AUTHORITY: §1, NRS 501.105 and 501.181.

A REGULATION relating to fees; authorizing the Department of Wildlife to charge and collect a fee of \$1 for processing certain applications; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:

Existing law requires the Board of Wildlife Commissioners to establish policies and adopt regulations necessary to preserve, protect, manage and restore wildlife and its habitat in this State. (NRS 501.105) Existing law also authorizes a state agency, upon approval of the State Board of Finance, to enter into a contract with an issuer of credit cards or debit cards or an operator of a system that provides for the electronic transfer of money to provide for the acceptance of credit cards, debit cards or electronic transfers of money by the state agency for certain payments. If the issuer or operator charges the state agency a fee for each use of a credit card or debit card or for each electronic transfer of money, the state agency may require the cardholder or the person requesting the electronic transfer of money to pay a convenience fee when appropriate and authorized. (NRS 353.1465) Pursuant existing law, the Board has adopted regulations authorizing the Department of Wildlife to charge and collect, for applications that are submitted to the Department electronically, a fee of: (1) \$2 for a resident tag or bonus point; (2) \$3.50 for a nonresident tag or bonus point; and (3) \$2 for any other application. (NAC 502.118) This regulation deletes those fees and instead authorizes the Department to charge and collect a fee of \$1 for processing each application that is submitted to the Department electronically for any license, permit, tag, certificate of ownership, certificate of number or any other service provided by the Department.
