INFORMATIONAL STATEMENT

The following statement is submitted for adopted amendments to Nevada Administrative Code 391:

1. A clear and concise explanation of the need for the adopted regulation.

The need and purpose of the proposed amendments to NAC Chapter 391 are based on recommendations from the Nevada Department of Education. Existing law requires a licensed teacher who is initially licensed on or after July 1, 2015, except for a teacher who is licensed only as a substitute teacher, to submit with his or her first application for renewal of his or her license proof of the completion of a course in multicultural education. If the teacher is initially issued a nonrenewable license, he or she must submit such proof with his or her first application for a renewable license. Existing law also requires the Commission on Professional Standards in Education to prescribe the contents and credits required for a course in multicultural education. (NRS 391.0347) **Section 1** of this regulation: (1) clarifies that such a course must be completed after the date of initial licensure; (2) specifies who may offer such a course; and (3) prescribes the hours of credit or training that must comprise such a course and the required contents of the course. **Section 1** also clarifies that such a course may be used to satisfy certain other requirements for a course in multicultural education if the course otherwise satisfies those requirements. **Sections 2-5** of this regulation make conforming changes. This regulatory change is in compliance with the requirements of NRS 391.0347.
