.*

2. During an emergency, as defined in NRS 414.0345, an autonomous vehicle network company shall not charge a rate in excess of twice the base rate on file with the Authority upon the date of the emergency. If an autonomous vehicle network company chooses to charge a rate up to twice the base rate during such an emergency, it must disclose to the customer the rate charged by the company and the method by which the amount of the fare is calculated.

3. Except as otherwise provided in subsection 2, an autonomous vehicle network company shall not charge, demand, collect or receive a greater, lesser or different compensation for the

2. Upon receipt of the affidavit required by subsection 1, the Authority may issue a decal for the fully autonomous vehicle which:

2. To the extent that any action before the Authority is not covered by the provisions of sections 55 to 134, inclusive, of this regulation, the Authority may, to the extent it deems appropriate, use the applicable rule of the Nevada Rules of Civil Procedure.

Sec. 55. The provisions of sections 55 to 134, inclusive, of this regulation and any regulations incorporated by reference will be construed by the Authority or presiding officer so as to secure a just and speedy determination of the issues.

Sec. 56. Proceedings before the Authority are investigative on the part of the Authority, although the proceedings may be conducted in the form of adversary proceedings.

6. A person against whom a complaint is filed or a person who is the subject of an official investigation by the Authority must be styled a “respondent.”

Sec. 58. *1. The Authority will provide notice of the pendency of any matter before the Authority to the parties to the matter.*

2. The notice of pendency will specify that the party may, within 10 days after the date of the notice, request a hearing on the matter.

3. If no request for a hearing is received by the Authority, it will dispense with a hearing and act upon the matter unless it finds that a hearing is necessary.

Sec. 59. *The staff of the Authority may appear, be represented by the Attorney General and may otherwise participate in all proceedings before the Authority.*

Sec. 60. *1. At any proceeding before the Authority, each party of record is entitled to enter an appearance, introduce evidence, examine and cross-examine witnesses, make arguments, make and argue motions and generally participate in the proceeding to the extent allowed by the presiding officer.*

Sec. 63. *A representative wishing to withdraw from a proceeding before the Authority must provide written notice of his or her intent to withdraw to the Authority and each party to the proceeding.*

Sec. 64. 1. *Any person appearing in a proceeding must conform to recognized standards of ethical and courteous conduct required of practitioners before the courts of this State.*

2. *Contumacious conduct by any person at any hearing before the Authority is a ground for the exclusion of that person from that hearing and for summary suspension of that person from further participation in the proceedings. The Authority will bar any person excluded pursuant to this subsection from attending any further proceedings of the Authority unless the Authority grants a petition by that person pursuant to subsection 3.*

3. *Any person excluded from proceedings of the Authority pursuant to subsection 2 may petition the Authority to rescind the exclusion. The Authority will grant the petition if it finds*

sufficient evidence that the contumacious conduct which led to the exclusion of the person will not reoccur.

The initial notice issued by the Authority pursuant to section 58 of this regulation will state that certain information contained in the application, petition or filing has been requested to be treated as confidential information.

5. The Authority is responsible for the custody, maintenance and return or disposal of confidential information in the possession of the Authority and will:

(a) Maintain the confidential information separate and apart from all other records of the Authority; and

7. *A motion that involves the final determination of a proceeding, including, without limitation, a motion to dismiss, will be considered by the Authority at the time of the final decision and order, unless the presiding officer or the Authority determines that an expedited ruling would be in the public interest.*

8. *The presiding officer may rule on any motion made at a hearing which does not constitute a final determination of the proceeding.*

9. *A written motion, other than one made during a proceeding, must be served not later than 10 days before the date set for the hearing unless a different time is specified by the presiding officer.*

10. *Motions filed by different parties of record but involving the same point of law may be set for hearing at the same time.*

Information must be presented on only one side of the paper and must be double spaced, except for footnotes or quotations which are indented. All copies must be clear and permanently legible.

2. A pleading initiating a new proceeding must have space for the docket number.

3. Regardless of any error in the designation of a pleading, the Authority will accord the pleading its true status in the proceeding in which it is filed.

4. Except as otherwise ordered by the Authority, the facts set forth in an amendment or correction shall be deemed admitted if an answer to the amendment or correction is not filed. If a party wishes to answer an amendment or correction, he or she must file an answer within 15 days after the service of the amendment or correction unless the Authority or presiding officer directs otherwise.

5. Amendments or corrections made after the filing of an answer need not be answered.

6. Failure to file an answer or failure to indicate a jurisdictional defect in an answer does not waive the right to object to a jurisdictional defect.

Sec. 84. *An answer to a petition must:*

2. Be written so as to advise the Authority and parties of record fully of the nature of the answer;

3. Contain a separate statement and number for each material element of the answer;

5. *A protest at a hearing may be oral or written.*

6. *At a hearing, the presiding officer shall allow any protestant to enter an appearance in the proceeding. A protestant who desires to participate as a party of record in a proceeding must file a written petition for leave to intervene unless the presiding officer upon good cause shown allows an oral petition for leave to intervene. A protestant is entitled to participate as a party of record only to the extent that leave to intervene is granted.*

Sec. 90. *1. An autonomous vehicle network company or broker which receives a request for a response to a complaint shall file with the staff of the Authority a written response to the request within 15 days after receiving the complaint unless, for good cause shown, the staff extends the time for responding.*

2. *The response must include, without limitation:*

Sec. 91. 1. *When the staff of the Authority receives a response to a formal written complaint, it shall examine the complaint, the response and any other information it has obtained which is necessary for the resolution of the complaint.*

2. *After completing an investigation of the matter set forth in the formal written complaint, the staff of the Authority shall notify all parties of the results of the investigation and shall recommend any action that the parties should take to resolve the complaint.*

Sec. 92. 1. *If the staff of the Authority cannot resolve a formal written complaint, either because it determines that the complaint cannot be resolved or the complainant is not satisfied with the recommendation of the staff, the staff shall inform all parties that the complaint has been transmitted to the Authority for review.*

2. *In addition to transmitting the formal written complaint, the results of its investigation and its recommendation to the Authority, the staff of the Authority shall transmit:*

A copy of the entry in the minutes of the Authority showing the dismissal of the complaint by the Authority and a short statement of the reasons for the dismissal will be served upon the complainant and respondent.*

Sec. 94. *If the Authority determines that probable cause exists for a formal written complaint received by the staff of the Authority, it will:*

- 1.** *Set a date for a public hearing on the complaint.*
- 2.** *Order appropriate interim relief. If the complaint relates to bills or deposits, the Authority, without hearing or formal order and in the absence of unusual circumstances, will,*

Sec. 95. 1. *The Authority will directly investigate any formal written complaint filed by an autonomous vehicle network company or broker.*

2. Such a complaint must be in writing and contain:

3. The action taken and the agreements made at a prehearing conference:

- (a) Must be made a part of the record.*

(b) Control the course of subsequent proceedings unless modified at the hearing by the presiding officer.

(c) Are binding upon all parties and persons who subsequently become parties to the proceeding.

4. In any proceeding the presiding officer may call all the parties together for a conference before the taking of testimony or may recess the hearing for such a conference to carry out the intent of this section. The presiding officer shall state on the record the results of such a conference.

Sec. 97. 1. *In addition to complying with the requirements of NRS 233B.121 for a notice of hearing in a contested case, the Authority will include the words “notice of hearing” in any such notice.*

2. The Deputy Commissioner shall file or cause to be filed an affidavit of publication with the Authority.

3. The Authority will cause such a notice to be published in an advertisement of at least 1 column inch by 3 inches, with a border on all sides, in newspapers selected as follows:

(a) If the Deputy Commissioner determines that the subject matter of the hearing will have a statewide effect, the notice will be published at least once in four or more newspapers of general circulation, which are published in this State, no two of which are published in the same county; or

(b) If the Deputy Commissioner determines that the subject matter of the hearing will have an effect on a limited number of counties only, the notice will be published once in a newspaper of general circulation published in each county where affected members of the

public reside. If there is no newspaper published in a county where affected members of the public reside, the notice will be published in a county adjacent to the county.

4. The Authority will serve notice of a hearing on the parties of record and publish the notice at least 10 days before the time set for the hearing.

5. A copy of the notice will be posted at each office of the Authority at least 3 days before the date set for the hearing.

Sec. 98. The Authority or presiding officer may, for good cause, either before or during a hearing, grant a continuance of the hearing for the convenience of the parties or the Authority.

Sec. 99. 1. If an applicant, petitioner, complainant or intervener fails to appear at the time and place set for hearing, the Authority may dismiss the application, petition, complaint or intervention with or without prejudice, or may, upon good cause shown, recess the hearing to a future date to be set by the Authority to enable the applicant, petitioner, complainant or intervener to attend.

2. If an applicant, petitioner, complainant or intervener fails to respond to a request for data from the staff of the Authority within 10 working days after the issuance of the request, the person designated by the Authority as the Deputy Commissioner shall, at the next regularly scheduled meeting of the Authority, move for dismissal of the application, petition, complaint or intervention.

Sec. 100. All testimony to be considered by the Authority in a formal hearing must be sworn testimony except for matters of which official notice is taken or matters entered by stipulation. Before testifying, each witness shall declare, under oath or affirmation, that the

testimony he or she is to give at the hearing will be the truth, the whole truth and nothing but the truth.

Sec. 101. 1. The presiding officer shall:

(a) Call a hearing to order and take the appearances of the parties who are present.

(j) Set reasonable limits of time for the presentation of oral testimony.

2. At the discretion of the presiding officer, the parties may make opening statements.

Sec. 102. 1. Applicants, petitioners or complainants may present their evidence first at a hearing. The presiding officer shall designate the stage of the proceeding at which each protestant or member of the staff of the Authority may be heard. Evidence must be received in the following order unless the presiding officer determines that a special circumstance requires a different order:

(a) Upon an application or petition:

(1) Applicant or petitioner;

(2) Staff of the Authority; and

(3) Rebuttal by the applicant or petitioner.

(b) Upon a complaint:

(1) Complainant;

(2) Respondent;

(3) Staff of the Authority; and

(4) Rebuttal by complainant.

(c) Upon a complaint by the Authority or an order to show cause:

(1) Staff of the Authority;

(2) Respondent; and

(3) Rebuttal by staff of the Authority.

2. A witness may be cross-examined on issues testified to by that witness by:

(a) The Authority;

(b) The Attorney General; and

(c) The staff of the Authority.

3. If there is more than one applicant, petitioner or complainant, the witnesses of all applicants, petitioners or complainants may present direct testimony on an issue before any of these witnesses may be cross-examined on that issue, unless otherwise ordered by the presiding officer.

4. If two or more matters are set for hearing at the same time and place, the matter having the lowest docket number will be heard first, unless the presiding officer directs a different order for the convenience of the parties.

Sec. 103. At a hearing on a proposed regulation, the presiding officer may allow the questioning of those persons submitting statements to clarify testimony. The cross-examination of persons who testify is not allowed. The period for comment may be extended by the Authority so that written comments on statements of other persons which are offered at the hearing may be submitted to the Authority.

Sec. 104. 1. A request by a party of record for an order for the appearance of a witness at any designated place of hearing or for the production of a book, paper or document must be made in the form of a written motion filed with the Authority or presiding officer.

2. A motion for an order to compel the production of a book, paper or document must set forth the reasons which support the issuance of the order and must identify, as clearly as possible, the book, paper or document desired.

3. If the motion is granted, the Authority will issue the order or the presiding officer shall issue the order on behalf of the Authority. Where appropriate, the issuance of the order may be conditioned upon an advancement by the moving party of the reasonable cost of the production of books, papers or documents.

4. The Authority will or the presiding officer shall, upon the Authority's or the presiding officer's own initiative or upon a written request by the party to whom the order is directed, quash or modify the order if it is determined to be unreasonable or oppressive.

5. The Authority or presiding officer may, upon the Authority's or the presiding officer's own initiative, issue an order requiring the attendance and testimony of witnesses and the production of a book, paper, document or other tangible thing.

Sec. 105. 1. *An objection to the admissibility of evidence may be made by any party of record, and the objection must be ruled on by the presiding officer. When an objection is made to the admission or exclusion of evidence, the grounds relied upon must be stated briefly. The presiding officer shall provide an opportunity for a party of record to respond to an objection raised by any other party regarding the admissibility of evidence. The responses must be brief and state the specific grounds relied upon.*

2. An offer of proof for the record must consist of a statement of the substance of the evidence to which an objection has been sustained.

Sec. 106. 1. *At the discretion of the presiding officer, a party to a proceeding shall submit a copy of prepared testimony and accompanying exhibits to be presented at a hearing to the Authority and to each party of record.*

2. An application filed for an adjustment in rates must be accompanied by the prepared testimony of the applicant at the time of filing. If the presiding officer so orders, additional copies of the prepared testimony of the applicant must be provided.

3. After delivery of the prepared testimony to the Authority, amendments to the prepared testimony may be made upon approval of the Authority or presiding officer.

4. Unless otherwise directed by the presiding officer, prepared testimony must be supported by a signed affirmation by the witness and submitted to the Authority as an exhibit. If circumstances so require, prepared testimony may be read into the record by the witness upon direct examination. The admissibility of prepared testimony will be determined pursuant to the provisions of this chapter which govern oral testimony.

Sec. 107. 1. *An exhibit must be limited in size to 8 1/2 by 11 inches when folded, unless otherwise allowed by the presiding officer. A copy of each documentary exhibit must be furnished to each party of record, and copies of each exhibit must be furnished to the Authority in such number as requested by the staff of the Authority or the presiding officer. The Authority will not or presiding officer may not request more than 10 copies of each documentary exhibit. A copy must be submitted to the court reporter or transcriber. If relevant evidence is included in a written or printed statement, book or document of any kind containing other matter not relevant and not intended to be put in evidence, the Authority will not or the presiding officer may not receive or admit the statement, book or document containing that other matter in whole. Counsel or other parties offering the evidence or exhibit shall present, in convenient and proper form for filing, a copy of the relevant portions or, at the discretion of the presiding officer, read these portions into the record. Any documentary evidence offered, whether in the form of an exhibit or introduced by reference, is subject to appropriate and timely objection.*

2. *If documents are numerous, including, without limitation, freight bills or bills of lading, and a party desires to offer into evidence more than a limited number of these documents as typical of the others, an orderly abstract of relevant data contained in these documents may be prepared and offered as an exhibit. Other parties of record may examine both the abstract and the source document.*

3. *In a proceeding involving detailed accounting exhibits, the presiding officer shall require each party to file with him or her and to serve on each party of record a copy of these exhibits within a specified time before the hearing to enable the parties of record to study the*

exhibits and to prepare cross-examination with reference to them. An amendment to an exhibit may be made after the exhibit has been filed with the presiding officer if it does not prejudice the rights of any party or if it corrects a clerical or mathematical error.

Sec. 108. *1. A properly authenticated resolution of a federal or state agency or division, the governing body of a city, town, county, regional or other municipal corporation or of a chamber of commerce, board of trade, labor union, corporation, commercial, mercantile, agricultural or manufacturing society or other civic organization must be received into evidence if offered by the president, secretary or other proper representative of the corporation or organization.*

2. The resolution will be received subject to rebuttal by adversely affected parties of record as to either the authenticity of the resolution or the circumstances surrounding its procurement. Recitals of fact contained in a resolution will only be received for the limited purpose of showing the expression of the official action of the resolving body on the matters under consideration in the proceeding.

Sec. 109. *1. At the hearing, the presiding officer may order the presentation of further evidence on any issue. The presiding officer may authorize the filing of specific documentary evidence as a part of the record within a fixed time after submission of the evidence. The presiding officer shall reserve exhibit numbers for exhibits which are filed late.*

2. After the hearing and before the entry of a final decision and order, the Authority or presiding officer may issue an order requesting the submission of additional exhibits. Such an order must:

(a) Specifically delineate the subject matter to be addressed.

(c) Require service of the exhibits upon all parties of record.

↪ A party of record may respond to or comment upon such exhibits.

Sec. 110. *1. All rulings made by the presiding officer regarding the admissibility of evidence are subject to review by the Authority. Any pending petition or motion that involves a final determination of the proceeding must be referred to the Authority for determination.*

2. In extraordinary circumstances, when a prompt decision by the Authority is necessary to promote substantial justice, the presiding officer shall refer the matter to the Authority for determination and may recess the hearing pending the determination.

Sec. 111. *1. The Authority may consolidate two or more dockets in any one hearing when it appears that the issues are substantially the same and that the rights of the parties will not be prejudiced by a consolidated hearing.*

2. At a consolidated hearing, the presiding officer shall determine the order in which the parties introduce their evidence and the general procedure to be followed during the course of the consolidated proceeding.

3. The presiding officer shall apportion the costs of the hearing among the parties in a manner not contrary to statute.

4. Unless the Authority orders otherwise, the Deputy Commissioner shall place the same date of issuance and the same effective date, if applicable, on all orders made by the Authority in relation to a consolidated hearing.

Sec. 112. *1. With the approval of the presiding officer, the parties may stipulate as to any fact in issue, either by written stipulation introduced in evidence as an exhibit or by an*

oral statement made upon the record. This stipulation is binding only upon the parties so stipulating and is not binding upon the Authority.

2. The stipulation may be considered by the Authority as evidence at the hearing. The Authority or presiding officer may require proof of the facts stipulated to by independent evidence, notwithstanding the stipulation of the parties. A stipulation without additional proof is not binding on the Authority in the determination of the matter.

Sec. 113. The Authority or presiding officer may, in the course of a proceeding and before entering a decision or a recommended decision, issue an appropriate written interim order. An interim order is not subject to exceptions or petitions for rehearing, reconsideration or reargument, but any party of record aggrieved by the interim order may file a written motion to set aside, stay or modify the order.

Sec. 114. The Authority or presiding officer may take official notice of the following matters:

1. Rules, regulations, official reports, decisions and orders of the Authority and any other agency of the State.

2. Contents of decisions, orders and permits issued by the Authority.

3. Matters of common knowledge and technical or scientific facts of established character.

4. Official documents, if pertinent and properly introduced into the record of formal proceedings by reference. A proper and definite reference to a document must be made by the party offering the document, and the document must be generally circulated to each party of record.

Sec. 115. *In a hearing, the presiding officer may order briefs to be filed within a reasonable time. The original and such copies of each brief as requested by the presiding officer, but not to exceed 10 copies, must:*

- 1. Be filed with the Authority;*
- 2. Contain all legal authority cited therein as exhibits; and*
- 3. Be accompanied by an acknowledgment of or an affidavit showing service on each party of record.*

Sec. 116. *The Authority may, after the filing of briefs or upon contested motions, set the matter for oral argument upon 10 days' notice to each party of record, unless the Authority considers a shorter time advisable.*

Sec. 117. *Unless otherwise specifically ordered, a matter stands submitted for decision by the Authority at the close of the hearing.*

Sec. 118. *At any time after the conclusion of a hearing and before the issuance of a final order, the Authority or presiding officer, on the Authority's or presiding officer's own motion, may reopen the proceedings for the taking of additional evidence.*

Sec. 119. *1. The presiding officer may require any party of record to file proposed findings of fact and conclusions of law at the close of the proceeding. The presiding officer shall fix the period within which these proposed findings and conclusions must be filed. No decision, report or recommended order may be made until after the expiration of this period.*

2. Each proposed finding of fact and conclusion of law must be clearly and concisely stated and numbered. Each proposed finding of fact must specifically show, by appropriate references to the transcript, the testimony which supports the statement.

3. An original and such copies of proposed findings of fact and conclusions of law, accompanied by a certificate of service, as requested by the presiding officer must be filed by each party with the Authority, and one copy must be served upon each party of record. A presiding officer may not request more than 10 copies of proposed findings of fact and conclusions of law.

4. Any party of record may petition the Authority for an extension of time in which to file proposed findings of fact and conclusions of law.

Sec. 120. *1. The date of the issuance of an order of the Authority is the day on which the Deputy Commissioner signs and verifies the order and affixes the seal of the Authority on the order. The Deputy Commissioner shall mail or deliver copies of the order to the parties of record not later than 1 day after the date of issuance. The date of issuance of an order may or may not be the day on which the Authority makes the decision. The Deputy Commissioner shall clearly indicate on each order the date of its issuance.*

2. Unless otherwise specifically provided in the order, an order of the Authority is effective as of the date of its issuance.

Sec. 121. *Any party may obtain a copy of the transcript of a hearing before the Authority from the official reporter upon payment of the fees fixed therefor. Each transcript must include an index of each exhibit presented at the hearing and copies of each exhibit. The original and two copies of each transcript must be provided to the Authority by the initiating party within 15 business days after the close of the hearing unless otherwise ordered by the presiding officer.*

Sec. 122. 1. *Any interested person may petition the Authority for a declaratory order or an advisory opinion as to the applicability of any statutory provision or any regulation or decision of the Authority. The Authority will retain discretion as to if and how such a petition will be addressed.*

2. *Hearings will be held by the Authority, if needed, to obtain information necessary or useful in formulating a declaratory order or advisory opinion.*

Sec. 123. *As used in sections 124 to 134, inclusive, of this regulation unless the context otherwise requires, the words and terms defined in sections 124, 125 and 126 of this regulation have the meanings ascribed to them in those sections.*

Sec. 126. *“Respondent” means a person against whom an administrative proceeding is initiated.*

Sec. 127. 1. *An administrative proceeding must be initiated by the staff of the Authority as provided in section 129 of this regulation. The staff may terminate an administrative proceeding at any time before a hearing without prejudice to the initiation of another administrative proceeding based upon the same set of facts.*

2. *An administrative proceeding must be conducted pursuant to the provisions of chapter 233B of NRS and those provisions of this chapter which do not conflict with the provisions set*

forth in chapter 233B of NRS regarding notice to parties and the opportunity of parties to be heard.

3. The provisions of sections 60 to 121, inclusive, of this regulation apply to an administrative proceeding, as if the hearing officer were the Authority or presiding officer, to the extent that those provisions do not conflict with the provisions of sections 124 to 134, inclusive, of this regulation and any applicable provisions of chapter 233B of NRS.

Sec. 128. *1. The staff of the Authority may initiate an administrative proceeding by:*

(b) The respondent shall deposit with the Authority a cashier's check or money order, payable to the Nevada Transportation Authority, for the amount of the agreed fine.

3. The agreement is not effective unless approved by the Authority. If the Authority approves the agreement, it will enter an appropriate final order. If the Authority does not approve the agreement, the administrative proceeding will be set for a hearing.

4. Upon termination of the administrative proceeding, the Authority will return to the respondent the amount deposited pursuant to subsection 2 which exceeds the amount of any fine imposed.

Sec. 130. 1. A hearing officer shall:

(a) Subscribe to the constitutional oath of office before exercising any of the powers or performing any of the duties of his or her office.

(b) Conduct a fair and impartial hearing in accordance with the law.

3. Except as otherwise provided in subsection 4, the Authority will enter a decision on the appeal at the same time it rules upon the proposed decision of the hearing officer received pursuant section 130 of this regulation.

4. If the hearing officer finds that a ruling on the appeal is necessary to prevent detriment to the public interest or irreparable harm to any person, the Authority may enter a decision on the appeal before it rules on the proposed decision of the hearing officer received pursuant to section 130 of this regulation.

Sec. 132. 1. *The Authority will review the decision of a hearing officer and enter a final order affirming, modifying or setting aside the decision.*

2. If a respondent fails to appear at the time and place set for an administrative proceeding, the Authority may impose a fine for the violations alleged in the complaint.

Sec. 135. Any application fee paid to the Authority before the effective date of this regulation must be credited to any fees due to the Authority pursuant to section 28 of this

regulation. Any additional amount owed by such an applicant must be remitted to the Authority not later than 15 days after the effective date of this regulation for the issuance of a permit.
