**PROPOSED REGULATION OF THE
DIRECTOR OF PUBLIC SAFETY**

LCB File No. R129-18

Small Business Impact Statement

Pursuant to NRS 2338.0608(1), the Director of Public Safety is required to make a determination whether its proposed regulations will: (a) impose a direct and significant economic burden upon small business, and (b) directly restrict the formation, operation, or expansion of small business. NRS 233B.0382 defines a small business to be any business that employs 150 or fewer employees.

The Director of Public Safety has considered the two factors in NRS 233B.0608(1) and also acknowledges the following:

1. The Director is statutorily directed by NRS 486.372.1(d) to adopt rules and regulations which are necessary to carry out the Program for Education of Motorcycle Riders and NRS 486.375(3) to adopt standards and procedures for the licensing of motorcycle instructors.
2. No fees are created, increased or decreased by these regulations.

Therefore, the Director makes the following finding:

1. The proposed regulation will not impose a direct and significant economic burden upon small business and will not directly restrict the formation, operation, or expansion of small business.
