AUTHORITY: §1, NRS 391.019.

A REGULATION relating to education; revising the requirements for the issuance of an endorsement to teach automotive service technology; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:

Existing law requires the Commission on Professional Standards in Education to adopt regulations prescribing the qualifications for licensing teachers and other educational personnel. (NRS 391.019) Existing regulations prescribe the requirements for the issuance of an endorsement to teach automotive service technology. (NAC 391.13065) This regulation revises the certifications required for the issuance of such an endorsement.

Section 1. NAC 391.13065 is hereby amended to read as follows:

391.13065 1. To receive an endorsement to teach automotive service technology, a person must:

- (a) Hold a secondary license;
- (b) Have satisfied the requirements for a major or minor in automotive service technology pursuant to NAC 391.13064; and

(c) Be certified by the National Institute for Automotive Service Excellence as:

- (1) A master automobile technician; or
- (2) An *auto maintenance and light repair technician and as an automobile and light truck* technician in the following areas:

(I) Brakes;

(II) Electrical and electronic systems; *and*

(III) ~~Engine performance; and~~

~~—(IV)—~~ Suspension and steering.

2. A person who has satisfied the requirements for an endorsement set forth in paragraphs (a) and (b) of subsection 1 but not the requirement of certification by the National Institute for Automotive Service Excellence required by paragraph (c) of that subsection may receive a provisional endorsement to teach automotive service technology. A provisional endorsement issued pursuant to this subsection is valid for 3 years and is not renewable.

3. A person who holds an endorsement to teach automotive service technology is entitled to receive 3 semester hours of credit toward the renewal of his or her license pursuant to NAC 391.065 for each area set forth in paragraph (c) of subsection 1 in which he or she is certified by the National Institute for Automotive Service Excellence as an *auto maintenance and light repair technician*, automobile *and light truck* technician or master automobile technician during the term of the license.
