December 10, 2018

EXPLANATION – Matter in *italics* is new; matter in brackets ~~omitted material~~ is material to be omitted.

AUTHORITY: §§1-4, NRS 391.019.

A REGULATION relating to education; revising the educational requirements for renewing the licenses of teachers and other educational personnel; and providing other matters properly relating thereto.

**Legislative Counsel’s Digest:**

Existing law requires the Commission on Professional Standards in Education to adopt regulations prescribing the qualifications for licensing teachers and other personnel. (NRS 391.019) Existing regulations require, as educational prerequisites for the renewal of a license that: (1) a licensee earn 6 semester hours of credit or the equivalent during the term of the license; (2) certain licensees earn at least 3 semester hours or the equivalent pertaining to teaching English as a second language or English language acquisition and development; and (3) certain licensees show evidence of professional growth in the area of endorsement. (NAC 391.065) **Section 1** of this regulation removes those requirements for all licenses issued on or after the effective date of this regulation, and **section 2** of this regulation removes corresponding language. **Section 1** instead requires a licensee to: (1) complete certain professional development, in-service training or course work; (2) if the licensee holds a master’s degree or more advanced degree, teach a course at a regionally accredited college or university; or (3) complete the requirements for accreditation by the National Board for Professional Teaching Standards or its successor organization. **Section 1** also authorizes a licensee who is unable to complete the required annual professional development, in-service training or course work to complete those requirements during the immediately following calendar year under certain circumstances. Finally, **section 1** provides that a licensee who holds a special license that is only endorsed for substitute teaching in kindergarten through grade 12 is exempt from the educational prerequisites for renewal of the license. **Section 3** of this regulation repeals a provision prescribing certain ways in which a licensee may earn credits for renewal.
