A REGULATION relating to education; revising the dates on which certain information relating to the Nevada Educational Choice Scholarship Program must be submitted; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:

Existing law establishes the Nevada Educational Choice Scholarship Program, whereby nonprofit organizations accept donations and provide grants to pupils from certain low-income families to allow the pupils to attend schools chosen by the parents or guardians of those pupils, which may include private schools. (NRS 388D.270) Existing regulations require each such organization and each school that is registered to participate in the Program to submit to the Department of Education certain information concerning pupils who are receiving scholarships on prescribed dates four times each year. (NAC 385.602, 385.6065) **Sections 1 and 3** of this regulation revise the dates on which this information must be submitted.

Existing regulations require a nonprofit organization that participates in the Program to calculate the household income of a pupil receiving a grant to verify that the pupil meets the income requirements of the Program. (NAC 385.6043) **Section 2** of this regulation clarifies that such calculations must be performed using the income reported on the application filed on behalf of the pupil.

Existing regulations require a nonprofit organization that participates in the Program to prioritize certain pupils for the awarding of grants. (NAC 385.6043) **Section 2** clarifies that a pupil who is entitled to priority must submit a timely application in order to be prioritized.

Section 1. NAC 385.602 is hereby amended to read as follows:

385.602 1. Each scholarship organization that is registered with the Department pursuant to NAC 385.6015 shall:

(III) Any portion of such money that has been used to pay for the transportation to and from the school; and

(4) The number of applications for a grant received by the scholarship organization for which a grant was not awarded and the reason that a grant was not awarded in each case.

(b) Annually submit to the Department the name of the school attended by each pupil on whose behalf a grant is provided during the school year immediately preceding the school year for which the grant is awarded or, if such a pupil was not enrolled in a school, whether the pupil was a homeschooled child, an opt-in child or was not required to attend school pursuant to NRS 392.040 for that school year.

2. The Department will annually:

(a) Compile the information submitted by each scholarship organization pursuant to subsection 1; and

grants available to award a grant on behalf of each pupil for whom a complete application was received on the same day:

(3) If two or more applicants are members of households that have the same household income and attend public schools that received the same rating based on the most recent annual report of the statewide system of accountability for public schools, grants must be awarded on behalf of pupils in this category on a random basis.
