AUTHORITY: §1, NRS 623A.130 and 623A.240; §§2-5, NRS 623A.130.

A REGULATION relating to landscape architects; increasing certain fees charged by the State Board of Landscape Architecture; revising provisions relating to the examination for a certificate to practice as a landscape architect intern; revising provisions concerning complaints filed against persons who hold a certificate of registration as a landscape architect or a certificate to practice as a landscape architect intern; and providing other matters properly relating thereto.

**Legislative Counsel’s Digest:**

Existing law requires the State Board of Landscape Architecture to adopt regulations for the administration of the provisions of law governing landscape architects. (NRS 623A.130)

Existing law requires the Board to set certain fees and authorizes the Board to charge and collect fees for any other services it provides. (NRS 623A.240) **Section 1** of this regulation increases certain fees charged by the Board.

Existing regulations provide that the examination for a certificate to practice as a landscape architect intern consists of two specific sections of a national examination. (NAC 623A.045, 623A.351) **Section 2** of this regulation revises the required sections of the national examination.

Existing law provides that any person who becomes aware that grounds for initiating disciplinary action against a person who holds a certificate of registration as a landscape architect or a certificate to practice as a landscape architect intern might exist is authorized to file a complaint with the Executive Director of the Board. (NRS 623A.290) Existing regulations require the President of the Board or a member of the Board designated by the President to review any such complaint to determine whether it is complete and, if so, provide a copy to the respondent (NAC 623A.507, 623A.509) **Sections 3 and 4** of this regulation require the Executive Director, instead of the President or a member of the Board designated by the President, to review any such complaint and provide a copy to the respondent. Existing regulations also provide that if a respondent fails to submit a written response to a complaint within 20 days after receiving a copy of the complaint, the respondent is deemed to have admitted the allegations in the complaint. (NAC 623A.509) **Section 4** removes this provision.

Existing regulations further authorize the President or a member of the Board designated by the President, the Executive Director and the legal counsel for the Board to determine parameters within which a complaint may be settled with a respondent. (NAC 623A.515)

**Section 5** of this regulation removes the involvement of the President or a member of the Board designated by the President in making such a determination.
